Nigel Bryant, 2004 A single consistent and accessible narrative of the Grail story constructed from the principal motifs and narrative strands of all the original Grail romances The quest for the Holy Grail is one of the most important elements in the story of King Arthur Yet even among the many interested in the stories of the Round Table very few have read at first hand the medieval masterpieces which over a period of some forty years in the late twelfth and early thirteenth centuries together became the foundation of the legend of the Grail These romances full of bewildering contradictions and composed by a number of different writers with very different preoccupations dazzle with the sheer wealth of their conflicting imaginative detail In this new compilation the enthralling material becomes truly accessible through his interweaving of the principal motifs and narrative strands of all the original Grail romances to construct a single consistent version of the Grail story while clearly tracing the development of its enigmatic and potent theme All the mystery and drama of the Arthurian world are embodied in the extraordinary adventures of Perceval Gawain Lancelot and Galahad in their pursuit of the Grail Told here as a unified coherent narrative the Grail legend reasserts its relevance as one of the great works of imaginative literature of the middle ages NIGEL BRYANT's previous Arthurian books include *The High Book of the Grail* Perlesvaus Chretien de Troyes Perceval and its Continuations and Robert de Boron's Merlin and the Grail *Tirant Lo Blanch* Joseph Anthony Vaeth, 1918 Studies the romance *Tirant lo Blanch* from its authorship principal sources and historical setting *Ivan the Fool and Three Shorter Tales for Living Peaceably* Leo Tolstoy, 2018-06-12 The four classic tales in this volume illuminate Leo Tolstoy's radical orientation toward war and commerce revealing his vision for a sustainable peaceable world The feature story *Ivan the Fool* presents an archetypal fool who works hard cooperates with everyone and manages to foil every attempt to cause his downfall In the end peasant life comes out on top while the pillars of imperial Russian society topple down Esarhaddon King of Assyria explores a king's empathy based revelation to end all violence and *A Grain as Big as a Hen's Egg* playfully looks at the relationship between health soil labor and food economies *Three Questions* sums up Tolstoy's highest ideal of serving others in the present moment Some may critique these stories as being too simplistic or too moralistic But these tales have stood the test of time precisely because they entertain well while evoking universal truths that lift us above humanity's self-serving impulses
