Conclusion to Michael Phillips s Shetland Islands Saga Loni Ford s unexpected inheritance of substantial real estate not to mention a title in the Shetland Islands has caused more than a stir in the quiet fishing hamlet of Whales Reef How is life ever to be the same with an outsider and a woman at that playing such a pivotal role in the life of this conservative community But it isn t just the locals who have deep misgivings about the current situation Loni herself never imagined this in her wildest dreams What Loni is more sure of however is that she is falling in love with Whales Reef with its hardy people with its simple peaceful way of life and with local chieftain David Tulloch whose inheritance she has usurped at least in the eyes of some But life in Whales Reef is not without drama Deep rifts exist between certain lifelong residents and when one local resident turns up dead suspicion is cast in the direction of the island s most prominent family How Loni and David deal with this challenge will go a long way in determining their future and that of the quaint island community The Evewitness Gospel Michael Phillips, 2017-10-28 The acclaimed Christian novelist and devotional author brings the Bible to life with this engaging
