

Smoky Trail

Kathleen Armour

Smoky Trail:

Hiking Trails of the Great Smoky Mountains Kenneth Wise, 2014-03-30 *Hiking Trails of the Great Smoky Mountains* is an essential guide to one of America's most breathtaking and rugged national parks. The second edition of this compellingly readable and useful book is completely updated, giving outdoor enthusiasts the most current information they need to explore this world-renowned wilderness. Included here are facts on more than 125 official trails recognized by the Park Service. Each one has its own setting, purpose, style, and theme, and author Kenneth Wise describes them in rich and vivid detail. For every route, he includes a set of driving directions to the trailhead, major points of interest, a schedule of distances to each one, a comprehensive outline of the trail's course, specifics about where it begins and ends, references to the U.S. Geological Survey's quadrangle maps, and when available, historical anecdotes relating to the trail. His colorful descriptions of the area's awe-inspiring beauty are sure to captivate even armchair travelers. Organized by sections that roughly correspond to the seventeen major watersheds in the Smokies, Wise starts in Tennessee and moves south into North Carolina with two major trails: the Lakeshore and the Appalachian, that traverse several watersheds treated independently. Further enhancing the utility of this volume is the inclusion of the Great Smoky Mountains official trail map, as well as an informative introduction filled with details about the geology, climate, vegetation, wildlife, human history, and environmental concerns of the region. A seasoned outdoorsman with more than thirty years of experience in the area and codirector of the Great Smoky Mountains Regional Project at the University of Tennessee, Knoxville, Wise brings an exceptional depth of knowledge to this guide. Both experienced hikers and novices will find this newly revised edition an invaluable resource for trekking in the splendor of the Smokies.

Top Trails: Great Smoky Mountains National Park Johnny Molloy, 2017-04-17 Johnny Molloy, who has spent more than 800 nights backpacking in the Smokies, has updated his classic guide *Top Trails: Great Smoky Mountains National Park*. This revised edition has been completely updated, including the new backcountry reservation system implemented in the park. He has also added some excellent hikes, some of them well off the beaten path. For example, the hike to Baskins Creek Falls takes you past a pioneer homestead and to a scenic cascade overshadowed by more popular waterfalls nearby, making it an ideal destination for those who want to escape the crowds. A longer trek traverses the regal pine-oak forests of the western part of the park, making a stop at Abrams Falls, mixing solitude with a must-visit waterfall on every Smokies bucket list. Johnny also explores early park history on a hike up Kephart Prong. Here you can see the remains of a fish hatchery constructed by the Civilian Conservation Corps, as well as a trail shelter erected by the CCC when the park was just coming to be. Backpackers will enjoy the new loop incorporating Walnut Bottoms along cascading Big Creek, coupled with a stop by historic Mount Cammerer tower, replete with stellar views, before overnighting at Davenport Shelter on the Appalachian Trail. Additionally, Johnny, who considers the Smokies his home stomping ground, makes sure that all the necessary information to help you execute a hike—from directions to maps—is correct. New photos add flair to the book.

Hiking Trails of the

Smokies Don DeFoe, Steve Kemp, Kent Cave, Beth Giddens, 1994 Map has titles Great Smoky Mountains trail map Great Smoky Mountains hiking map **Hiking Great Smoky Mountains National Park** Kevin Adams, 2021-05-15 Discover the 82 greatest hikes within Great Smoky Mountains National Park Everyone from the avid trekker to family day hiker will find a new trail to enjoy in the Smokies Each hike is covered by concise descriptions detailed maps and turn by turn directions Set out confidently and enjoy glorious views and peaceful wilderness **Hiking Trails of the Great Smoky Mountains** Kenneth Wise, 1996 Featuring fifteen maps and forty four illustrations a guide to the official trails as well as many off trail trips of the Great Smoky Mountains National Park offers vital information for each trail and points of interest Original UP
