Littlefield, 2017-12-20 This is a book about why people volunteer and what motivates them to continue their commitment to serve the needs of others The designation in the title from the heart was chosen purposely because it identifies a place of origin Using stories from the heart creates understanding about how service transforms lives These stories create a greater appreciation for the role that service can have on an individual s sense of purpose Focusing on stories from the heart was the right choice for a book about Lions International because of the association s impact on the world for more than 100 years of humanitarian service Through the stories and comments included in this book comes a clearer understanding of what service to others has meant for those who have chosen to give of themselves to make life better for those in need      **The Heart's Pulse** Pasquale De Marco, In the tapestry of life the human heart pulsates with stories waiting to be unveiled Embark on a poignant journey through the annals of one s life delving into the recesses of the heart to uncover profound truths Witness the ebb and flow of emotions the triumphs and tribulations that shape a soul s existence Through the eyes of our protagonist we become privy to their innermost thoughts and feelings sharing their laughter and tears their fears and aspirations their moments of doubt and profound revelation Explore the intricate tapestry of human relationships the bonds that unite us the conflicts that divide us and the enduring power of love and forgiveness
