## **Sins For Father Knox:**

Sins for Father Knox Josef Škvorecký, 1988 The heroine of this book is a nightclub singer Eva Adam who sings all over the world As she travels crimes occur Each story violates one of the rules of the Detective Story Decalogue by Father Ronald Knox The reader must decide which rule has been broken and identify the murderer *Sins for Father Knox; by Josef Skvorecky; Translated by Kaca Polackova Henley* Josef Skvorecky, 1988 **Investigating Women** David Skene-Melvin, 1995-12-01 As well as the fifteen investigating women in the book Skene Melvin s introduction describes hundreds of female sleuths and their creators in an in depth analysis of women detective fiction by Canadians The Fiction of Josef Škvorecký Paul I Trensky, Michaela Harnick, 1991-09-09 **Czechs Won't Get Lost in the World, Let Alone in America** Miloslav Rechcigl Jr., 2018-05-02 This book features a panorama of the lives of selected personalities whose roots had origin in the Czech lands and who in the US reached extraordinary success and who with their activities substantially influenced the growth and development of their new homeland It is a saga of plain as well as powerful people whose influence and importance often exceeded the borders of the US A great portion of included individuals may be unknown to readers since it concerns persons whose Czech origin was usually not known The book covers the total period from the times of the discovery of New World to the end of the twentieth century During the selection little concern was given to nationalistic or ethnographic criteria the only prerequisite was that the respected individuals were either born on the territory of the Czech lands or were descendants of emigrants from the Czech lands The image on the front cover is a portrait of Augustine Herman Lord of Bohemia Manor the first documented Czech immigrant in the United States The portrait comes from his famous Map of Maryland and Virginia dated 1670 The colorful story of his life would be unbelievable if made into a movie Pioneer merchant explorer surveyor map maker patriot rebel diplomat and finally Lord Read more about him in the book The Truth of Uncertainty Edward L. Galligan, 1998 Galligan Professor Emeritus English Western Michigan U Kalamazoo argues that contemporary American critics should embrace literary truths with all of their uncertainties rather than cling to make believe certainties of ideologies He celebrates values commonly associated with modern not postmodern criticism applying them to contemporary works in a series of fresh and unusual inquiries He finds implications for criticism in work from the physical sciences and in the works of largely ignored novelists Annotation copyrighted by Book News Inc Portland OR *American Crime Fiction* Peter Swirski, 2016-07-15 Peter Swirski looks at American crime fiction as an artform that expresses and reflects the social and aesthetic values of its authors and readers As such he documents the manifold ways in which such authorship and readership are a matter of informed literary choice and not of cultural brainwashing or declining literary standards Asking in effect a series of questions about the nature of genre fiction as art successive chapters look at American crime writers whose careers throw light on the hazards and rewards of nobrow traffic between popular forms and highbrow aesthetics Dashiell Hammett John Grisham William Faulkner Ernest Hemingway
