That Christians Overlook Daily

Sins Of The Heart

Thomas Brooks

Sins Of The Heart:

Clean of Heart Rosemarie Scott,2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins **Secret Sins of the Heart - Freedom from the Chains of Pornography**

David Allen Wagner,2001 **The Pure in Heart** Witness Lee,2001-07-01 God s salvation is truly wonderful God desires not only to save us from eternal perdition but also to grow in us transform us and eventually glorify us that we would be His glorious expression for eternity In order for us to fully enjoy His marvelous salvation we must pass through many spiritual experiences and practical dealings including purifying our heart confessing our sins being enlightened by God consecrating ourselves to God living by our conscience and learning to serve God by His power and not our own In The Pure in Heart Witness Lee presents many practical principles which open the way for believers to progress in their Christian experience From the first chapter to the last The Pure in Heart provides both spiritual insight and experiential illustrations to aid in our enjoyment of God s rich salvation for the accomplishment of His heart s desire *Complete Works* Thomas Brookes

very name of Catholic which not without reason amid so many heresies the Church has thus retained so that though all heretics wish to be called Catholics yet when a stranger asks where the Catholic Church meets no heretic will venture to point to his own chapel or house Such then in number and importance are the precious ties belonging to the Christian name which keep a believer in the Catholic Church as it is right they should With you where there is none of these things to attract or keep me No one shall move me from the faith which binds my mind with ties so many and so strong to the Christian religion For my part I should not believe the gospel except as moved by the authority of the Catholic Church Each prayer is only one click or touch away
