Heritage Covenants & Preservation Michael McMordie, Frits

Pannekoek, 2004 Urban planners government officials and preservation activists are increasingly at odds as every day more and more heritage buildings are threatened with destruction to make way for urban development and revitalization Stakeholders in these often emotionally and politically charged debates have arrived at what is potentially a solution that can satisfy all parties in the equation Heritage covenants are a complex legal instrument involving the sale or donation of a heritage interest to a not for profit organization or government agency In an unprecedented initiative the Calgary Civic Trust in the year 2000 brought together experts and leaders in heritage covenants from Canada Great Britain and the United States to discuss the future of this unique preservation instrument This book is a result of the proceedings and focuses specifically on this sophisticated aspect of heritage preservation *Sherman's Wife* Julia Camoys Stonor, 2012-09-13

Sherman's Wife is Julia Camoys Stonor's blackly humorous childhood memoir Her mother Jeanne came from an impecunious Catholic aristocratic family and careened her way through the bedrooms of Mayfair Madrid and Rhode Island Her father was Sherman the half American 6th Baron Camoys whom Jeanne effectively blackmailed into marriage Jeanne insisted that she and Sherman spend their honeymoon with one of her lovers Hitler's foreign minister Joachim von Ribbentrop Once installed at the Stonor Park estate Jeanne set about acquiring money and power through any means possible including but not limited to theft sexual blackmail and murder In this frank and unflinching portrait of English upper class life in the 1940s Julia Camoys Stonor manages to evoke Mommie Dearest and Brideshead Revisited in equal measure *South-Bucks and Thames-side Region* W. R. Davidge (William Robert), 1928 **Romans in the Hambleton Valley** Chiltern Archaeology, 2011 Complex Assemblages, Complex Social Structures Wendy A. Morrison, 2015-10-28 Late Iron Age and Early Roman Britain has often been homogenised by models that focus on the resistance assimilation dichotomy during the period of transition Complex Assemblages examines the rural settlements of this period through the lens of Cultural Theory in order to tease out the more nuanced and diverse human landscape that the material suggests This approach develops new ways of thinking about the variability observed in rural settlements from the end of the Middle Iron Age MIA to the early 2nd century AD the selected study area is the Upper and Middle Thames Valley This book uses the grid group designations of Mary Douglas Cultural Theory as a tool to produce a more multifaceted picture of the period exploring the assemblages of these rural settlements to understand the nature of the socio political structures of the region beyond the anonymity of tribal affiliation and the faceless economic dichotomy of high and low status Journal of the Royal Institute of British Architects, 1910 **The Wind At My Back** Paul Maunder, 2018-05-17 In this deeply personal and lyrical exploration of what it means to ride a bicycle Paul Maunder explores how our memories have a dialogue with landscape and how cycling and creativity are connected Taking a journey through the places that have shaped him we ride across wild moorland through suburbia and city streets into quintessentially English pastoral scenes We see too some of the darker parts of the British countryside sites of great secrecy that intrigue the imagination This is a book about how landscape can sustain us and how even an hour's escape

can inspire our creative sides The bicycle allows us to explore and dream and return in time for dinner **Chilterns at Work** Jill Eyers,2018-07-15 Chilterns at Work is a fascinating pictorial history of the working life of the Chilterns area in South East England in the last hundred and more years **On Chesil Beach** Ian McEwan,2009-02-24 1 INTERNATIONAL BESTSELLER NOW A MAJOR MOTION PICTURE The bestselling author of Saturday and Atonement brilliantly illuminates the collision of sexual longing deep seated fears and romantic fantasy in his unforgettable emotionally engaging novel The year is 1962 Florence the daughter of a successful businessman and an aloof Oxford academic is a talented violinist She dreams of a career on the concert stage and of the perfect life she will create with Edward the earnest young history student she met by chance and who unexpectedly wooed her and won her heart Edward grew up in the country on the outskirts of Oxford where his father the headmaster of the local school struggled to keep the household together and his mother brain damaged from an accident drifted in a world of her own Edward s native intelligence coupled with a longing to experience the excitement and intellectual fervour of the city had taken him to University College in London Falling in love with the accomplished shy and sensitive Florence and having his affections returned with equal intensity has utterly changed his life Their marriage they believe will bring them happiness the confidence and the freedom to fulfill their true destinies The glowing promise of the future however cannot totally mask their worries about the wedding night Edward who has had little experience with women frets about his sexual prowess Florence s anxieties run deeper she is overcome by conflicting emotions and a fear of the moment she will surrender herself From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives On Chesil Beach is an extraordinary novel that brilliantly movingly shows us how the entire course of a life can be changed by a gesture not made or a word not spoken The Oxford Handbook of Roman Britain Martin Millett,Louise Revell,Alison Moore,2016-09-01 This book provides a twenty first century perspective on Roman Britain combining current approaches with the wealth of archaeological material from the province This volume introduces the history of research into the province and the cultural changes at the beginning and end of the Roman period The majority of the chapters are thematic dealing with issues relating to the people of the province their identities and ways of life Further chapters consider the characteristics of the province they lived in such as the economy and settlement patterns This Handbook reflects the new approaches being developed in Roman archaeology and demonstrates why the study of Roman Britain has become one of the most dynamic areas of archaeology The book will be useful for academics and students interested in Roman Britain **British Birds** ,1914 **Walking in the Chilterns** Steve Davison,2021-09-06 A guidebook to 35 day walks in the Chiltern Hills Lying within reach of London the spectacular Chilterns AONB extends across Oxfordshire Buckinghamshire Hertfordshire and Bedfordshire and with routes in the guidebook covering the whole region there s something for beginner and experienced walkers alike The walks range in length from 6 19km 4 12 miles and take
