KING OF SMOKE AND SHADOWS. RACHAEL. STAUDT, 2025 **Big If: A Novel** Mark Costello, 2002-06-17 In the wake of her father's death and the vice president's campaign for the presidency Secret Service agent Vi Asplund returns home to her computer genius brother who is poised to make a fortune on a nihilistic video game **Rivers of London** Ben Aaronovitch, 2022-11-21 10th Anniversary Edition of *Midnight Riot* by 1 Sunday Times bestselling author Ben Aaronovitch the first book in the international bestselling *Rivers of London* series Restored to its original British title *Rivers of London* this Author's Preferred Edition includes revised text never before seen by US readers and a new introduction by the author My name is Peter Grant and until recently I was just another probationary constable in that mighty army for justice known to all

right thinking people as the Metropolitan Police and by everyone else as the filth My only concerns in life were avoiding a transfer to the Case Progression Unit We do paperwork so other coppers don't have to and where to get a hot coffee while on late shift Then one night in pursuance of a murder inquiry I tried to take a witness statement from a man who was dead but disturbingly voluble and that brought me to the attention Chief Inspector Nightingale the last wizard in Britain And that as they say is where the story really starts Now I'm in plain clothes and the first apprentice wizard in fifty years and my world has become somewhat more complicated Now I'm dealing with nests of vampires in Purley negotiating a truce between the warring god and goddess of the River Thames and digging up graves in Covent Garden and that's just the routine stuff Because there's something festering at the heart of the city I love a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair The spirit of riot and rebellion has awakened in the city and it's fallen to me to bring order out of chaos or die trying Which I don't mind telling you would involve a hell of a lot of paperwork

Reviews for Rivers of London fresh and original and a wonderful read I loved it Charlaïne Harris A hilarious keenly imagined caper Diana Gabaldon A witty and inventive twist to urban fantasy Wouldn't let go until the last page Mario Acevedo It's witty fun and full of vivid characters and the plot twists will keep even seasoned mystery fans guessing Publishers Weekly

Smoke and Shadows Joanne Van Leerdam, 2019-01-09 Life is full of illusions People and things are rarely what they seem to be and what we understand to be the truth of our own experience often turns out to be something quite different instead With the clarity of hindsight the poet explores the illusions and deceptions we experience in life and the lessons we can learn from them Smoke and shadows yield to glimpses of light Only then we begin to see When we learn to perceive things as they are We can have peace with whatever will be

Moon Over Soho Ben Aaronovitch, 2022-11-28 Moon Over Soho cements the Rivers of London series as my favorite urban fantasy series The humor the world building the action the magic the mystery the procedural all are top notch Ranting Dragon My name is Peter Grant and I'm a Police Constable in that mighty army for justice known as the Metropolitan Police aka the Filth I'm also an apprentice wizard the first in fifty years When your dad is an almost famous jazz trumpeter you know the classics And that's why when Dr Walid called me down to the morgue to listen to a corpse I recognized the tune it was playing as the jazz classic Body and Soul Something violently supernatural had happened to the victim strong enough to leave its imprint on his corpse as if it were a wax cylinder recording The former owner of the body Cyrus Wilkinson was a part time jazz saxophonist and full time accountant who had dropped dead of a heart attack just after finishing a gig He wasn't the first but no one was going to let me exhume corpses just to see if they were playing my tune So it was back to old fashioned police legwork starting in Soho the heart of the scene with the lovely Simone Cyrus's ex lover professional jazz kitten and as inviting as a Rubens portrait as my guide And it didn't take me long to realise there were monsters stalking Soho creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune What they take is beauty What they leave behind is sickness failure and broken lives Reviews for Moon Over Soho Mr Aaronovitch is in short writing the best contemporary occult detective series on the shelf today and that's by a substantial margin Pornokitsch Moon Over Soho is a gripping continuation of River of London's well executed blend of police procedural and fantasy with a good splash of horror thrown in This is urban fantasy done with a loving attention to detail and enlivened by an ever present wit making this series a must read for anyone who likes their fantasy with a strong edge of realism SF Book Reviews

Poverty in Modern Chinese Realism Keru Cai, 2025-04-28 Poverty in Modern Chinese Realism shows that early twentieth century Chinese writers drew upon Russian texts about the socially downtrodden to describe poverty in a bid to enrich Chinese culture by creating a syncretic new realism Modern Chinese realist writers turned to the topic of material poverty peasants suffering from famine exploited urban laborers homeless orphans to convey their sense of textual poverty and national backwardness The combination of a

radically new subject matter and experimentation with diverse literary resources indigenous and foreign generated major innovations in narrative technique Depicting poverty allowed writers to revolutionize the nascent forms of modern Chinese narrative innovating strategies of representing the nation the social other time and space while problematizing their deployment of squalor for aesthetic purposes This book examines why Russian literature itself long preoccupied with a problem of belatedness vis vis Western Europe occupied a privileged place for Chinese intellectuals of this era Comparing Chinese fiction about poverty to Russian intertexts by Gogol Andreev Chekhov Turgenev and others the book shows how Chinese writers drew and innovated upon themes such as madness or human animality and formal elements such as metonymy Keru Cai s multi scalar approach emphasizing close textual analysis situates modern Chinese realism in the trans Eurasian axis of world literature

Music in the Shadows Sheri Chinen Biesen, 2014-03-27 An analysis of Hollywood films that blend elements of musicals and film noir from the author of *Blackout World War II and the Origins of Film Noir* Welcome to the world of noir musical films where tormented antiheroes and hard boiled musicians battle obsession and struggle with their music and ill fated love triangles Sultry divas dance and sing the blues in shrouded nightclubs Romantic intrigue clashes with backstage careers In her pioneering study *Music in the Shadows* film noir expert Sheri Chinen Biesen explores musical films that use film noir style and jazz to inhabit a disturbing underworld and reveal the dark side of fame and the American Dream While noir musical films like *A Star Is Born* 1954 include musical performances their bleak tone and expressionistic aesthetic more closely resemble the visual style of film noir Their narratives unfold behind a stark noir lens distorted erratic angles and imbalanced hand held shots allow the audience to experience a tortured disillusioned perspective While many musicals glamorize the quest for the Hollywood spotlight brooding noir musical films such as *Blues in the Night* *Gilda* *The Red Shoes* *West Side Story* and *Round Midnight* stretch the boundaries of film noir and the musical as film genres collide Deep shadows dim lighting and visual composition evoke moodiness cynicism pessimism and subjective psychological points of view Biesen draws on extensive primary research in studio archives to situate her examination within a historical industrial and cultural context Biesen builds a fascinating and quite convincing case for a genre hybrid the noir musical that took root in the 1940s but has continued to evolve ever since Thomas Schatz The University of Texas at Austin

Whispered Shadows Beverly L. Anderson, 2024-12-02 The twisting paths of a poet s mind lead to intriguing places there can be little doubt of this These places contain whispers of the writer s soul Some paths show desired sights others uncover unforeseen knowledge and at times unwanted things The shadows conceal unknown discoveries on well lit paths through the poet s mind Travelers beware uncertain destinations await along these paths Tread carefully Becoming lost in the pages of the poet s thoughts may be a very real danger to these travelers So come along and visit this place of shadows Here there bedragons monsters truth and more to enjoy Fantasy Reality and Truths form one hundred and fifty

poems by Beverly L Anderson The first path is one of fantasy with mythic beasts of yore and darkness that creeps into the very bone Fairies may fly and dragons may soar The second path is one of reality and perhaps questions of what is and is not within that reality Questions of existence and what the world shows us daily are spoken here And the final path is one of truths These truths may be surprisingly uncomfortable or may not be the truth expected In any case travel the paths at your own risk Open these pages and see if something draws you into the whispered shadows of the very soul *Whispers*
