**Text, Lies and Cataloging** Jana Brubaker, 2018-07-10 What do James Frey's *A Million Little Pieces* Margaret B Jones *Love and Consequence* and Wanda Koolmatrie's *My Own Sweet Time* have in common None of these popular books are what they appear to be Frey's fraudulent drug addiction memoir was really a semi-fictional novel Jones' chronicle of her life in a street gang was a complete fabrication and Koolmatrie was not an Aboriginal woman removed from her family as a child as in her seemingly autobiographical account but rather a white taxi driver named Leon Carmen Deceptive literary works mislead readers and present librarians with a dilemma Whether making recommendations to patrons or creating catalog records objectivity and accuracy are crucial and can be difficult when a book's authorship or veracity is in doubt This informative and entertaining study addresses ethical considerations for deceptive works and proposes cataloging solutions that are provocative and designed to spark debate An extensive annotated bibliography describes books that are not what they seem

*The Postcolonial Historical Novel* H. Dalley, 2014-10-17 *The Postcolonial Historical Novel* is the first systematic work to examine how the historical novel has been transformed by its appropriation in postcolonial writing It proposes new ways to understand literary realism and explores how the relationship between history and fiction plays out in contemporary African and Australasian writing

**Life and Narrative** Brian Schiff, A. Elizabeth McKim, Sylvie Patron, 2017-01-17 *Life and Narrative* examines the perennial mystery of how people encounter, manage and inhabit a self and a world of their own and others' creation and the ramifications of these creations From both literary and social science perspectives this volume grapples with the process of how life and narrative interact with each other

*Daviborshch's Cart* David Fraser, 2011-01-01 In the spring of 1942 Nazi forces occupying the Ukraine launched a wave of executions targeting the region's remaining Jewish communities These mass shootings were open, public and intimate Although the victims themselves could never testify against their killers many eyewitnesses could and did identify the perpetrators Among these communities three local men from the villages of Serniki, Israylovka and Gnivan were intimately implicated in such killing operations Ivan Polyukhovich a forester in the German-controlled administration Heinrich Wagner a Volksdeutscher liaison officer and Mikolay Berezowsky a member of the local police force More than fifty years later these three men were arrested and brought to trial in Australia for their alleged war crimes *Daviborshch's Cart* is more than an account of Holocaust perpetrators who found a safe haven in postwar Australia It is also the story of the Holocaust in the Ukraine, the War Crimes Act, Nazi policies and the ways in which future generations translate history into law, archives into proof and law into justice Based on a review of previously unexamined historical and legal documents and transcripts *Daviborshch's Cart* offers the first critical examination of Australian attempts to bring alleged Nazi criminals to justice

**Holocaust Fiction** Sue Vice, 2003-09-02 Examining the controversies that have accompanied the publication of novels representing the Holocaust this compelling book explores such literature to analyze their violently mixed receptions and what this says about the ethics and practice of millennial

Holocaust literature The novels examined including some for the first time are *Time's Arrow* by Martin Amis *The White Hotel* by D M Thomas *The Painted Bird* by Jerzy Kosinski *Schindler's List* by Thomas Keneally *Sophie's Choice* by William Styron *The Hand that Signed the Paper* by Helen Darville Taking issue with the idea that the Holocaust should only be represented factually this compelling book argues that Holocaust fiction is not only legitimate but an important genre that it is essential to accept In a growing area of interest Sue Vice adds a new intelligent and contentious voice to the key debates within Holocaust studies

**Cultures of Forgery** Judith Ryan, Alfred Thomas, 2013-05-13 In *Cultures of Forgery* leading literary studies and cultural studies scholars examine the double meaning of the word forge to create or to form on the one hand and to make falsely on the other
