

Small Town America

Ying Liu

Small Town America:

Small-Town America Robert Wuthnow, 2015-05-26 A revealing examination of small town life More than thirty million Americans live in small out of the way places Many of them could have joined the vast majority of Americans who live in cities and suburbs They could live closer to more lucrative careers and convenient shopping a wider range of educational opportunities and more robust health care But they have opted to live differently In *Small Town America* we meet factory workers shop owners retirees teachers clergy and mayors residents who show neighborliness in small ways but who also worry about everything from school closings and their children's futures to the ups and downs of the local economy Drawing on more than seven hundred in depth interviews in hundreds of towns across America and three decades of census data Robert Wuthnow shows the fragility of community in small towns He covers a host of topics including the symbols and rituals of small town life the roles of formal and informal leaders the social role of religious congregations the perception of moral and economic decline and the myriad ways residents in small towns make sense of their own lives Wuthnow also tackles difficult issues such as class and race abortion homosexuality and substance abuse *Small Town America* paints a rich panorama of individuals who reside in small communities finding that for many people living in a small town is an important part of self identity

Small Town America Richard R. Lingeman, 1980 The history of America is the history of its small towns For better or worse small town values convictions and attitudes have shaped the psyche of this nation This book chronicles the rise and fall of small towns from the Atlantic to the Pacific and interweaves the story of their development with the main strands of American history inside flap

Small Town America, 1994 And his poignant engaging text grounded in his memories of his own small town upbringing and populated by characters he has met in the course of his work brings to life the essence of the small town experience

Habits of the Heartland Lyn C. Macgregor, 2011-03-15 So how do Americans in a small town make community today This book argues that there is more than one answer and that despite the continued importance of small town stuff traditionally associated with face to face communities it makes no sense to think that contemporary technological economic and cultural shifts have had no impact on the ways Americans practice community life Instead I found that different Viroquans took different approaches to making community that reflected different confluences of moral logics their senses of obligation to themselves to their families to Viroqua and to the world beyond it and about the importance of exercising personal agency The biggest surprise was that these ideas about obligation and agency and specifically about the degree to which it was necessary or good to try to bring one's life into precise conformance with a set of larger goals turned out to have replaced more traditional markers of social belonging like occupation and ethnicity in separating Viroquans into social groups from *Habits of the Heartland* Although most Americans no longer live in small towns images of small town life and particularly of the mutual support and neighborliness to be found in such places remain powerful in our culture In *Habits of the Heartland* Lyn C Macgregor investigates how the residents of Viroqua Wisconsin

population 4 355 create a small town community together Macgregor lived in Viroqua for nearly two years During that time she gathered data in public places attended meetings volunteered for civic organizations talked to residents in their workplaces and homes and worked as a bartender at the local American Legion post Viroqua has all the outward hallmarks of the idealized American town the kind of place where local merchants still occupy the shops on Main Street and everyone knows everyone else On closer examination one finds that the town contains three largely separate social groups Alternatives Main Streeters and Regulars These categories are not based on race or ethnic origins Rather social distinctions in Viroqua are based ultimately on residents ideas about what a community is and why it matters These ideas both reflect and shape their choices as consumers whether at the grocery store as parents of school age children or in the voting booth Living with and listening to the town s residents taught Macgregor that while traditional ideas about community especially as it was connected with living in a small town still provided an important organizing logic for peoples lives there were a variety of ways to understand and create community

On the Back Roads Bill Graves,1999 The author tells the tales of 40 000 miles of travel in his motorhome through California Arizona Utah Nevada Oregon and Wyoming

Small-town America in Film Emanuel Levy,1991

Small-Town America Robert Wuthnow,2013-06-30 A revealing examination of small town life More than thirty million Americans live in small out of the way places Many of them could have joined the vast majority of Americans who live in cities and suburbs They could live closer to more lucrative careers and convenient shopping a wider range of educational opportunities and more robust health care But they have opted to live differently In Small Town America we meet factory workers shop owners retirees teachers clergy and mayors residents who show neighborliness in small ways but who also worry about everything from school closings and their children s futures to the ups and downs of the local economy Drawing on more than seven hundred in depth interviews in hundreds of towns across America and three decades of census data Robert Wuthnow shows the fragility of community in small towns He covers a host of topics including the symbols and rituals of small town life the roles of formal and informal leaders the social role of religious congregations the perception of moral and economic decline and the myriad ways residents in small towns make sense of their own lives Wuthnow also tackles difficult issues such as class and race abortion homosexuality and substance abuse Small Town America paints a rich panorama of individuals who reside in small communities finding that for many people living in a small town is an important part of self identity

The 100 Best Small Towns in America Norman Crampton,1993 A nationwide guide to the best in small town living Cover subtitle

Working Hard and Making Do Margaret K. Nelson,Joan Smith,1999-05-24 The economic recovery of the 1990s brought with it a surge of new jobs but the prospects for most working Americans improved little Family income rose only slightly and the period witnessed a significant degradation of the quality of work as well as in what people could expect from their waged employment In this book Margaret K Nelson and Joan Smith take a look inside the households of working class Americans to consider how they are coping with large scale

structural changes in the economy specifically how the downgrading of jobs has affected survival strategies gender dynamics and political attitudes Drawing on both randomly distributed telephone surveys and in depth interviews Nelson and Smith explore the differences in the survival strategies of two groups of working class households in a rural county those in which at least one family member has been able to hold on to good work a year round full time job that carries benefits and those in which nobody has been able to secure or retain steady employment They find that households with good jobs are able to effectively use all of their labor power they rely on two workers they engage in on the side businesses and they barter with friends and neighbors In contrast those living in families without at least one good job find themselves considerably less capable of deploying a complex multi faceted survival strategy The authors further demonstrate that this difference between the two sets of households is accompanied by differences in the gender division of labor within the household and the manner in which individuals make sense of and respond to their employment *Jewish Life in Small-Town America* Lee Shai Weissbach,2008-10-01

In this book Lee Shai Weissbach offers the first comprehensive portrait of small town Jewish life in America Exploring the history of communities of 100 to 1000 Jews the book focuses on the years from the mid nineteenth century to World War II Weissbach examines the dynamics of 490 communities across the United States and reveals that smaller Jewish centers were not simply miniature versions of larger communities but were instead alternative kinds of communities in many respects The book investigates topics ranging from migration patterns to occupational choices from Jewish education and marriage strategies to congregational organization The story of smaller Jewish communities attests to the richness and complexity of American Jewish history and also serves to remind us of the diversity of small town society in times past **The Death and Life of Main Street** Miles Orvell,2012-10-01 For more than a century the term Main Street has conjured up nostalgic images of American small town life Representations exist all around us from fiction and film to the architecture of shopping malls and Disneyland All the while the nation has become increasingly diverse exposing tensions within this ideal In *The Death and Life of Main Street* Miles Orvell wrestles with the mythic allure of the small town in all its forms illustrating how Americans continue to reinscribe these images on real places in order to forge consensus about inclusion and civic identity especially in times of crisis Orvell underscores the fact that Main Street was never what it seemed it has always been much more complex than it appears as he shows in his discussions of figures like Sinclair Lewis Willa Cather Frank Capra Thornton Wilder Margaret Bourke White and Walker Evans He argues that translating the overly tidy cultural metaphor into real spaces as has been done in recent decades especially in the new urbanist planned communities of Elizabeth Plater Zyberk and Andres Duany actually diminishes the communitarian ideals at the center of this nostalgic construct Orvell investigates the way these tensions play out in a variety of cultural realms and explores the rise of literary and artistic traditions that deliberately challenge the tropes and assumptions of small town ideology and life *Main Street Blues* Richard O. Davies,1998 Richard O Davies takes the reader through two hundred years of American history as reflected

in the small Ohio farming village of Camden Davies describes the development of the relatively self sufficient community that emerged from the Ohio land rush of the early nineteenth century a community that reached its apex during the 1920s and then entered into a period of slow decline caused by forces beyond its control He details the roles of land speculation the railroad era the impact of the automobile the emergence of a tightly knit community and finally the post World War II loss of business and population to the nearby cities of Dayton Hamilton and Cincinnati *Main Street Revisited* Richard V.

Francaviglia,1996-06-01 As an archetype for an entire class of places Main Street has become one of America s most popular and idealized images In *Main Street Revisited* the first book to place the design of small downtowns in spatial and chronological context Richard Francaviglia finds the sources of romanticized images of this archetype including Walt Disney s Main Street USA in towns as diverse as Marceline Missouri and Fort Collins Colorado Francaviglia interprets Main Street both as a real place and as an expression of collective assumptions designs and myths his Main Streets are treasure troves of historic patterns Using many historical and contemporary photographs and maps for his extensive fieldwork and research he reveals a rich regional pattern of small town development that serves as the basis for American community design He underscores the significance of time in the development of Main Street s distinctive personality focuses on the importance of space in the creation of place and concentrates on popular images that have enshrined Main Street in the collective American consciousness **The Small Town in American Literature** David M. Cook,Craig G. Swauger,1977 *The*

Economic Survival of America's Isolated Small Towns Gerald L. Gordon,2015-06-26 The economic history of the recent decade has been volatile at best and devastating at its worst The effects have tended to be most severe in the small isolated towns of America *The Economic Survival of America s Isolated Small Towns* presents a detailed discussion of the economic challenges facing these small towns looking at why some have sur **The Left Behind** Robert Wuthnow,2018-02-27 How a fraying social fabric is fueling the outrage of rural Americans What is fueling rural America s outrage toward the federal government Why did rural Americans vote overwhelmingly for Donald Trump And beyond economic and demographic decline is there a more nuanced explanation for the growing rural urban divide Drawing on more than a decade of research and hundreds of interviews Robert Wuthnow brings us into America s small towns farms and rural communities to paint a rich portrait of the moral order the interactions loyalties obligations and identities underpinning this critical segment of the nation Wuthnow demonstrates that to truly understand rural Americans anger their culture must be explored more fully We hear from farmers who want government out of their business factory workers who believe in working hard to support their families town managers who find the federal government unresponsive to their communities needs and clergy who say the moral climate is being undermined Wuthnow argues that rural America s fury stems less from specific economic concerns than from the perception that Washington is distant from and yet threatening to the social fabric of small towns Rural dwellers are especially troubled by Washington s seeming lack of empathy for such small town norms as personal

responsibility frugality cooperation and common sense Wuthnow also shows that while these communities may not be as discriminatory as critics claim racism and misogyny remain embedded in rural patterns of life Moving beyond simplistic depictions of the residents of America's heartland *The Left Behind* offers a clearer picture of how this important population will influence the nation's political future

Small Town America Clint Brantley Bailey, 2010 The American Small Town will forever have a place in the undertones of American culture and in the American psyche The small town has become an identifying piece of the fabric that the overall American Society as a whole uses to project its own image not only to the world but to its self This study is an examination of key elements of the American Small town and an exploration into why these places are disappearing The study goes on to utilize this information to derive a plan for a small town that is free of modern day plights such as sprawl and redundancy In the end it proposes a plan for the community of Four Corners M T This case study re design is an example of how small communities can be shaped early on to prevent waste maximize efficiency and quality of life

Small Town Dream - The Guide for Moving to Small Town America Andy Lapointe, 2018-08-15 Officially Small Town America doesn't exist on any map but it is very real Maybe it's the tranquil feeling experienced when walking down streets lined with huge oak trees the promise of a slower paced lifestyle and the friendly greetings of neighbors I don't think so Small Town America isn't just about living in a small town it is about being able to enjoy the small town lifestyle To truly enjoy the Small Town Dream you must first enjoy a Small Town Lifestyle What is the Small Town Lifestyle It's the ability to enjoy all of the amenities of modern living while living in harmony with Mother nature and enjoying a stressful lifestyle If this is what you want Small Town Dream is for you The Small Town Dream is not so much about moving from the big city to a small town immediately though many people who have followed the steps in the course have done so it's more about enjoying a more meaningful lifestyle The Small Town Dream is a state of mind It is a lifestyle of knowing that you are living life the way it was meant to be lived A life not driven by the worry of crime rates pollution or daily traffic jams but spending time with those you love and doing what you were meant to do That is where the Small Town Dream book comes in So if you want to leave the stress and crime of the big city or simply create your own Small Town Lifestyle where you currently live this book can help Small Town Dream is a step by step book specially designed to provide a proven path to enjoying life the way it was meant to be No matter who you are or where you live this course will help you to spend more time with your family have a less stressful lifestyle and offer an income generating opportunity Here are some of the strategies that you'll learn from this book How to select the right small town for You and Your Family How to make money in a small town There are 5 ways to earn money in a small town Once you learn these strategies you'll know how some of the wealthiest people in a small town earn money How to eliminate all of your credit card debt quickly and painlessly You don't want to move to a small town with a burden of credit card debt This powerful strategy will teach you how to zap all your debts The name of this simple method is The Debt Elimination Pyramid You'll master all your debt immediately after learning this

unique and powerful strategy How to smooth your transition with 15 time tested strategies used by some of the wisest folks who ever moved to a small town Learn what to look for and what to avoid in a small town community You ll learn the secrets used by the top real estate professionals Learn the how and why you should set goals to ensure you are living life to the fullest How to create a family policy statement This simple piece of paper will ensure that you are making the right decision Four fundamental steps you must take before you ever move to a small town How to defeat the 1 enemy of moving to a small town and how to live life on your terms How to Create a Household Budget Learn how to squeeze every penny from your paycheck to fund your Small Town Dream You ll even receive a sample budget worksheet to help you get started immediately Why Trust What I Have to Say That is a fair question The strategies techniques and tips contained in my book are the very same my wife and I have used and are using to enjoy living in a small town since 1992 They are proven and time tested My background includes 8 years as a licensed Realtor R and then over 15 years in the financial services industry I have appeared on several television and radio broadcasts talking about real estate and money management I know how to help others design their ideal lifestyle and achieve their dreams If you re looking to live life the way it was meant to be then the Small Town Dream is for you *Welcome Home: A Photographic Journey Through Small Town America* Sally Riggs

Fuller,2023-03-14 **The Lost Continent** Bill Bryson,1989 I come from Des Moines Somebody had to And as soon as Bill Bryson was old enough he left Des Moines couldn t hold him but it did lure him back After ten years in England he returned to the land of his youth and drove almost 14 000 miles in search of a mythical small town called Amalgam the kind of smiling village where the movies from his youth were set Instead he drove through a series of horrific burgs which he renamed Smellville Fartville Coleslaw Coma and Doldrum At best his search led him to Anywhere USA a lookalike strip of gas stations motels and hamburger outlets populated by obese and slow witted hicks with a partiality for synthetic fibres He discovered a continent that was doubly lost lost to itself because he found it blighted by greed pollution mobile homes and television lost to him because he had become a foreigner in his own country
