Stevenson, 2022-02-01 The End is always near The Apocalypse has sparked imaginations for millennia while in more recent times highly publicized predictions have thrust End Time theology briefly into the spotlight In the 21st century fictional depictions of various apocalyptic scenarios are found in an endless stream of films TV shows and novels while real world media coverage of global issues including climate change and the migrant crisis often features an apocalyptic tone *Feeling the Future at Christian End Time Performances* explores this prevalent human desire to envision the End by analyzing how various live End Time performances allow people to live in and through future time The book's main focus is contemporary Christian End Time performances and how they theatrically construct encounters with future time not just images or ideas of a future but viscerally and immediately real experiences of future time Author Jill Stevenson's examples are Hell Houses and Judgement Houses Rapture House a similarly styled walk through drama in North Carolina Hell's Gates an outdoor reality drama in Dawsonville Georgia Ark Encounter a full size recreation of Noah's Ark and Tribulation Trail an immersive thirteen scene drama ministry based on the Book of Revelation The book's coda considers similarities between these Christian performances and secular survivalist prepper events especially with respect to constructions of and language about time In doing so the author situates these performances within a larger tradition that challenges traditional secular sacred distinctions and illuminates how the End Times has been employed in our current social and political moment *The Politics and Power of Bob Dylan's Live Performances* Erin C. Callahan, Court Carney, 2023-11-17 Ephemeral by nature the concert setlist is a rich if underexplored text for scholarly research How an artist curates a show is a significant aspect of any concert's appeal Through the placement of songs variations in order or the omission of material Bob Dylan's setlists form a meta narrative speaking to the power and significance of his music These essays use the setlists from concerts throughout Dylan's career to study his approach to his material from the 1960s to the 2020s These chapters from various disciplinary perspectives illustrate how the concert setlist can be used as a source to explore many aspects of Dylan's public life Finally this collection provides a new method to examine other musicians across genres with an interdisciplinary approach to setlists and the selectivity of performance Unique in its approach and wide ranging scholarly methodology this book deepens our understanding of Bob Dylan the performer **Introduction to Jamie Lee Curtis** Gilad James, PhD, 2013-07 Jamie Lee Curtis is a renowned American actress author and activist She was born on November 22 1958 in Santa Monica California

Kowalick and Kathryn Cataldo ,2017 Essex County Overbrook Hospital details the history of this institution which had its beginnings as an asylum What was founded as the Essex County Lunacy Asylum evolved from a single building on South Orange Avenue to a city within itself in Cedar Grove It was named the Essex County

Overbrook Hospital Construction began on the hospital's iconic brick buildings in 1896 and they were prominent features on Fairview Avenue for the next 100 years. The facility produced its own food, housed its own police and fire departments, and sustained its own power sources. The Essex County Overbrook Hospital was recognized throughout the world as a leader in psychiatric care. In later years, overcrowding began to plague the institution. However, after the advent of modern psychiatric drugs, many patients were able to be discharged back into the community. In 2007, the buildings were closed, and the hospital was relocated to a newer establishment nearby. The grounds have since been plagued with vandalism and neglect, with a final deal for demolition having been solidified in 2015.
