Soldiers a gripping Kirkus Reviews World War II story of bravery survival and sacrifice the vow Douglas MacArthur made to return to the Philippines and the oath his fellow general Jonathan Mayhew Wainwright made to stay with his men there whatever the cost For the doomed stand American forces made in the Philippines at the start of World War II two generals received their country's highest military award the Medal of Honor One was the charismatic and controversial Douglas MacArthur whose orders forced him to leave his soldiers on the islands to starvation and surrender but whose yow to return echoed around the globe The other was the gritty Jonathan Mayhew Wainwright who became a hero to the troops whose fate he insisted on sharing even when it meant becoming the highest ranking American prisoner of the Japanese In The Fate of the Generals bestselling author Jonathan Horn brings together the story of two men who received the same medal but found honor on very different paths MacArthur's journey would require a daring escape with his wife and young child to Australia and then years of fighting over thousands of miles to make it back to the Philippines where he would fulfill his famous vow only to see the city he called home burn Wainwright's journey would take him from the Philippines to Taiwan and Manchuria as his captors tortured him in prisons and left him to wonder whether his countrymen would ever understand the choice he had made to surrender for the sake of his men A story of war made personal based on meticulous research into diaries and letters including boxes of previously unexplored papers The Fate of the Generals is a vivid account that raises timely questions about how we define honor and how we choose our heroes and is destined to become a classic of World War II Growing Up the Hard Way Grace W. Thomson, 2011-11 Some memories of childhood are impossible to forget For history author Grace Thomson the memories of her experiences of growing up during World War II in Scotland have lasted a lifetime When the Luftwaffe bombed her small town she and her family were forced to endure hardships daily Grace writes of her parents struggles to feed and clothe their children when they were faced with rationing the most basic necessities of life There were years of hunger when she ate tree leaves to fill her empty belly We follow Grace and her brothers through their school days when a pencil was a luxury and a slate to write on a necessity Life equaled loss and the family suffered the loss of a family member in the war with stoic strength She watched her mother become so depressed that she contemplated suicide as the only way to escape her misery Grace endured sexual harassment in dead end jobs eventually she met her future husband and escaped to Canada to an unknown future Religious Poems Elizabeth Prentiss, 2017-10-10 Elizabeth Prentiss wrote 122 poems that depict some of the deepest experiences of her Christian life they are her tears of joy or of sorrow her cries of anguish and her songs of love and triumph The epigraph states The testimony of one soul is the experience of thousands As Harper's Magazine 1874 wrote These poems will give strength to many that feel the weariness and faint under it and that need just this cry of a labored trust as a means of conduct to the higher experience of joyous trust New York Magazine, 1991-04-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and
