Sir Winston Method The Language Of Leadership:

The Sir Winston Method James C. Humes,1993 Speaking As a Leader Judith Humphrey,2012-01-03 Make every communication count with a simple four step speaking model Whether it s among colleagues at lunch or an audience of a thousand a leader s role is to move and inspire others It s not only the big occasions that test a leader s mettle but the little ones as well in a casual conversation in the elevator in phone calls or one of many incidental seemingly insignificant interactions in everyday work life Written by one of the world s leading communications coaches Speaking as a Leader shows you how to make the most of your daily communications creating a presence on the job as a genuine and constant leader In this eye opening guide aspiring and established leaders can enhance their reputations and influence by following a few simple steps Speaking as a Leader Shows how to structure your thoughts and message in any situation using a four step model Offers tips on listening effectively in three dimensions Details why you are the best visual and how to avoid Death by PowerPoint Offers guidance on taking the numb out of numbers Includes tips on moving from subject to message With Speaking as a Leader you ll learn to tap into your innate leadership skills at every occasion whether small or large and earn the sort of respect that creates devoted friends and passionate supporters The Four Speeches Every Leader Has to Know Bård Norheim,Joar Haga,2019-05-21 This book provides a rhetorical manual for political and business leaders to motivate followers even in times of hardship It covers the fine art of persuasion and argues that there are four speeches every leader has to know the opening speech the executioner speech the consolation speech and the farewell speech The authors explore how leaders could speak in order to appear credible to an audience and they argue that the leader has to take on suffering and give meaning to the suffering people experience The book analyzes speeches from a wide variety of speakers including Sir Winston Churchill Barack Obama Nelson Mandela and Angela Merkel and ends with a rhetorical dictionary for leaders to help readers familiarize themselves with helpful terms from rhetorical theory Power in the Pulpit Jerry Vines,James L. Shaddix,1999-06-10 The call to preach is just that a call to preach The call to preach however is more than just preaching The call to preach is a call to prepare Too many pastors have refrained from preparation while they await the Holy Spirit to do all of the work God expects preachers to prepare sermons as much as possible and allow Him to prepare the preachers Join Dr Jerry Vines and Dr Jim Shaddix as they achieve a balanced approach to teaching sermon preparation in Power in the Pulpit This book combines the essential perspectives of a pastor of forty years with another pastor who also devotes daily time to training pastors in the context of theological education Thus Power in the Pulpit is a practical preaching help from a pastoral perspective in the tradition where expository preaching is a paramount and frequent event in the life of the local church Power in the Pulpit is the combined work of Dr Vines s two earlier publications on preaching A Practical Guide to Sermon Preparation Moody Press 1985 and A Guide to Effective Sermon Delivery Moody Press 1986 Dr Shaddix carefully organizes and supplements the material to offer this useful resource which closes the gap between classroom theory and

How to Preach the Prophets for All Their Worth Andrew G. M. Hamilton,2022-05-24 The Old Testament prophetic books play a key role in revealing God s plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God s people enjoy the scenery of this part of God s word
