**The United States and Cultural Heritage Protection in Japan (1945-1952)** Nassrine Azimi,2025-10-01 One of the untold stories of the American military occupation of Japan from 1945 to 1952 is that of efforts by the Arts and Monuments Division of the Supreme Commander for the Allied Powers SCAP for the preservation of Japan s cultural heritage While the role of Allies after WWII in salvaging the cultural heritage of Europe has recently become better known not much is written of the extraordinary vision planning and endeavors by curators and art specialists embedded in the US military and later based in Tokyo and their peers and political masters back in Washington D C all of whom ensured that defeated Japan s cultural heritage was protected in the chaos and misery of post war years

*The Nature and Origins of Japanese Imperialism* Donald Calman,2013-02-01 This important book which many will regard as controversial argues convincingly that the Japanese imperialism of the first half of the Twentieth Century was not a temporary aberration The author looks at the detail of the great crisis of 1873 and shows that the prospect of economic gain through overseas expansion was the central issue of that year s political struggles He goes on to show that Japan had a long earlier history of aiming for economic expansion overseas and that Japan s Twentieth Century imperialism grew out of this In addition he argues convincingly that much of the writing about Japan has played down the true extent and nature of Japanese imperialism

Packard, 2010-04-05 In 1961 President Kennedy named Edwin O Reischauer the U S Ambassador to Japan Already deeply intimate with the country Reischauer hoped to establish a more equal partnership with Japan which had long been maligned in the American imagination Reischauer pushed his fellow citizens to abandon caricature and stereotype and recognize Japan as a peace loving democracy Though his efforts were often condemned for being too soft the immensity of his influence and the truth of his arguments can be felt today Having worked as Reischauer s special assistant in Tokyo George R Packard writes the definitive and first biography of this rare charismatic talent Reischauer reset the balance between two powerful nations During World War II he analyzed intelligence and trained American codebreakers in Japanese He helped steer Japan toward democracy and then wrote its definitive English language history Reischauer s scholarship supplied the foundations for future East Asian disciplines and his prescient research foretold America s missteps with China and involvement in Vietnam At the time of his death in 1990 Reischauer warned the U S against adopting an attitude toward Asia that was too narrow and self centered India Pakistan and North Korea are now nuclear powers and Reischauer s political brilliance has become more necessary and trenchant than ever **Memoir of a Trustbuster** Eleanor M.

Murray, 2004-01-01 Historians have long claimed that a tradition of fear of Japan dominated Australian thinking about foreign affairs and defense after Japan s defeat of Russia in 1905 and that this fear remained widespread throughout the Australian population until the Pacific War This study of Australian reporting on Japan challenges that claim by exposing a culture of state censorship intimidation of the media and neglect of official public discussion of foreign affairs in the years 1931 1941 which resulted in newspapers radio and news reels projecting a collective national consciousness of Japan as a nation of little import despite very real fears in senior political ranks about Japanese designs on Australia Jacqui Murray s argument for the

Australian media's underestimation of Japan's threat is sustained by close examination of media practices publications and broadcasts which clearly show misleading representations of Japan before the Pacific War Watching the Sun Rise details not only government peace time media censorship but also war time propaganda flows from Australian British and Japanese sources into the Australian media and examples of cooperation and or espionage among media personnel
