This invaluable resource includes topics such as the clinician's own attitudes toward dieting and weight, cultural, ethical, and social justice issues, the neuroscience of mindfulness, weight stigma, and promoting wellness for children of all sizes. Drawing from the Health At Every Size paradigm and the wealth of research examining the relationship between dieting, weight, and health, *Beyond a Shadow of a Diet* offers both therapists and their clients a positive, evidence-based model to making peace with food, their bodies, and themselves.
