The Lausanne Conference 1949:

The Lausanne Conference, 1949 Neil Caplan, 1993 From the John Holmes Library collection *Israel and the Palestinian Refugee Issue* Jacob Tovy, 2014-03-05 Examining the development of Israel's policy toward the Palestinian refugee issue this book spans the period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel's policy were finalized *Israel and the Palestinian Refugee Issue* outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend These aspects include issues of repatriation resettlement compensation blocked bank accounts internal refugees and family reunification Drawing on extensive archival research this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister's advisor on Arab affairs to address the many diverse aspects of this topic and will be essential reading for academics and researchers with an interest in Israel the Middle East and political science more broadly

Palestinian Refugees after 1948 Marte Heian-Engdal, 2020-02-20 After more than seventy years the Palestinian refugee problem remains unsolved But if a deal could have been reached involving the repatriation of Palestinian refugees it was in the early years of the Arab Israeli conflict So why didn't this happen This book is the first comprehensive study of the international community's earliest efforts to solve the Palestinian refugee problem Based on a wide range of international primary sources from Israeli US UK and UN archives the book investigates the major proposals between 1948 and 1968 and explains why these failed It shows that the main actors involved the Arab states Israel the US and the UN agreed on very little when it came to the Palestinian refugees and therefore never got seriously engaged in finding a solution This new analysis highlights how the international community gradually moved from viewing the Palestinian refugee problem as a political issue to looking at it as a humanitarian one It examines the impact of this development and the changes that took place in this formative period of the Arab Israeli conflict as well as the limited influence US policy makers had over Israel

Futile Diplomacy Neil Caplan, 2013-10-23 These two volumes provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between the first and second Arab Israeli wars Exploiting a range of available archive sources as well as extensive secondary sources they provide an authoritative analysis of the positions and strategies which the principal parties and the would be mediators adopted in the elusive search for a stable peace The author examines the recurring deadlocks in terms of the motives and calculations of the various parties and reveals how new incentives or pressures offered by outsiders proved incapable of reversing the serious deterioration of Arab Israeli relations as the region headed for war at Suez The text of each volume comprises both analytical historical chapters and a selection of primary documents from archival sources

An Historical Encyclopedia of the Arab-Israeli Conflict Bernard Reich, 1996-03-11 A team of authorities with varying backgrounds interests disciplines and perspectives gives special attention to the period since the adoption of the Palestine partition plan in November 1947 the

first Arab Israeli War up to the Israel PLO Declaration of Principles and subsequent agreements as well as the Israel Jordan Peace Treaty and implementation process **The Making of the Arab-Israeli Conflict, 1947-51** Ilan Pappé, 1992 **A Political Study of the Arab-Jewish Conflict** Rony Gabbay, 1959 1974, תעודות לי-מדיניות הא-ח'טש של מדינת ישראל, 1981 *Proceedings of the Annual Meeting* American Society of International Law, 1995
The Changing International Community Charles Boasson, Max Nurock, 1974 No detailed description available for The Changing International Community **Etudes d'histoire économique, politique et sociale**, 1959 **Fifty Years of Israel** Donald Neff, 1998 **Conflict Quarterly**, 1994 *The Palestinian Refugees* Joseph Ginat, Edward Joseph Perkins, 2001 There has been little progress on the refugee problem because of official Palestinian public positions other Arab countries approach to the right of return of all Palestinian refugees and the contrasting Israeli public policy of not allowing any refugees to return to Israel Such polar opposite approaches can never resolve this difficult and longstanding humanitarian problem By working collectively the world's leading experts from Arab countries the Palestinian Authority Israel Europe and the United States have developed a chessboard of proposed solutions The volume in part reflects the polarization that exists on the issue and in part moves away from the political slogans of both sides toward concrete proposals for negotiating a comprehensive agreement *Scott's Standard Postage Stamp Catalogue*, 1973 **Index Islamicus**, 1994 **Zeta Magazine**, 1988 תעודות לי-מדיניות הא-ח'טש של מדינת ישראל.
