Small Ecstasies:

Little Miss Lustring Agnes Giberne, 1896 **Seeing Through the Eye** Cecil Kuhne, 2016-01-22 Malcolm Muggeridge was one of Great Britain's most well known journalists and television personalities having interviewed practically every major public figure of his time. He shocked the world with his conversion to Christianity later in life. St. Mugg as he was affectionately known, was clear in his new found faith. It is the truth that has died, not God, and Jesus was God, or he was nothing. These wonderful selections of Muggeridge's writings and speeches cover a wide variety of spiritual themes revealing his profound faith, great wit, and lively writing style. Topics include Jesus, The Man Who Lives, Is There a God, The Prospect of Death, Do We Need Religion, Peace and Power, and many more. The counter-cultural declaration of Mr. Muggeridge's conversion was especially eye-catching given the great legions traveling in the opposite direction. His larger public knew him through his work as a television host and critic. But all of literate England and much of America knew him as a learned and incisive journalist who had written *Winter in Moscow*, a searing exposé of Communism. His intellect and historical savoir faire gave his criticisms a very long reach. In America, he made regular appearances as book editor of *Esquire* magazine. No Englishman has a more mordant, more attractive wit. William F. Buckley Jr. From the Introduction **Ascent of the Mountain, Flight of the Dove** Michael Novak, 2011-12-31 The essence of *Ascent of the Mountain, Flight of the Dove* remains intact: its vision of religious studies as sustained reflection on our lifelong voyage to discover who we are. The story we choose for ourselves, the story we live, can sacralize or secularize our lives and our world by the way in which we choose to relate to it. With this awareness of the story dimension of life, *Ascent of the Mountain, Flight of the Dove* opens us to awe, reverence, and wonder at the risks and possibilities of human freedom. This book is even more important than it was thirty years ago. We need religion to strike deeply into the self, away from public glare. Unless Americans become more sophisticated about the language of the self, inner life will shrivel. In addition, our people will continue to be vulnerable to fundamentalist movements. Such movements take over too many innocents. They promise and sometimes deliver a touching happiness. But they do so by closing the spirit in a powerful and dangerous way. Families and schools do not provide a large and critical vocabulary by which to express the inner longings of the spirit. The souls of many are parched and they gladly accept water, any water, from those who offer it. The liberation of the religious spirit from trivial, closed, and simplistic systems of thought can only be achieved through the development of a critical language, exercises and disciplines that open rather than close the mind, that lead to higher viewpoints, breakthroughs, and new syntheses in a constant enlargement of spirit. Novak's book leads us to that place. *Ascent of the Mountain, Flight of the Dove* J. Bowyer Bell, 2017-09-29 The essence of *Ascent of the Mountain, Flight of the Dove* remains intact: its vision of religious studies as sustained reflection on our lifelong voyage to discover who we are.
