Henry Morton Stanley

Sir Henry Morton Stanley Confederate:

Sir Henry Morton Stanley Confederate Nathaniel Cheairs Hughes, Jr.,2000-09-01 *The Autobiography of Sir Henry Morton Stanley ...* Henry Morton Stanley,1909 [The Autobiography of Sir Henry Morton Stanley](#) Henry Morton Stanley,1911 *The Autobiography of Sir Henry Morton Stanley, G.C.B.* Henry Morton Stanley,1909 [Civil War Biographies from the Western Waters](#) Myron J. Smith, Jr.,2015-02-20 From 1861 to 1865 the Civil War raged along the great rivers of the Ohio and Mississippi valleys While various Civil War biographies exist none have been devoted exclusively to participants in the Western river war as waged down the Mississippi to the mouth of the Red River and up the Ohio the Tennessee and the Cumberland Based on the Official Records county histories newspapers and internet sources this is the first work to profile personnel involved in the fighting on these great streams Included in this biographical encyclopedia are Union and Confederate naval officers down to the rank of mate enlisted sailors who won the Medal of Honor or otherwise distinguished themselves or who wrote accounts of life on the gunboats army officers and leaders who played a direct role in combat along Western waters political officials who influenced river operations civilian steamboat captains and pilots who participated in wartime logistics and civilian contractors directly involved including shipbuilders dam builders naval constructors and munitions experts Each of the biographies includes where known birth death and residence data unit organization or ship involvement in the river war pre and post war careers and source documentation Hundreds of individuals are given their first historic recognition *The Timberclads in the Civil War* Myron J. Smith, Jr.,2008-10-07 In the most detailed history ever of Union warships on the western waters of the Civil War the author recounts the exploits of the timberclad ships Lexington Tyler and Conestoga Converted to warships from commercial steamboats at the beginning of the conflict the three formed the core of the North's Western Flotilla later the Mississippi Squadron The book focuses on the activities of these wooden warriors while providing context for the greater war including accounts of their famous commanders their roles in both large and small battles ship to ship combat and support for the armies of Gen U S Grant and Gen William T Sherman **The Autobiography of Sir Henry Morton Stanley** Henry Morton Stanley,2023-08-23 Henry Morton Stanley was born in 1841 in Wales As a child Rowlands suffered years of abuse by his family and in the workhouse In 1859 at the age of eighteen he emigrated to America and began the process of reinventing himself pretending to be an American and taking the name of Henry Hope Stanley a successful cotton merchant he claimed he had met in New Orleans who informally adopted him and became a father figure to the young Stanley In his autobiography Stanley looks back on this time as being heavily affected by the abuse he endured and the stigma of illegitimacy During the Civil War Stanley became one of the few people to serve in the Confederate Army Union Army and the U S Navy and after the war he became a newspaper correspondent for the St Louis Missouri Democrat covering General Hancock's army in the Indian campaigns Stanley elaborates on his adventures during the Civil War and the Plains Indian Wars in the first half of the book In 1868

Stanley began covering the war in Abyssinia for the New York Herald which sent him to Africa to find David Livingstone a year later a feat that garnered him his first taste of international renown Stanley then spent the following twenty years exploring and charting the African interior authoring several best selling books and working as a colonial administrator for the Congo Free State of Belgian King Leopold II In this latter endeavor Stanley helped to establish one of the most controversial and violent colonial projects in the history of European imperialism During this time he worked on his autobiography DAB However Stanley died in 1904 before he could finish it and his wife Dorothy whom he married in 1890 stepped in to edit and prepare it for publication completing the work from Stanley s notes and drafts It was then published in London and Boston in 1909

Tinclads in the Civil War Myron J. Smith, Jr.,2010-01-13 Once the Union Army gained control of the upper rivers of the Mississippi Valley during the first half of 1862 slow and heavy ironclads proved ineffective in patrolling the waters Hastily outfitted steamboats were covered with thin armor and pressed into duty These tinclads fought Confederate forces attacking from the riverbanks provided convoy for merchant steamers enforced revenue measures and offered tow dispatch and other fleet support services This history documents the service records and duties of these little known vessels of the Union fleet

A World on Fire Amanda Foreman,2012-06-12 NEW YORK TIMES BESTSELLER 10 BEST BOOKS THE NEW YORK TIMES BOOK REVIEW 2011 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post The New Yorker Chicago Tribune The Economist Nancy Pearl NPR Bloomberg com Library Journal Publishers Weekly In this brilliant narrative Amanda Foreman tells the fascinating story of the American Civil War and the major role played by Britain and its citizens in that epic struggle Between 1861 and 1865 thousands of British citizens volunteered for service on both sides of the Civil War From the first cannon blasts on Fort Sumter to Lee s surrender at Appomattox they served as officers and infantrymen sailors and nurses blockade runners and spies Through personal letters diaries and journals Foreman introduces characters both humble and grand while crafting a panoramic yet intimate view of the war on the front lines in the prison camps and in the great cities of both the Union and the Confederacy In the drawing rooms of London and the offices of Washington on muddy fields and aboard packed ships Foreman reveals the decisions made the beliefs held and contested and the personal triumphs and sacrifices that ultimately led to the reunification of America Engrossing a sprawling drama The Washington Post Eye opening immensely ambitious and immensely accomplished The New Yorker WINNER OF THE FLETCHER PRATT AWARD FOR CIVIL WAR HISTORY

Haunted by Atrocity Benjamin G. Cloyd,2010-05-24 During the Civil War approximately 56 000 Union and Confederate soldiers died in enemy military prison camps Even in the midst of the war s shocking violence the intensity of the prisoners suffering and the brutal manner of their deaths provoked outrage and both the Lincoln and Davis administrations manipulated the prison controversy to serve the exigencies of war As both sides distributed propaganda designed to convince citizens of each section of the relative virtue of their own prison system in contrast to the cruel inhumanity of the opponent they etched hardened and

divisive memories of the prison controversy into the American psyche memories that would prove difficult to uproot In *Haunted by Atrocity* Benjamin G Cloyd deftly analyzes how Americans have remembered the military prisons of the Civil War from the war itself to the present making a strong case for the continued importance of the great conflict in contemporary America Throughout Reconstruction and well into the twentieth century Cloyd shows competing sectional memories of the prisons prolonged the process of national reconciliation Events such as the trial and execution of CSA Captain Henry Wirz commander of the notorious Andersonville prison along with political campaigns the publication of prison memoirs and even the construction of monuments to the prison dead all revived the painful accusations of deliberate cruelty As northerners white southerners and African Americans contested the meaning of the war these divisive memories tore at the scars of the conflict and ensured that the subject of Civil War prisons remained controversial By the 1920s the death of the Civil War generation removed much of the emotional connection to the war and the devastation of the first two world wars provided new contexts in which to reassess the meaning of atrocity As a result Cloyd explains a more objective opinion of Civil War prisons emerged one that condemned both the Union and the Confederacy for their callous handling of captives while it deemed the mistreatment of prisoners an inevitable consequence of modern war But Cloyd argues these seductive arguments also deflected a closer examination of the precise responsibility for the tragedy of Civil War prisons and allowed Americans to believe in a comforting but ahistorical memory of the controversy Both the recasting of the town of Andersonville as a Civil War village in the 1970s and the 1998 opening of the National Prisoner of War Museum at Andersonville National Historic Site reveal the continued American preference for myth over history a preference Cloyd asserts that inhibits a candid assessment of the evils committed during the Civil War The first study of Civil War memory to focus exclusively on the military prison camps *Haunted by Atrocity* offers a cautionary tale of how Americans for generations have unconsciously constructed their recollections of painful events in ways that protect cherished ideals of myth meaning identity and ultimately a deeply rooted faith in American exceptionalism

The Mobile & Ohio Railroad in the Civil War Dan Lee, 2022-07-19 The Mobile Ohio Railroad was the longest line in the nation when it was completed in spring of 1861 the final spike driven a few weeks after Confederate artillery shelled Fort Sumter Within days the M O was swept up in the Civil War as a prime conveyor of troops and supplies a strategic and tactical asset to both Confederate and Union armies who fought to control it Its northern terminus at Columbus Kentucky saw some of the earliest fighting in the war The southern terminus in Mobile Alabama was the scene of some of the last U S Grant William T Sherman Nathan Bedford Forrest Newton Knight of the Free State of Jones and others battled over the M O the Federals taking it mile by mile This book chronicles the campaigns and battles for the railroad and the calamity endured by the civilians who lived along it

Civil War Infantry Tactics Earl J. Hess, 2015-04-13 For decades military historians have argued that the introduction of the rifle musket with a range five times longer than that of the smoothbore musket made the shoulder to shoulder formations of linear tactics obsolete Author Earl J

Hess challenges this deeply entrenched assumption. He contends that long range rifle fire did not dominate Civil War battlefields or dramatically alter the course of the conflict because soldiers had neither the training nor the desire to take advantage of the musket rifle's increased range. Drawing on the drill manuals available to officers and a close reading of battle reports, *Civil War Infantry Tactics* demonstrates that linear tactics provided the best formations and maneuvers to use with the single shot musket, whether rifle or smoothbore. The linear system was far from an outdated relic that led to higher casualties and prolonged the war. Indeed, regimental officers on both sides of the conflict found the formations and maneuvers in use since the era of the French Revolution to be indispensable to the survival of their units on the battlefield. The training soldiers received in this system combined with their extensive experience in combat allowed small units a high level of articulation and effectiveness. Unlike much military history that focuses on grand strategies, Hess zeroes in on formations and maneuvers or primary tactics, describing their purpose and usefulness in regimental case studies and pinpointing which of them were favorites of unit commanders in the field. The Civil War was the last conflict in North America to see widespread use of the linear tactical system, and Hess convincingly argues that the war also saw the most effective tactical performance yet in America's short history. ***Imperial Footprints*** James L. Newman, 2004. Dr. Livingstone, I presume. The man who uttered those famous words was compared with Christopher Columbus in his day and became one of the late nineteenth century's most newsworthy figures. Yet one hundred years after Henry Morton Stanley's death, his accomplishments in Africa have largely receded from public memory or have been discredited as epitomizing the wrongs inflicted by the scourge of European colonialism and its scramble for Africa. While numerous writers have attempted to describe the man, sometimes through highly speculative means, our understanding of the most notable aspect of Stanley's life, his relationship to the continent, isn't much more advanced than it was one hundred years ago. To fill this void, James L. Newman re-creates Stanley's seven epic African journeys, explaining why he made them, what transpired en route, and what resulted. He highlights Stanley's determination to succeed despite incredible odds and his various relationships with the people who enabled him to accomplish his objectives. And while he acknowledges Stanley's less admirable traits, such as his penchant for stretching the truth, his capacity to be ruthless, and his tendency to demean others, Newman refuses to engage in facile speculation. Instead, he focuses on the words and deeds of a man who played a major role in shaping today's Africa. James L. Newman's in-depth research, detailed descriptions, and vivid prose make Stanley and Africa both a fascinating read and a notable contribution to the study of Africa, exploration, and the age of empire. ***Portraits of Conflict*** Bobby Leon Roberts, Carl H. Moneyhon, 1987. With over two hundred photographs and related documents, the authors make indelibly real the physical and spiritual suffering of the ordinary soldier and his love for his country and its land. By carefully matching available written sources to photographs, the authors have created a unique opportunity for the reader to see the war on a human scale that may always elude traditional narratives. Back cover ***The USS Carondelet*** Myron J. Smith,

Jr.,2010-04-13 The USS Carondelet had a revolutionary ship design and was the most active of all the Union's Civil War river ironclads From Fort Henry through the siege of Vicksburg and from the Red River campaign through the Battle of Nashville the gunboat was prominent in war legend and literature This history draws on the letters of Ensign Scott Dyer Jordan and Rear Adm Henry Walke's memoirs Creative Minds in Desperate Times Webb Garrison,1997-09-12 When the Civil War broke out leaders on both sides had to develop strategies for fighting the conflict and considered almost any suggestion This book chronicles some of the most intriguing and unusual plans devised by these leaders *Guide to Collective Biographies for Children and Young Adults* Sue Barancik,2005 Help middle and high school students find the books they need for school reports quickly and easily The author has indexed the lives and accomplishments of more than 5 700 notable men and women from ancient through modern times in this tool that will aid librarians media specialists and teachers with a student's search to find biographies written especially for their age group Horses and Mules in the Civil War Gene C. Armistead,2013-09-09 Horses and mules served during the Civil War in greater number and suffered more casualties than the men of the Union and Confederate armies combined Using firsthand accounts this history addresses the many uses of equines during the war the methods by which they were obtained their costs their suffering on the battlefields and roads their consumption by soldiers and such topics as racing and mounted music The book is supplemented by accounts of the Lightning Mule Brigade the Charge of the Mule Brigade five appendices and 37 illustrations More than 700 Civil War equines are identified and described with incidental information and identification of their masters *The Untold Story of Shiloh* Timothy B. Smith,2008-03 At the mention of Shiloh most tend to think of two particularly bloody and crucial days in April 1862 The complete story however encompasses much more history than that of the battle itself While several accounts have taken a comprehensive approach to Shiloh significant gaps still remain in the collective understanding of the battle and battlefield In *The Untold Story of Shiloh* Timothy B Smith fills in those gaps looking beyond two days of battle and offering unique insight into the history of unexplored periods and topics concerning the Battle of Shiloh and the Shiloh National Military Park This collection of essays some previously unpublished tackles a diverse range of subjects including Shiloh's historiography the myths about the battle that were created and the mindsets that were established after the battle The book reveals neglected military aspects of the battle such as the naval contribution the climax of the Shiloh campaign at Corinth and the soldiers' views of the battle The essays also focus on the Shiloh National Military Park's establishment and continuation with particular emphasis on those who played key roles in its creation Taken together the essays tell the overall story of Shiloh in greater detail than ever before General readers and historians alike will discover that *The Untold Story of Shiloh* is an important contribution to their understanding of this crucial episode in the Civil War Timothy B Smith is on staff at the Shiloh National Military Park He is author of *Champion Hill Decisive Battle for Vicksburg* and *This Great Battlefield of Shiloh History Memory and the Establishment of a Civil War National Military Park* **Stanley** Tim Jeal,2011-10-06 Henry

Morton Stanley was a cruel imperialist a bad man of Africa Or so we think but as Tim Jeal brilliantly shows the reality of Stanley s life is yet more extraordinary Few people know of his dazzling trans Africa journey a heart breaking epic of human endurance which solved virtually every one of the continent s remaining geographical puzzles With new documentary evidence Jeal explores the very nature of exploration and reappraises a reputation in a way that is both moving and truly majestic

Sir Henry Morton Stanley Confederate: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. Sir Henry Morton Stanley Confederate : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Sir Henry Morton Stanley Confederate : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
