We are responsible for all articles that appear in The Rail Splitter and as this promises to be a warm and exciting campaign in which there will be a great deal of crimination and recrimination if we should incur the displeasure of any of the Democracy the term Democracy was often used at the time to refer the Democratic Party and its rule for telling the truth and they should feel aggrieved they can call at our office at 66 Randolph Street up stairs where we will be most happy to give them any satisfaction they may desire We will not however take back any statement we make of the truth of which we are satisfied
