*The Other Side of Pop* Graham Jackson, 2018-11-12 Pop's personal failings have led him to believe he has an evil twin the doppelganger Iggy who controls his destiny From his room in the Kia Ora Nursing Home he relates the significant events of his life to his son Ossie an androgynous poet who has an interest in psychogeography as well as a desire to avenge dead Mama As he listens to the story Ossie discovers more darkness in Pop's life than he expects In the world outside the Home

Ossie is a Pub Poet who performs regularly at the Portwine and Shot Tower in front of modest audiences and hecklers This reality collides with that of his father and doppelganger Iggy as revealed by Pop s American correspondent the drug addict Rockwell Lewis Jordan Kia Ora is not all it seems its corridors the location of occult practice burning candles malign effigies and geriatric games Ossie has to interpret the signs as well as understand the influence Iggy Pop might be exerting on his own life Who is controlling who      *Reconciled Among the Stars* Graham Jackson,2018-11-03 Dougie Dire former star footballer is dying On the physical plane his journey to death takes him through the alternative realities of the Isolation Wing White Ward Critical Care and Reconciliation Room assisted by Nurse Leyla and the incompetent surgeon Professor Pith His daughter Dolly is also by his side On the occult plane he encounters characters from all time zones including his former coach Tommy Eliot his best mate Smithy and his four great grandfathers as he goes in search of Billy Abraham a promising young footballer who disappeared after one year at the club He travels through many countries following the path of the infinity symbol which first appears to him as the screensaver on a Critical Care monitor and is the path he must eternally follow in his quest for reconciliation with himself his family and friends Aboriginal Australia and the Cosmos      Where Dead Corals Lie Graham Jackson,2018-11-13 Captain RP Laxman and Oliver Cape sail to the Olympus Islands on the giant wind ferry Charon Their mission is to administer the World Authority s peace at the end of the long anarchist war Expecting to make a useful contribution in an outpost of empire they instead become enmeshed in local intrigue and incompetence The Resident Commissioner is a pompous alcoholic with a Treasurer scheming to replace him The Secretary James Darling is a buffoon with a dangerous diseased mind The Japanese trader Omi is also prominent in the affairs of the Islands as are the Resident Commissioner s wife Jocasta and the Treasurer s daughter Hope The Olympus Islands are being slowly drowned by the ocean The native People of the Coral bemused by the Authority s representatives realise they have to make use of their innate occult vision and take a more active role in their own affairs Even though they know that ultimately the inhabitants of all worlds live at the direction of the Fates and the Furies      **Fake It** Mark Osteen,2021-08-13 How many layers of artifice can one artwork contain How does forgery unsettle our notions of originality and creativity Looking at both the literary and art worlds Fake It investigates a set of fictional forgeries and hoaxes alongside their real life inspirations and parallels Mark Osteen shows how any forgery or hoax is only as good as its authenticating story and demonstrates how forgeries foster fresh authorial identities while being deeply intertextual and frequently quite original From fakes of the late eighteenth century such as Thomas Chatterton s Rowley poems and the notorious Shakespearean documents fabricated by William Henry Ireland to hoaxes of the modern period such as Clifford Irving s fake autobiography of Howard Hughes the infamous Ern Malley forgeries and the audacious authorial masquerades of Percival Everett Osteen lays bare provocative truths about the conflicts between aesthetic and economic value In doing so he illuminates the process of artistic creation which emerges as collaborative and imitative rather than individual and inspired revealing that authorship is to some degree always forged

The Darkening Ecliptic Ern Malley, 2018-10-01 In 1944 the Australian literary world was rocked by a hoax which was to become a worldwide scandal Ern Malley deceased motor mechanic and poet was the invention of two Sydney poets James McAuley and Harold Stewart who were intent on proving that modern poetry was a sham The work of Malley comprised lines and words selected randomly everywhere from Shakespeare to an American report on the drainage of the breeding grounds of mosquitoes Max Harris published the poetry in the literary magazine *Angry Penguins* but when the deception was revealed he was mercilessly lampooned tried and convicted of publishing indecent advertisements This definitive edition contains all of the poems a new introduction by artist Albert Tucker and historical background by Max Harris John Reed and Colin Wilson augmented by the unique contribution of drawings and etchings by Garry Shead **Telling Tales** Melissa Katsoulis, 2013-02-07 When Dionysus the Renegade faked a Sophocles text in 400BC cunningly inserting the acrostic Heraclides is ignorant of letters to humiliate an academic rival he paved the way for two millennia of increasingly outlandish literary hoaxers The path from his mischievous stunt to more serious tricksters like the controversial memoirist and Oprah dupe James Frey takes in every sort of writer from the religious zealot to the bored student via the vengeful academic and the out and out joker But whether hoaxing for fame money politics or simple amusement each perpetrator represents something unique about why we write Their stories speak volumes about how reading writing and publishing have grown out of the fine and private places of the past into big business TV book club led mass marketplaces which some would say are ripe for the ripping For the first time the complete history of this fascinating sub genre of world literature is revealed Suitable for bookworms of all ages and persuasions this is true crime for people who don't like true crime and literary history for the historically illiterate A treat to read right through or to dip into it will make you think twice next time you slip between the covers of an author you don't know Forthcoming Books Rose Arny, 1981 **The Literature Board** Thomas W. Shapcott, 1988 *The Publishers' Trade List Annual*, 1985 **Poems** Ern Malley, James Phillip McAuley, 1961 **Helix**, 1981 **Australian Books** National Library of Australia, 1981 Current Contents Africa, 1981 **Mandrake**, 1949 *Summer Ends Now* John Emery, 1980 Collection of short stories characters include Aborigines
