The Half Brother Holly LeCraw, 2015-02-17 A passionate provocative story of complex family bonds and the search for identity set within the ivy covered walls of a New England boarding school When Charlie Garrett arrives as a young teacher at the shabby yet genteel Abbott School he finds a world steeped in privilege and tradition Fresh out of college and barely older than the students he teaches Charlie longs to leave his complicated southern childhood behind and find his place in the rarefied world of Abbottsford Before long he is drawn to May Bankhead the daughter of the legendary school chaplain but when he discovers he cannot be with her he forces himself to break her heart and she leaves Abbott he believes forever He hunkers down in his house in the foothills of Massachusetts thinking his sacrifice has contained the damage and controlled their fates But nearly a

decade later his peace is shattered when his golden boy half brother Nick comes to Abbott to teach and May returns as a teacher as well. Students and teachers alike are drawn by Nick's magnetism and even May falls under his spell. When Charlie pushes his brother and his first love together with what he believes are the best of intentions a love triangle ensues that is haunted by desire, regret, and a long buried mystery. With wisdom and emotional generosity LeCraw takes us through a year that transforms both the teachers and students of Abbott forever. Page turning, lyrical, and ambitious *The Half Brother* is a powerful examination of family loyalty and love.

The Half Has Not Been Told Patricia Betts Tyus, 2011-12-29. Often there are many things that go untold about raising a special needs child. Feelings are not expressed or explained. Stories are kept to a silent hush. The family members live day in and out with stories that never makes the news, never makes the newspapers, or a topic of general conversation. The stories as many as there are have not been told. Some of the stories are of embarrassment, some of laughter, some of tears, and some of struggles. Many of them are of joys, strengths, and victories. Many of them should be told. In *The Half Has Not Been Told* Memoirs of my Destiny Patricia Betts Tyus captures stories of things that have occurred over the years in the life of her daughter Destini, diagnosed as special needs at the age of two years old. She shares the emotions that a mother experiences when she finds out that the child she sees as perfect is being labeled with titles that would alter the perception of anyone that hears them. The author shares stories of the hard and continuous work that goes into overcoming challenges and all the joy of reward that is on the other side of getting through the challenge. The author shares emotional and enlightening moments to help redefine the stereotypical thoughts that people have of special needs children. She challenges those who work with special needs individuals to think outside of the box to design ways of doing things so that special needs individuals can have great success stories. The author shares the half of the stories that have never been told.
