The Harmonists A Folk Cultural Approach:

The Harmonists: a Folk-cultural Approach Hilda Adam Kring, 1973 **Publications of the American Folklife Center**, 1977 **The Practice of Folklore** Simon J. Bronner, 2019-08-01 Winner of the 2020 Chicago Folklore Prize CHOICE Outstanding Academic Title for 2020 Despite predictions that commercial mass culture would displace customs of the past traditions firmly abound often characterized as folklore In *The Practice of Folklore* Essays toward a Theory of Tradition author Simon J Bronner works with theories of cultural practice to explain the social and psychological need for tradition in everyday life Bronner proposes a distinctive praxic perspective that will answer the pressing philosophical as well as psychological question of why people enjoy repeating themselves The significance of the keyword practice he asserts is the embodiment of a tension between repetition and variation in human behavior Thinking with practice particularly in a digital world forces redefinitions of folklore and a reorientation toward interpreting everyday life More than performance or enactment in social theory practice connects localized culture with the vernacular idea that this is the way we do things around here Practice refers to the way those things are analyzed as part of rather than apart from theory thus inviting the study of studying The way we do things invokes the social basis of doing in practice as cultural and instrumental Building on previous studies of tradition in relation to creativity Bronner presents an overview of practice theory and the ways it might be used in folklore and folklife studies Demonstrating the application of this theory in folkloristic studies Bronner offers four provocative case studies of psychocultural meanings that arise from traditional frames of action and address issues of our times referring to the boogiemans connecting wild child beliefs to school shootings deciphering the offensive chants of sports fans and explicating male bravado in bawdy singing Turning his analysis to the analysts of tradition Bronner uses practice theory to evaluate the agenda of folklorists in shaping perceptions of tradition centered folk societies such as the Amish He further unpacks the culturally based rationale of public folklore programming He interprets the evolving idea of folk museums in a digital world and assesses how the folklorists terms and actions affect how people think about tradition

Ethnic Folklife Dissertations from the United States and Canada, 1960-1980 Catherine Hiebert Kerst, 1986

Communal Utopias and the American Experience Religious Communities, 1732-2000 Robert P.

Sutton, 2003-09-30 American communalism is not a disjointed erratic almost ephemeral part of our past but an on going essential part of American history This important study begins with an examination of America s first religious utopia at Ephrata near Lancaster Pennsylvania in 1732 and traces successive utopian experiments in the United States through the following centuries The author demonstrates that the utopian communal story is an integral facet of the Puritan concept of America as a city upon a hill and a beacon light for the world where the perfect society could be built and where it could flourish After discussing the Ephrata Cloister 1724 1812 the author turns to the dozen or so Shaker communities that spread utopian communalism from New England to the Ohio Valley frontier in the antebellum years Next he examines the various

Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Pint Loma and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day s Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana *A General Introduction to Hymnody and Congregational Song* Samuel J. Rogal,1991 Emphasizes the English hymn as a literary entity within denominational and historical contexts The author sets forth a number of definitions for hymnody and congregational song and then examines the development of the various forms in England and the United States With a listing of works for further reading an index to all hymns discussed and chronology valuable both for the historical information it provides and for its appreciative evaluation of the religious treasures enshrined in English language hymns ADRIS NEWSLETTER **America's Communal Utopias** Donald E. Pitzer,2010-01-20 From the Shakers to the Branch Davidians America s communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssonists Theosophists Cyrus Teed s Koreshans and Father Divine s Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot Utopias in American History Jyotsna Sreenivasan,2008-10-24 An insightful look at the long tradition of communal societies in the United States from colonial times to the present examining their ideological foundations daily life and relationships to mainstream American society With this volume a fascinating yet often overlooked part of the American story is brought to the forefront In *Utopias in American History* independent scholar Jyotsna Sreenivasan makes the case that from the founding of the American colonies to the hippie communes of the 1960s to the cohousing movement which started in the 1990s the United States has the most sustained tradition of utopianism of any modern country Accessible yet authoritative and highly informative *Utopias in American History* offers dozens of alphabetically organized entries covering all aspects of communal societies from colonial times to the present Featured are descriptions of over 40 major utopian communities both religious and secular

Entries are organized in terms of their histories belief systems leadership economics daily life and the reactions they drew from mainstream society Horace Bushnell and the Virtuous Republic Howard A. Barnes,1991 Presents all major aspects of the life and thought of Horace Bushnell 1802 1876 within the context of 19th century America The Palgrave Companion to North American Utopias J. Friesen,2016-02-25 The Palgrave Companion to North American Utopias is a fascinating virtual catalogue of utopian societies and communes from past to present The authors assert that the formation of a utopian society is both possible and feasible and give examples of how to create one of our own **Encyclopedia of Community** DAVID LEVINSON,KAREN CHRISTENSEN,2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of *Habits of the Heart* SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the

Encyclopedia can also be viewed topically via a Reader's Guide. This allows for interdisciplinary compare and contrast among topics such as types of communities, social capital, technology, urban life, politics, and law, community design, and global studies. Edited by the award-winning team at Berkshire Reference and assisted by an editorial board of world-renowned scholars, the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection.

Key Features: 500 signed articles, 3 volumes, 2000 pages, Reader's Guide, Master bibliography, 250 sidebars, Appendices, Resource Guides, Master Bibliography, Libraries Build Community, Libraries and Popular Culture.

Faith in Markets Joseph P.

Slaughter, 2023-11-14 In the first half of the nineteenth century, the United States saw both a series of Protestant religious revivals and the dramatic expansion of the marketplace. Although today conservative Protestantism is associated with *laissez-faire* capitalism, many of the nineteenth-century believers who experienced these transformations offered different competing visions of the link between commerce and Christianity. Joseph P. Slaughter offers a new account of the interplay between religion and capitalism in American history by telling the stories of the Protestant entrepreneurs who established businesses to serve as agents of cultural and economic reform. *Faith in Markets* examines three Christian business enterprises and the visions of a Christian marketplace they represented. Shaped by Pietist, Calvinist, and Arminian theologies, each offered different answers to the question of what a moral Christian market should look like. George Rapp Associates operated sophisticated textile factories as the business side of the model community, the Harmony Society, which practiced communal living in pursuit of a harmonious workforce. The Pioneer Stage Coach Line provided transportation services only six days a week to keep Sunday sacred, attempting to reform society by outcompeting less pious businesses. The publisher Harper Brothers sought to elevate American culture through commerce by producing virtuous products like lavishly illustrated Bibles. Drawing on a wide range of sources, *Faith in Markets* explores how the founders and owners of these enterprises infused their faith into their businesses and in turn how distinctly religious businesses shaped American capitalism and society.

Routledge Library Editions: Sociology of Religion Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion. An invaluable reference resource, it contains classic books on a wide range of topics including religion and violence, religion and family life, religion and society, culture, and class.

Pennsylvania Folklife, 1993

The Peoples of Pennsylvania David E. Washburn, 1981

Historical Dictionary of Radical Christianity William H. Brackney, 2012-05-03 There are several eras in the history of Christianity; radical forms of the tradition are obvious in the early church of the first five centuries, the medieval era, the age of reform, the early modern era, and the contemporary era. Radical Christian activity and experience may reflect either a primary or a derived level of spirituality. New converts may join a sect or movement with radical characteristics, or they may become dissatisfied with their initial Christian experiences and desire a different or deeper Christian spirituality, usually closely parallel to that seen in the New Testament. *The Historical Dictionary of Radical Christianity* covers the history of this movement and includes an introductory essay and a bibliography. The

dictionary section has over 400 cross referenced entries The dictionary entries selected reflect the leading groups movements and sects from each major era of Christian history Especially in the contemporary period the great proliferation of radical thinkers and groups has necessitated a selection process with those selected exhibiting sustained group activity possessing an identifiable following and demonstrating a significant cultural impact This book is an excellent access point for students researchers and anyone wanting to know more about Radical Christianity *Perfectionist Persuasion* Charles Edwin Jones,1974 New in Paperback a model for the kind of study that other denominations now deserve and need THE CHRISTIAN CENTURY a sympathetic but balanced treatment Important for social history collections and essential for those emphasizing the sociology of religion or American religious history CHOICE a selective yet sensitive authentic account of the movement No available work competes in its description of the varied phenomena of the holiness movement LEON O HYNSON CHRISTIAN SCHOLAR S REVIEW Cloth edition previously published in 1974 **The Journal of American Folklore** ,1988 **Landscape Archaeology** Rebecca Yamin,Karen Bescherer Metheny,1996 As the editors note This volume includes many searching looks at the landscape not just to understand ourselves but to understand the context for other peoples lives in other times to unravel the landscapes they created and explain the meanings embedded in them

Fear, Anomaly, and Uncertainty in the Gospel of Mark Douglas W. Geyer,2002 Douglas Geyer s illuminating analysis of Mark 4 35 6 56 explains why the Gospel ends as it does in the earliest manuscripts abruptly at 16 8 with the words for they were afraid This ending with women fleeing the empty tomb in trembling and astonishment has long been considered problematic and in the several attempts to rewrite it Mark 16 has become a source of unending mischief Geyer s work draws on a vast literature of fear anomaly terror and dread in the ancient world to demonstrate that this ending is a consistent overriding theme of Mark s Gospel In Mark we see and hear the story of Jesus through the eyes and ears of the Roman world Geyer brings to bear the literature of that world in a way that helps his readers to understand what Mark is doing and how the story that Mark tells continues to touch his readers and hearers ancient and modern and postmodern Geyer guides the reader through a vast and uncharted primary literature demonstrating its relevance for New Testament study In so doing he clearly proposes a fresh and original understanding of Mark that cuts across many of the critical controversies and renews its purpose and usefulness as good news Gospel for the terrors and uncertainties of our own time

The Harmonists A Folk Cultural Approach Introduction

In today's digital age, the availability of The Harmonists A Folk Cultural Approach books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Harmonists A Folk Cultural Approach books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Harmonists A Folk Cultural Approach books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Harmonists A Folk Cultural Approach versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Harmonists A Folk Cultural Approach books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Harmonists A Folk Cultural Approach books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Harmonists A Folk Cultural Approach books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion,

The Harmonists A Folk Cultural Approach books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Harmonists A Folk Cultural Approach books and manuals for download and embark on your journey of knowledge?

FAQs About The Harmonists A Folk Cultural Approach Books

1. Where can I buy The Harmonists A Folk Cultural Approach books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
