Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

The Congregational Quarterly, 1927 Includes critical reviews *The Legacy of Israel* Edwyn Robert Bevan, 1927 The Legacy of Israel deals with the contribution that has come to the sum of human thought from Judaism and from the Jewish view of the world. It is not in any sense either a history of the Jewish people or an exposition of Judaism, and it is concerned with these topics only in so far as discussion of them may be necessary for the clear setting forth of the proper theme of the volume. It is a companion to the Legacy of Greece and The Legacy of Rome. Excerpted from Preface, page v by E. R. B. C. S.

Bruno Schulz and Galician Jewish Modernity Karen Underhill, 2024-06-25 In the 1930s through the prose of Bruno Schulz, 1892-1942, the Polish language became the linguistic raw material for a profound exploration of the modern Jewish experience. Rather than turning away from the language like many of his Galician Jewish colleagues who would choose to write in Yiddish, Schulz used the Polish language to explore his own and his generation's relationship to East European Jewish exegetical tradition and to deepen his reflection on *golus* or exile as a condition not only of the individual and of the Jewish community but of language itself and of matter. Drawing on new archival discoveries, this study explores Schulz's diasporic Jewish modernism as an example of the creative and also transient poetic forms that emerged on formerly Habsburg territory at the historical juncture between empire and nation-state. *Postmodern Love in the Contemporary Jewish Imagination* Efraim Sicher, 2022-03-17 Offering a radical critique of contemporary Israeli and diaspora fiction by major writers of the generation after Amos Oz and Philip Roth, this book asks searching questions about identity formation in Jewish spaces in the twenty-first century and posits global transnational identities instead of the bipolar Israel-diaspora model. The chapters put into conversation major authors such as Jonathan Safran Foer, Nicole Krauss, Michael Chabon, and Nathan Englander with their Israeli counterparts Zeruya Shalev, Eshkol Nevo, and Etgar Keret, and shows that they share common themes and concerns. Read through a postmodern lens, their preoccupation with failed marriage and failed ideals brings to the fore the crises of home, nation, historical destiny, and collective memory in contemporary secular Jewish culture.

At times provocative at others iconoclastic this innovative study must be read by anyone concerned with Jewish culture and identity today whether scholars students or the general reader The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
