*Anthropological Society of Bombay* Anthropological Society of Bombay, 1909      Foster's Complete Hoyle Robert Frederick Foster, 1909      Foster's Encyclopedia of Games Robert Frederick Foster, 1897      Group Therapy for High-Conflict Divorce Margreet Visser, Justine van Lawick, 2021-03-30

The No Kids in the Middle Kinderen uit de Knel intervention programme addresses high conflict divorce through a multi family approach This first English language edition contains descriptions of the therapeutic sessions references to a homework book van der Est et al for parents and their network along with extra information about the theoretical foundations of the programme The book starts with theoretical foundations and a summary of the scientific research behind the methodology before moving on to focus on the methodology of the intervention programme per session with detailed descriptions of each therapeutic session Through these session descriptions the authors demonstrate how the theory of the methodology can be put into practice within a group setting The methodology is also conveyed in such a way that the key pillars and themes are clear with a best practice framework clearly demonstrated Yet at the same time the authors leave room for customization depending on the actual clients and therapists and for this framework to be built upon further With this programme now practiced and studied throughout Europe Group Therapy for High Conflict Divorce and its methodology will act as a living framework to help continuously improve practice and research among professional therapists while also appealing to social workers and legal professionals

**Sexual Medicine in Clinical Practice** Klaus M. Beier, Kurt K. Loewit, 2012-11-05 Call it a remnant of our Victorian past but sexual concerns lag behind other aspects of health both in the training of physicians and therapists and in the way they impart this knowledge to clients But as sexuality gains recognition as crucial to one's quality of life evidence based methods of understanding and discussing sex are imperative and not only in treating pathology Sexual Medicine in Clinical Practice provides framework rationale and strategies for both approaching sexual problems and addressing patients questions about sexual health behavior and relationships Analyzing sexuality along three dimensions attachment reproduction and desire this concise manual offers a biopsychosocial lifespan model readily translatable into clinical work This syndyastic framework integrates attachment and relational theory to reinforce the bond between intimacy and connectedness and models nonjudgmental approaches to disorders of sexual function maturity preference and behavior The authors salutogenic rather than pathogenic focus lets clients become major players in their own healing and the therapist or doctor serve as expert and guide Among the topics covered The communicative function of sexuality The spectrum of sexual disorders Principles of diagnostics in sexual medicine Disease centered versus client centered aspects of sexual therapy Therapeutic approaches for sexual traumatization New challenges including preventing child sexual abuse and online sex crime Plus case studies interdisciplinary references and ethical issues A timely perspective and practice altering volume Sexual Medicine in Clinical Practice is essential reading for family and primary care physicians family and sex therapists health psychologists and psychiatrists
