## **The Heart Of Missionary Theology:**

**The Heart of Missionary Theology** George Christian Weiss,1977-01-01      *Global Dictionary of Theology* William A. Dyrness,Veli-Matti Kärkkäinen,2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry Here is a new launching point for doing theology in today's global context

**Mission Theology: 1948-1975 Years of Worldwide Creative Tension** Rodger Bassham,2002-08-19 This volume seeks to be both fair and comprehensive Its critical insights do not prevent the endorsement of an ecumenical latitude consistent with our biblical faith It was written for those who are determined to listen and learn from all whom God has manifestly received and called to holistic mission in today's world Arthur Glasser Professor Fuller Theological Seminary Bassham's comprehensive study of developments in mission theology between 1948 and 1975 is the most thorough and reliable work available on the subject The book is invaluable for an understanding of the crucial issues in world mission during this turbulent period Gerald Anderson Director Overseas Ministries Study Center Bassham has written what ought to become the standard textbook for those seeking to acquire a comprehensive long range perspective on developments in missiology in recent decades Delightfully clear and simple without being simplistic the book shows the remarkable convergence of the main streams of missiological thinking Al Krass Editor **The Other Side      The Shape of Practical Theology** Ray S. Anderson,2025-08-14 Too often in the life of the church theological reflection and the practical matters of leading and serving have been considered independently The result has been the impoverishment of both Christian faith and Christian practice In this groundbreaking book Ray Anderson reflects theologically and practically on preaching worship ethics social justice therapy family homosexuality burnout in ministry reconciliation in relationships and theological education itself The result is *The Shape of Practical Theology* a new and renewing foundation for engaging in Christian ministry Anderson lays

out his threefold goal as follows to define more clearly the shape of practical theology as truly a theological enterprise rather than mere mastery of skills and methods to demonstrate the praxis of practical theology as critical engagement with the interface between the word of God as revealed through Scripture and the work of God taking place in and through the church in the world to deal with practical pastoral theology from the perspective of those who are on the field of play of life and ministry where preaching counseling and teaching does affect for many persons the outcome of the game Illuminated by stimulating discussion and helpful case studies *The Shape of Practical Theology* is aimed at seminary students at Christian educators and at working pastors and counselors Anderson's work fascinating and fruitful brings together the Word of God with the Spirit of God in the ever changing context of real life ministry

**Presence and Prophecy**, 2002 How does theological education equip people to face the challenges of mission and ministry in a changing world How does Christian presence in society make a difference and how can the Churches speak prophetically of God's purposes today This book suggests how theological education can provide essential opportunities to find encouraging and helpful answers to these questions It explores the kind of world we live in and asks what kind of teaching and learning experiences help Christians to become people with hearts for mission It takes a fresh look at elements of the theological curriculum and suggests a new vision and hope for all the Churches It is also accompanied by a study guide

**Russian Baptist Mission Theology in Historical and Contemporary Perspective** Andrey Kravtsev, 2019-10-31 Since the disintegration of the USSR many Russian Baptists have actively engaged in evangelism church planting and acts of social service This book is a response to the need to critically evaluate the effectiveness of past mission efforts and their undergirding theology In this detailed study Dr Andrey Kravtsev combines historical and qualitative studies to outline the understanding of mission developed by Russian Baptists during the Soviet era when they were almost completely isolated from global missiological developments First Kravtsev identifies four key missiological concepts and uses them to analyze the history of mission theology in global evangelical mission movements and the Russian Baptists He then interviewed thirty leaders from the Russian Union of Evangelical Christian Baptists to find their view of these concepts and their convictions of the need to reconsider traditional missiological views From his findings Dr Kravtsev suggests five themes for facilitating the transition of Russian Baptist mission theology from the late Soviet model of eschatological escapism to a holistic missional evangelicalism This book places evangelical mission in contemporary Russian socio political and ideological contexts and provides an important contribution for leading churches to a renewed missionary encounter with culture

Mission the "labour room" of theology Johannes Knoetze, 2022-11-09 Johannes Knoetze Associate Professor in Practical Theology and Missional Studies at the Faculty of Theology of the University of Pretoria served as the editor of this extremely important and relevant publication *Mission the labour room of theology* The book comprises of 21 chapters by various esteemed scholars in Missiology or Missional Studies The contributors engage critically with mission history and mission understandings from different contexts in Southern Africa

The book is divided in three sections The first gives a historical denominational and current overview of mission in Africa A second section focuses on current theological understandings of the origin of mission the changing contexts of mission as well as importance of mission studies in the theological curriculum in Africa especially in the 21st century Africa A third section looks at the how of mission different modes or figure of mission under the title Mission as or mission in the context of It is an attractive publication with a wealth of information and a wide collection of reflections on the transmittance and reception of faith in Southern African contexts The chapters are written in a clear concise and understandable style This book will appeal to a wide audience ranging from undergraduate students ministers mission practitioners lecturers teaching practical theology missiology missional studies and scholars engaging in academic research The Oxford Handbook of Mission Studies Kirsteen Kim, Knud Jørgensen, Alison Fitchett-Climenhaga, 2022 Includes over 10 cutting edge articles on Christian mission by scholars from all continents covering the agendas agents methods social effects and self understanding of Christian mission Offers an interdisciplinary approach including theology history and social sciences Includes sections on the theory theology practice and history of mission and mission in relationship to cultures religious and societies Book jacket

*Evangelical Review of Theology, Volume 45, Number 2, May 2021* Thomas Schirrmacher, 2021-04-26 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians educators church leaders missionaries administrators and students The journal is published as a ministry rather than as a commercial project seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in co ordination with the World Evangelical Alliance s broader mission and activities **Contemporary Mission Theology** Gallagher, Rogert L., Hertig, Paul, 2017-02-16 A resource for the classroom that specifically addresses the missiological issues of the twenty first century this collection in honor of Charles E Van Engen features contributions from practically all the leading lights of the missiology world Scholars including Stephen Bevans Roger Schroeder van Thanh Nguyen Mary Motte Gerald Anderson Scott Sunquist and many others offer their insights and reflections focusing on the impact of cultural and demographic changes on the nature and purpose of Christian mission Publisher **Pauline Theology and Mission Practice** Dean S. Gilliland, 1996-08-01 Not since Roland Allen s book in 1912 has there appeared such a thorough study of the Apostle Paul s mission theology and methodology The value of this comprehensive survey writes Harry R Boer in the foreword lies in part in its grounding in careful expository studies of Paul s ministry as revealed in Acts and in the corpus of the Pauline epistles Again and again the author illustrates the abiding relevance of Paul s first century insights for missionary thought and practice in the twentieth century He draws not only on Scripture but also on personal insights and illustrations arising from two decades of missionary service And he enters into significant dialogue with representative missionary literature of the modern period The book s five parts cover theology the

sources and nature of Paul's theology and his theological assumptions for mission conversion Paul's conversion in Acts conversion as reality experience and process and conversion and the real world the convert's new life what its spiritual basis is and how to live it the church its oneness diversity and contextuality its leadership worship discipline and finance and the missionary his or her credentials and ministry Paul's theology was irresistible because it was energized by a fresh life changing experience and supported by a new love for all people writes the author in the introduction He then elaborates on four characteristics of that theology it is dynamic evangelical pastoral and holistic The absolute commitment of mind and body soul and spirit that was Paul's his love for the Lord Jesus and lost people everywhere concludes the author in the epilogue must be the very heart of the church

Transforming Mission Theology Charles Van Engen, 2017-10-01 Missiology Permeated with Theological Reflection This volume is the culmination of Van Engen's teachings but takes us to an even deeper level Since mission is first and foremost God's mission theological reflection must be permeated by missiological understanding and our missiology must be permeated with theological reflection Mission theology is an activity of the Church of Jesus Christ seeking to understand more deeply why how when where and wherefore the followers of Jesus may participate in God's mission in God's world

Heart for the Gospel, Heart for the World Paul J. Visser, 2003-10-28 In this study one finds the missiological inheritance of the first Reformed missiologist Johan Herman Bavinck in an organized and systematic form The following topics are discussed theology of religion biblical theology of missions elenctics mission apologetics and practical subjects such as inculturation ecumenism and the race issue The context in which Bavinck developed his vision is discussed in an explicit way Special attention is given to the influence of Hendrik Kramer on Bavinck's development as well as the psychological dimension in his theologizing The author evaluates the relevancy of Bavinck's missiology for the development of a Reformed missiology The above is made complete by an extensive biographical sketch shedding light on the background and way of life of this Johan Herman Bavinck

**Presence and Prophecy** Simon Barrow, 2002 Presence and Prophecy is an extensive resource for everyone involved in theological education to help rethink its challenges Students and teachers in theological colleges seminaries courses and schemes will find it useful but it is also relevant to those involved with Christian basics courses local church study groups and other informal educational events This Study Guide will help many different groups tackle the different issues raised in Presence and Prophecy It lays out some ways of engaging with the ideas in the book linking the themes and joining in an important conversation about how the Churches in mission can really make a difference in people's lives Whilst this Study Guide contains a summary of the material in the main book it will be difficult to use to full effect without a copy of the full report Presence and Prophecy

The Triune God and Mission Pieter Verster, 2022-07-18 The wonderful love of the Father Son and Holy Spirit makes mission possible A deep christological view of mission must be taken The offices of Christ namely his Kingly Priestly and Prophetic offices undergird mission Glorious salvation is then possible The Holy Spirit confesses that Christ is Lord The church becomes a

vehicle of the love of God through this confession The Father's acceptance of the prodigal son is a deep missiological act In the most challenging times of COVID 19 poverty and international conflict mission is radically necessary **Nourishing Mission** Graham Kings,2021-11-15 The theological treasures gathered here show the intriguing coherence of an unfolding vision Earthed in the ministry of a priest missionary academic theologian and well travelled bishop the five settings provide 16 chapters written over 34 years in Kenya Cambridge Islington Sherborne and Lambeth Art poetry and archives mingle with theology history and spirituality Memorable scenes include a Kenyan liturgy on the environment and Bishop Gitari's preaching the drama of worship on the streets of London a Deuteronomic prequel to the Prodigal Son flashes from the lives of Henry Martyn and Stephen Harding the birth of South Sudan and the historic dialogue of John Stott and Basil Meeking

The Congregation as Hermeneutic of the Gospel Shawn P. Behan,2024-10-31 Lesslie Newbigin's concept of the congregation as hermeneutic of the gospel has been used for over thirty years to discuss the overlap of mission and ecclesiology This book provides the contextual background to the congregation as hermeneutic of the gospel then discusses the important components of this concept and how they connect with Newbigin's lifetime of writings on the nature and identity of the church Within this discussion there are three key elements to Newbigin's ecclesiology as it pertains to the congregation as hermeneutic of the gospel the relationship between the Holy Spirit and the local congregation the kingdom of God and the local congregation and the local congregation within itself These three components can be found throughout Newbigin's discussions about the nature of the church ranging from the 1940s until the 1990s Pulling all these components together and showing how they shed light on Newbigin's intended meaning by calling the local congregation the hermeneutic of the gospel for their society provides a new interpretation of this concept that will both strengthen and challenge contemporary uses of this concept within the church today **Advanced Missiology** Kenneth Nehrbass,2021-04-02

Advanced Missiology draws the connections between the theory and practice of missions Using the metaphor of a river the book shows how theories upstream such as theology education anthropology community development and history have exerted an influence on missiology and missiology in turn has gone back upstream to influence those disciplines What causes these disciplines to converge in missiology is the goal of making disciples across cultures Whereas missiologists are not always explicit about how their abstract theories actually relate to the task of making disciples across cultures each chapter in Advanced Missiology shows how numerous theories sub fields models and strategies of missiology ultimately facilitate the Great Commission The book argues that by using interdisciplinarity for this fundamental purpose missiological studies will be more credible and useful With contributions from Rebecca Burnett Leanne Dzubinski Julie Martinez **The Task of Theology** Anselm Min ,2014-09-11 A rare opportunity to read and reflect upon the thought of some of the most prominent voices in contemporary theology in one volume this collection offers informative indicators of the state of theology today Together these provocative essays offer a resource for teachers and a chance to facilitate conversation among those working

in different areas of an increasingly fragmented discipline Publisher
