[from old catalog], 1911 **Colorado Tourist and Illustrated Guide Via the "Golden Belt Route,"** Kansas Pacific Railway Company, Stephen F. Smart, 1879 *Pledging Allegiance* Leif Bilen, 2015-05-22 As I traveled to my mother's funeral back in Sweden in 1999 I realized that my role had changed drastically I was now the older generation and the guardian of my parents' legacy The fact that I am an only child makes this responsibility even more poignant I reflected on these things as I met friends and relatives at the funeral some of whom I had not seen for more than 25 years Most of them lived only a short distance from where they were born I on the other hand had left my home port and tied up for longer or shorter periods in several places on another continent My relatives find much of their sense of belonging in their surroundings and familiar places Having lived in eight different homes in four states in America and two countries since my wife and I were married my sense of belonging is somewhat less geographically based I will describe some of the formative events and adventures that have brought me to retired life in Colorado and near the foothills of the Rocky Mountains There have been many changes and surprising turns on this journey of life But some things have not changed my beliefs and values based on my Christian worldview **Gold Mine Massacre** William W. Johnstone, J.A. Johnstone, 2021-04-27 Johnstone Country Family First For generations the Jensens have struggled to build their home their land and their dreams But now the family is forced to fight fire with fire bullet by bullet blood for blood GOLD MINE MASSACRE For Smoke and his daughter Denny life on the Sugarloaf Ranch is more valuable than all the gold in the world Which works out fine since all the gold mines in Big Rock were squeezed dry years ago Even so that won't stop a pair of businessmen from the East from trying to squeeze out a little more One of them has developed a newfangled method for extracting gold something called hydraulics and they've bought up all the old mines to do it The other is the son of legendary gunfighter Frank Morgan and Denny thinks he's awfully handsome Smoke isn't sure what to think of these would-be gold diggers Especially when the handsome one

triggers a rivalry with Denny's off and on beau a deputy U S marshal And then they hires a small army of gunfighters to protect their mines from sabotage The Jensons can smell trouble brewing from a mile away And when it involves gold guns and love it's more than just trouble It's a massacre waiting to happen Live Free Read Hard **Congressional Record** United States.
