University at Albany 2012 Michelle Davis, 2011-03-15 *Crossing the Yard* Richard Shelton, 2016-10-01 Ever since he was asked to critique the poetry of a convicted murderer he has lived in two worlds Richard Shelton was a young English professor in 1970 when a convict named Charles Schmid a serial killer dubbed the Pied Piper of Tucson in national magazines shared his brooding verse But for Shelton the novelty of meeting a death row monster became a thirty year commitment to helping prisoners express themselves Shelton began organizing creative writing workshops behind bars and in this gritty memoir he offers up a chronicle of reaching out to forgotten men and women and of creativity blossoming in a repressive environment He tells of published students such as Paul Ashley Greg Forker Ken Lamberton and Jimmy Santiago Baca who have made names for themselves through their writing instead of their crimes Shelton also recounts the bittersweet triumph of seeing work published by men who later met with agonizing deaths and the despair of seeing the

creative strides of inmates broken by politically motivated transfers to private prisons And his memoir bristles with hard edged experiences ranging from inside knowledge of prison breaks to a workshop conducted while a riot raged outside a barricaded door Reflecting on his decision to tutor Schmid Shelton sees that the choice has led me through bloody tragedies and terrible disappointments to a better understanding of what it means to be human Crossing the Yard is a rare story of professional fulfillment and a testament to the transformative power of writing *How Not to Make a Movie* William Robert Carey,2021-01-25 Part memoir part primer part cautionary tale this book takes the reader along on a filmmaker s 12 year journey through Hollywood Hell culminating in the movie Angels In Stardust 2016 starring Alicia Silverstone AJ Michalka and Billy Burke Describing meetings with producers agents managers hustlers wannabes and famous celebrities and how he overcame the host of problems encountered while trying to produce a movie William Robert Carey s humorous and confessional narrative illustrates why it takes a minor miracle a cabinet of liquor and plenty of Pepto Bismol to complete a film Copies of his option agreement script sales contract and director s contract crafted by LA entertainment attorneys are included as a valuable guide for aspiring filmmakers *The Dumb Waiter* David Athey,2007-02-20 The Dumb Waiter tells the story of two orphans Tom Broom is raised by his grandfather an aficionado of fine desserts and a long standing member of The Pudding Club Stella Brighton lives under the guardianship of a failing grandmother preceding that of a chaotic aunt with an appetite for decorating and occasional prostitution Both orphans seek to escape an unwanted childhood Tom through an imaginary lover whilst Stella grows up in an invented world of letter writing Patched up and raised to the brink of adulthood their paths cross in the university city of York Tom takes the cellar rooms of an old house discovering a boarded up dumb waiter connecting him to fellow tenant Klaus a womanizing student of art whilst Stella shares a flat with Martha an American shoe heiress The two are drawn into a circle of acquaintances and become friends When the circle disintegrates Tom decides to travel to London in search of his mother only to find more of a family than he bargained for The Hood-Winked Forest Flewellen,2006-11 Strange how change brings no change Explosive satirical novel indicting the System and 40s and 50s number kings the folks who bankrolled Black businesses then turned them into legal state lotteries *Wise And Funny Sayings Of The Elders* Paula Wyatt Blair,2010-09-01 Paula is retired from the Federal Government She has served in the military as an officer and most recently worked for several governmental contract companies for over five years Paula continues to keep busy as an accomplished impressionistic artist who has shown her paintings at The Lynchburg Fine Arts Center Lynchburg Virginia as well as in Fairfax Virginia and other locations She is a past officer and member of Toastmasters Gladiators Club and enjoys public speaking She is a trained landscaper and avid gardener when she is not writing She loves horses and riding as well as dogs She earned both a Bachelor of Arts in United States History and a Master of Arts degree in Counseling from Hampton University Hampton Virginia Years after completing studies at Hampton she established the SARAH WILLIAMS BLAIR SCHOLARSHIP FUND in memory of her late mother to assist future teachers in the Department of

The Human Relationship with Information Mark Lenker,2025-06-30 The Human Relationship with Information uses a philosophical lens to explore questions about the fundamental place of information in a fulfilling human life Drawing on the author s experience as an instruction librarian and from research by others working in the humanities psychology and information science this book suggests new directions for information ethics and information literacy Questioning what makes an encounter with information meaningful for the people librarians and educators serve Lenker also considers what our uncertain life expectancies and limited attention spans mean for the ways we prioritize our time with information Considering what the characteristics of an excellent mind are this book explores how our information consumption habits nurture or hinder the development of those qualities Inviting readers to think about how information consumes a precious and finite resource our attention this book ultimately explores how best to have a rich satisfying life with information The Human Relationship with Information will inspire librarians and other educators to take a second look at their work and think more deeply and sincerely about how information shapes the lives of the people they serve It will be essential reading for anyone thinking about the ways that information and libraries enrich and sometimes complicate people s quality of life

Images of a Murder: A Cold Case Murder Mystery Based on a True Story John W. Hanson,2009-06-01 The year is 1955 and the small peaceful coastal community of Carmel by the Sea would be shocked by the vicious murder and

mutilation of one of its citizens former silent screen actress Carla Miles Local law enforcement would work vigorously to solve the crime that had all the indications the killer was a psychopathic sexual sadist During the investigation several good suspects were questioned but the police could never link them to the crime The case would eventually die as a famous unsolved murder Thirty five years would pass before an eyewitness to the murder would come forward to contact Detective Colt Hannon This would start a cold case murder investigation that would impact the detective s career for the rest of his life The Carla Miles murder case is based on a true homicide investigation that took over thirty five years before its final conclusion *MotorBoating* ,1961-10 **United States Army Aviation Digest** ,1970
