Snake Oil Hustlers And Hambones The American Medicine Show:

Snake Oil, Hustlers and Hambones Ann Anderson, 2015-09-01 Long before television and radio commercials beckoned to potential buyers the medicine show provided free entertainment and promised cures for everything from corns to cancer Combining elements of the circus theater vaudeville and good old fashioned entrepreneurship the showmen of the American medicine show sold tonics ointments pills extracts and a host of other wonder cures guaranteed to cure what ails you While the cures were seldom miraculous the medicine show was an important part of American culture and of performance history Harry Houdini Buster Keaton and P T Barnum all took a turn upon the medicine show stage This study of the medicine show phenomenon surveys nineteenth century popular entertainment and provides insight into the ways in which show business advertising and medicine manufacture developed in concert The colorful world of the medicine show with its Wild West shows pie eating contests clowns and menageries is fully explored Photographs of performers and of the fascinating handbills and posters used to promote the medicine show are included

Marketplace of the Marvelous Erika Janik, 2015-03-10 An entertaining introduction to the quacks snake oil salesmen and charlatans who often had a point Despite rampant scientific innovation in nineteenth century America traditional medicine still adhered to ancient healing methods subjecting patients to bleeding blistering and induced vomiting and sweating Facing such horrors many patients ran with open arms to burgeoning practices that promised new ways to cure their ills Hydropaths offered cures using healing waters and tight wet sheet wraps Phineas Parkhurst Quimby experimented with magnets and tried to replace bad diseased thoughts with good healthy thoughts while Daniel David Palmer reportedly restored a man's hearing by knocking on his vertebrae Lorenzo and Lydia Fowler used their fingers to read their clients heads claiming that the topography of one's skull could reveal the intricacies of one's character Lydia Pinkham packaged her Vegetable Compound and made a famous family business from the homemade cure all And Samuel Thomson rejecting traditional medicine introduced a range of herbal remedies for a vast array of woes supplemented by the curative powers of poetry Bizarre as these methods may seem many are the precursors of today's notions of healthy living We have the nineteenth century practice of medical gymnastics to thank for today's emphasis on regular exercise and hydropathy's various water cures for the notion of regular bathing and the mantra to drink eight glasses of water a day And much of the philosophy of health introduced by these alternative methods is reflected in today's patient centered care and holistic medicine which takes account of the body and spirit Moreover these entrepreneurial alternative healers paved the way for women in medicine Shunned by the traditionalists and eager for converts many of the masters of these new fields embraced the training of women in their methods Some women like Pinkham were able to break through the barriers to women working to become medical entrepreneurs themselves In fact next to teaching medicine attracted more women than any other profession in the nineteenth century the majority of them in irregular health systems These eccentric ideas didn't make it into modern medicine without a fight of course As these new healing methods grew in popularity

traditional doctors often viciously attacked them with cries of quackery and pressed legal authorities to arrest fine and jail irregulars for endangering public safety Nonetheless these alternative movements attracted widespread support from everyday Americans and the famous alike including Mark Twain Louisa May Alcott and General Ulysses S Grant with their messages of hope self help and personal empowerment Though many of these medical fads faded and most of their claims of magical cures were discredited by advances in medical science a surprising number of the theories and ideas behind the quackery are staples in today s health industry Janik tells the colorful stories of these quacks whose oftentimes genuine wish to heal helped shape and influence modern medicine

Lydia Pinkham Sammy R. Danna,2015-03-26 Lydia Pinkham was one of the 19th century s most remarkable businesswomen her influence spreading beyond the late 1800s and her native New England A champion of equal rights for women and blacks at a time when such causes lacked widespread support Pinkham was ahead of her time on other issues Chief among them was the well being of women struggling with serious health issues related to their menstrual cycles and other so called women weaknesses But as the teetotaling Pinkham and her namesake company soared to entrepreneurial heights by selling her patient relief in the guise of an alcohol laced potion known as the Vegetable Compound generations that followed have been left to wonder Was she worthy of her female customers trust or just an opportunist In Lydia Pinkham The Face That Launched a Thousand Ads historian Sammy R Danna offers the latest book length biography that explores all sides of the Lydia Pinkham phenomena Danna illustrates how remarkable an American historical figure she was who with associates masterfully used and reinvented the marketing tools of her day while battling the misogyny of the medical establishment But Danna also asks whether she was just a grandmotherly version of the pitchmen who roamed from town to town with their snake oil elixirs Students and scholars in the fields of women s studies American culture and the histories of medicine advertising and business will see Lydia Pinkham in a new light

The Cambridge Companion to the Black Body in American Literature Cherene Sherrard-Johnson,2024-05-16 Whether invisible or hyper visible adored or reviled from the inception of American literature the Black body has been rendered in myriad forms This volume tracks and uncovers the Black body as a persistent presence and absence in American literature It provides an invaluable guide for teachers and students interested in literary and artistic representations of Blackness and embodiment The book is divided into three sections that highlight Black embodiment through conceptual flashpoints that emphasize various aspects of human body in its visual and textual manifestations This Companion engages past and continuing debates about the nature of embodiment by showcasing how writers from multiple eras and communities defined and challenged the limits of what constitutes a body in relation to human and nonhuman environment

Robert E. Howard Willard M. Oliver,2025-04-15 Robert E Howard 1906 1936 is most widely known today as the creator of Conan the Cimmerian more popularly referred to as Conan the Barbarian However he also wrote across a wide array of genres for the pulp magazines of the 1920s and 1930s including westerns sports stories boxing adventures supernatural horror and even humor Howard also

created many other popular characters such as King Kull Bran Mak Morn Solomon Kane Steve Costigan and Breckenridge Elkins More importantly he created two specific subgenres of fiction sword and sorcery sometimes referred to as heroic fantasy and weird westerns Born and raised in Texas Robert E Howard began his writing career after his family settled in the small Central Texas town of Cross Plains His first professional sale came from the pulp magazine *Weird Tales* in 1925 and over the next eleven years he wrote hundreds of stories and an equal number of poems With this prolific body of stories he was among the most lauded pulp authors of that era It has been said and rightly so that the secret to his success was that there was a bit of Howard in every one of his characters and because Howard was a Texan even Conan shows elements of the Texan in his persona Robert E Howard *The Life and Times of a Texas Author* details the many trials and tribulations he faced as he became and remained a full time writer while dealing with an aging father and caring for a mother who was dying of tuberculosis The book both chronicles his personal life and demonstrates how the one driving force in Robert E Howard's life forming the foundation for all of his characters and stories was his personal pursuit of freedom He lived for his freedom he wrote as a means to attain that freedom and while it may sound strange he also died tragically by his own hand in that very same pursuit at the young age of 30 *Handbook to Life in America* Rodney P. Carlisle, 2014-05-14 Examines the history events and people in the years often referred to the Gilded Age gathered by historians scientists archaeologists and other scholars [Encyclopedia of Hair](#) Victoria Sherrow, 2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information How we style our hair has the ability to shape the way others perceive us For example in 2017 the singer Macklemore denounced his hipster undercut hairstyle a style that is associated with Hitler Youth and alt right men and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype This volume examines how hair or lack thereof can be an important symbol of gender class and culture around the world and through history Hairstyles have come to represent cultural heritage and memory and even political leanings social beliefs and identity This second edition builds upon the original volume updating all entries that have evolved over the last decade such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss New entries have been added that look at specific world regions hair coverings political symbolism behind certain styles and other topics **The Legacy of the Wisecrack** Eddie Tafoya, 2009 Despite the claim of many a Borscht Belt comic that he is a practitioner of the world's second oldest profession stand up comedy is a young and distinctly American literary form It was not until the last decades of the nineteenth century when enabled by unprecedented prosperity and the right to free expression that monologists began appearing in American vaudeville halls Yet even though it has since become an entertainment industry mainstay stand up comedy has received precious little scholarly attention *The Legacy of the Wisecrack Stand up Comedy as the Great American Literary Form* looks at the theory of stand up comedy its literary dimensions and its distinctly American

qualities as it provides a detailed history of the forces that shaped it The study concludes with a look at the works of specific comedians such as Steven Wright whose three decades of performances comprise a single picaresque tale and Richard Pryor whose 1982 masterpiece *Richard Pryor Live on the Sunset Strip* serves as modern America's answer to Dante Alighieri's epic poem *Inferno* The result is one of the first serious treatments of stand up comedy as a literary form *I Love It When You Talk Retro* Ralph Keyes, 2009-03-31 An entertaining and informative book about the fashion and fads of language Today's 18 year olds may not know who Mrs Robinson is where the term stuck in a groove comes from why 1984 was a year unlike any other how big a bread box is how to get to Peyton Place or what the term Watergate refers to *I Love It When You Talk Retro* discusses these verbal fossils that remain embedded in our national conversation long after the topic they refer to has galloped off into the sunset That could be a person Mrs Robinson product Edsel past bestseller *Catch 22* radio or TV show *Gangbusters* comic strip Alphonse and Gaston or advertisement Where's the beef long forgotten Such retroterms are words or phrases in current use whose origins lie in our past Ralph Keyes takes us on an illuminating and engaging tour through the phenomenon that is Retrotalk a journey oftentimes along the timelines of American history and the faultlines of culture that will add to the word lover's store of trivia and obscure references The phrase drinking the Kool Aid is a mystery to young people today as is 45rpm Even older folks don't know the origins of raked over the coals and cut to the chase Keyes The QuoteVerifier uses his skill as a sleuth of sources to track what he calls retrotalk a slippery slope of puzzling allusions to past phenomena He surveys the origins of verbal fossils from commercials Kodak moment jurisprudence Twinkie defense movies pod people cartoons Caspar Milquetoast and literature brave new world Some pop permutations percolated over decades Radio's Take It or Leave It spawned a catch phrase so popular the program was retitled The 64 Question and later returned as TV's The 64 000 Question Keyes's own book *Is There Life After High School* became both a Broadway musical and a catch phrase Some entries are self evident or have speculative origins but Keyes's nonacademic style and probing research make this both an entertaining read and a valuable reference work Publishers Weekly **The Oxford Encyclopedia of Food and Drink in America** Andrew Smith, 2013-01-31 Home cooks and gourmets chefs and restaurateurs epicures and simple food lovers of all stripes will delight in this smorgasbord of the history and culture of food and drink Professor of Culinary History Andrew Smith and nearly 200 authors bring together in 770 entries the scholarship on wide ranging topics from airline and funeral food to fad diets and fast food drinks like lemonade Kool Aid and Tang foodstuffs like Jell O Twinkies and Spam and Dagwood hoagie and Sloppy Joe sandwiches **The Cambridge Guide to American Theatre** Don B. Wilmeth, 2007-09-13 New and updated encyclopedic guide to American theatre from its earliest history to the present *Fake News Nation* James W. Cortada, William Aspray, 2019-10-01 How rumors lies and misrepresentations shaped American history After the election of Donald Trump as president people in the United States and across large swaths of Europe Latin America and Asia engaged in the most intensive discussion in modern times about falsehoods pronounced by public officials Fake facts in their

various forms have long been present in American life particularly in its politics public discourse and business activities going back to the time when the country was formed This book explores the long tradition of fake facts in their various guises in American history It is one of the first historical studies to place the long history of lies and misrepresentation squarely in the middle of American political business and science policy rhetoric In *Fake News Nation* James Cortada and William Aspray present a series of case studies that describe how lies and fake facts were used over the past two centuries in important instances in American history Cortada and Aspray give readers a perspective on fake facts as they appear today and as they are likely to appear in the future

The Land of the Hunger Artists Agustí Nieto-Galan,2023-11-23 From the 1880s to the 1920s hunger artists professional fasters lived on the fringes of public spectacle and academic experiment Agust Nieto Galan presents the history of this phenomenon as popular urban spectacle and subject of scientific study showing how hunger artists acted as mediators between the human and the social body Doctors journalists impresarios artists and others used them to reinforce their different philosophical views scientific schools political ideologies cultural values and professional interests The hunger artists generated heated debates on objectivity and medical pluralism and fierce struggles over authority recognition and prestige Set on the fringes of the freak show culture of the nineteenth century and the scientific study of physiology laboratories Nieto Galan explores the story of the public exhibition of hunger emaciated bodies and their enormous impact on the public sphere of their time

Miraculous Caroline Starr Rose,2022-07-26 A traveling medicine show promises to cure all but two kids learn it takes more than faith in the miraculous to fix things that are broken Thirteen year old Jack knows what cured his baby sister when his family thought she might never get well Dr Kingsbury s *Miraculous Tonic* Guaranteed to relieve maladies known to man or beast Dr Kingsbury s potion can cure everything from pimples to hearing loss to a broken heart and Jack himself is a witness to the miraculous results and the doctor s kindness When he had no money the doctor didn t turn him away but gave him the tonic for free along with a job to travel with him from city to city selling his cure all elixir When Dr Kingsbury and Jack arrive in Oakdale the town at first feels like any other they ve been to But it s clear Oakdale is a town with secrets and its citizens are slow to trust strangers Then Jack meets Cora and a friendship neither expected starts to bloom Together they uncover something else they didn t expect not only secrets about the town but also Dr Kingsbury As they race to discover the truth they ll have to decide who and what to believe before it s too late

Television and Health Responsibility in an Age of Individualism Katherine A. Foss,2014-10-15 American society centers on individualism celebrating personal choice even at the expense of collective progress As part of this emphasis on agency Americans value freedom for health decisions and individual health professionals and consumers are held responsible for the nation s health often at the expense of improving the overall healthcare system Such individualistic discourse disseminated and reinforced through American media has created resistance and hostility toward health policy initiatives such as the Affordable Care Act and other legislation aimed to improve American healthcare *Television and Health*

Responsibility in an Age of Individualism examines the relationship between entertainment and health responsibility in the United States Through the analysis of contemporary television medical dramas Foss explores how these media texts help shape and perpetuate ideologies that have and continue to encourage resistance to healthcare reform that shifts responsibility away from individuals to government and other institutions *The Civil War and Reconstruction* Lawrence A. Kreiser Jr.,2003-06-30 The Civil War tore America apart The ensuing era of Reconstruction sewed it back together In this vivid look at the popular culture of the era Browne and Kreiser examine how Americans coped with the trials and tribulations of this cataclysmic period Narrative essays examine the lives of everyday Americans young and old Northern and Southern soldier and civilian along with the major traditions and trends in every facet of the time s popular culture Dime novels illustrated newspapers iceboxes patriotic hymns and rebel rhythms minstrel shows and professional baseball teams were just some of the cultural phenomena that thrived during this period Readers will benefit from the chapter bibliographies a timeline a cost comparison and suggestions for further reading This latest addition to Greenwood s I American Popular Culture Through History R series is an invaluable contribution to the study of American popular culture **The Archaeology of American Medicine and Healthcare** Meredith Reifschneider,2025-02-11 In this book Meredith Reifschneider synthesizes archaeological research on healthcare and medicine to show how practices in the United States have evolved since the nineteenth century demonstrating that historical archaeology can provide important insights into healthcare and modes of self care in the past *Here's the Pitch* Roberta J. Newman,2019-03-01 2020 SABR Baseball Research Award In the mid nineteenth century two industries arrived on the American scene One was strictly a business yet it helped create define and disseminate American culture The other was ostensibly just a game yet it soon became emblematic of what it meant to be American aiding in the creation of a national identity Today whenever the AT T call to the bullpen is heard fans enter Minute Maid Park or vote for favorite All Stars brought to us by MasterCard we are reminded that advertising has become inseparable from the MLB experience Here s the Pitch examines this connection between baseball and advertising as both constructors and reflectors of culture Roberta J Newman considers the simultaneous development of both industries from the birth of the partnership paying particular attention to the ways in which advertising spread the gospel of baseball at the same time professional baseball helped develop a body of consumers ready for the messages of advertising Newman considers the role of product endorsements in the creation of the culture of celebrity and of celebrity baseball players in particular as well as the ways in which new technologies have impacted the intersection of the two industries From Ty Cobb to Babe Ruth in the 1920s and 1930s to Mickey Mantle Yogi Berra and Willie Mays in the postwar years to Derek Jeter Rafael Palmeiro and David Ortiz in the twenty first century Newman looks at many of baseball s celebrated players and shows what qualities made them the perfect pitchmen for new products at key moments Here s the Pitch tells the story of the development of American and an increasingly international culture through the marriage between

Mad Men and The Boys of Summer that made for great copy notable TV advertisements and lively social media and shows how baseball's relationship with advertising is stronger than ever *The Food and Drug Administration (FDA)* Meredith A. Hickmann, 2003 The FDA is responsible for ensuring the safety of foods drugs medical devices cosmetics and a variety of other products These products account for 25 cents of every dollar US consumers spend Under the authority of the Federal Food Drug and Cosmetic Act FDA is responsible for ensuring that these products are safe accurately labelled and in the case of drugs and medical devices effective FDA's tasks include enforcement pre market product evaluation and approval post market surveillance and investigations publishing of regulations conducting and monitoring of research public education and regulating products and processes to prevent hazards to human health Contents Preface Food and Drug Administration Selected Funding Data Food and Drug Administration Selected Funding and Policy Issues US European Agricultural Trade Food and Biotechnology Issues Food and Drug Administration Selected Funding and Policy Issues Food and Drug Administration Modernisation Act of 1997 The Provisions Index **Doctors, Disease, and Dying in the Pikes Peak Region** Tim Blevins, 2012 Readers will learn about some of the formidable health challenges of our region challenges often overcome by advancements in medical science about the early development of health care as a thriving industry and about the scientists doctors nurses and other concerned professionals who have led the cause for a better quality of life in the Pikes Peak area Among the causes of death discussed in the book readers will learn about combat disease injury murder and many other forms of demise Doctors Disease and Dying in the Pikes Peak Region includes tales of the pioneers traders and military personnel who were both the purveyors and the recipients of needed care There are chapters about the women and men who practiced medicine in this region discussions about internationally significant developments for the treatment of tuberculosis and cancer the impacts of epidemics on the community mental health issues and poverty
