

Bee-eaters (bird study)

- love the vibrancy of the colors really like the colors of the birds
- but the painting looks too good if that's the case it's not
- love the way the wings look different
- maybe a little more detailed around the head which could have made it more

the only reason
the black back
was
to
be

- maybe should have used black for the beak
- more detail of the tail but also that the wing is chested over the chested tail

- loves the colors of the feathers
- the second one and every the third one also very like the master but want to keep on with to making love the one more of the
- 12 year old you can give it...

- more but the
- last one so this one is better
- but that's a lovebird so the master look at the

kindly a favorite one study
