The Hardest Goodbye Robin Nadler, 2016-06-08 It seemed unexpected yet it wasn t Tramp How does this story move on without one of its founding members Tramp is as much a part of this family by choice as any member and when the time comes for him to say goodbye it is a loss nobody saw coming Tommy is healing Jack is healing Tessa is recovering Things are looking up at least physically The emotional scars of the past few months will take much longer to heal but with time hopefully they can Time is something they all don t have Tramp brought Tommy and Brittany together He took a bullet for Julie He has protected his family as bravely as anyone could He did everything for his family and they adored him But time moves on Life moves on Sometimes despite how big our hearts may seem the plan is bigger than we are Tommy can t face it Brittany is heartbroken And then there s Naomi

The Longest Goodbye: A Family's Hope-Filled Journey Through Alzheimer's Shelly Calcagno, 2022-11-15 Are we ever ready to say goodbye She looked out into the yard sprinkled with spring dandelions Yellow flowers she said searching for her words We knew something wasn t right That s when things began to fall apart for our family when our longest goodbye journey began the defining before and after moment And now looking back it s been almost a decade of slow loss and drawn out grief as we slowly let go of our beautiful mom In the middle of it all though we have learned to look for hope and chase down joy discovering that in spite of our pain there are always gifts to be found even on the hardest of days Alzheimer s disease affects almost fifty million people worldwide It touches people across every walk of life So how do millions of people figure out how to love as they let go *The Longest Goodbye* is a collection of stories and moments not just about the clinical side of memory loss but the emotional heart journey It is a story that shows how joy and grief are often intertwined and wrapped up together in the glorious mess of life *The Longest Goodbye* encourages readers to remember the ones they love while they are still here
