Snow White And Beauty And The Beast:

Snow White and the Seven Dwarfs Disney,2009-03-01 **The Idea of Nature in Disney Animation** David S. Whitley,2008 David Whitley s compelling study complicates our understanding of the classic Disney canon by focusing on the way images of the natural world are mediated within popular art for children He examines a range of Disney s feature animations from Snow White to Finding Nemo to show that even as the films communicate the central ideologies of their times they also express the ambiguities and tensions that underlie these dominant values **The Ivory Tower and Harry Potter** Lana A. Whited,2004 Now available in paper The Ivory Tower and Harry Potter is the first book length analysis of J K Rowling s work from a broad range of perspectives within literature folklore psychology sociology and popular culture A significant portion of the book explores the Harry Potter series literary ancestors including magic and fantasy works by Ursula K LeGuin Monica Furlong Jill Murphy and others as well as previous works about the British boarding school experience Other chapters explore the moral and ethical dimensions of Harry s world including objections to the series raised within some religious circles In her new epilogue Lana A Whited brings this volume up to date by covering Rowling s latest book Harry Potter and the Order of the Phoenix **Lies about Black People** Omekongo Dibinga,2023-07-15 From the Black Lives Matter movement to the health and economic disparities exacerbated during the COVID 19 pandemic Americans have been forced to reckon with our country s fraught history and present of racial bias and inequality Now that we have scratched the surface on courageous conversations about race many are wondering what is the next step towards healing and justice Lies About Black People How to Combat Racist Stereotypes and Why it Matters is designed for anyone who wants to examine their own biases and behaviors with a deeper critical lens in order to take action make change and engage positively in the fight for racial equality In this honest and welcoming book diversity and inclusion expert professor and award winning speaker Dr Omekongo Dibinga argues that we must embark on a massive undertaking to re educate ourselves on the stereotypes that have proven harmful and too often deadly to the Black community Through personal anecdotes nuanced historical inquiry and engaging analysis of modern day events and their historical context and implications this invaluable guide will break down some of the most powerful lies told about Black people Whether those lies are pernicious like the idea that most black people are criminals or seemingly innocuous like the notion that black people can t swim all of the lies and stereotypes combatted in this book are rooted in hate and continue to undermine not only Black people in America but our society as a whole Beyond combatting these harmful lies Dr Dibinga also provides readers with powerful insights on our racial vocabulary reflective hands on exercises that will allow readers to confront and change their own biases and an honest discussion about how to move beyond misplaced shame and use privilege to serve others Featuring personal surveys alongside real life interviews with those who have been affected by racial biases first hand this open and thoughtful guide will lead readers on a path to understanding action and change *Beauty and the Beast* Rossana Rosa Di
