Apt 202 Keith Barbee,2009-04-28 Salacious but endearing APT 202 is written with such visual vigor that you are entranced from the first line The characters their thoughts and actions leap from the page and strangle your thoughts However you are not left breathless The author resuscitates you with a literary agility that is all his own APT 202 is a character driven assault on our decisions and the consequences that ensue said Barbee It is a testament to the capitol city and its inhabitants Keisha and Antonio along with a host of friends and family take you through Chocolate City in a way that s much different from the tourism guides This is DC as they live it This foray into novel writing is uniquely Keith Barbee Overrun with pop culture references and mired in materialism this is exactly what you would expect from a Tastemaker However Barbee knows how to tell a story A good story **Under God's Construction** Tamara M. Edmond, Amped Kortney Clemons,Bill Briggs,2008-09-29 When above the knee amputeeswalk we generate seven to nine times the force of our body weight right into the point where the prosthesis meets our residual leg For me that s almost 1 500 pounds slamming into that socket For any amputee learning to walk with a prosthetic leg is a painful grueling ordeal Soon after army medic Kortney Clemons who lost his right leg to a roadside bomb in Baghdad began the process he had more than walking in mind He wanted to run and run fast Barely three years after the awful attack that changed his life forever he aimed to join the elite corps of international athletes vying for gold in the 2008 Paralympics in Beijing His account of his recovery from this

catastrophic wound and his drive to become the first Iraq veteran to win Paralympic gold is one of the most remarkable inspiring and compelling stories in the history of sports The Princess Behind the Teardrops Elester J. Garrett,2006-03
