Extraordinary Entrepreneurship Stephen C. Harper,2006-12-13 The 21st Century brings all new rules Entrepreneurs are challenging conventional wisdom and thinking outside the box One of the first challenges involves challenging the assumption that a business has to be big to be successful While most of the 20th century heralded big businesses it is clear that businesses no longer have to be big to do big business Now it is possible for a handful of people to operate a global business from virtually any place on the planet Today the keyboard has overtaken the boardroom Financial markets alliances and joint ventures have eliminated the need for entrepreneurs to put up substantial capital investments Today s businesses are driven by ideas innovation and execution This book will show entrepreneurs and business leaders will provide CEOs and entrepreneurs with the tools that they will need to become leaders in their market **The Entrepreneur's Handbook**

Daniel Desta,2014-04-05 In this book you will walk away with 16 solid key principles that will ensure your success as an Entrepreneur You will also learn how to push past the negative thoughts that limit your growth You ll understand why fear has kept you from pursuing the goals you ve always wanted The author has compiled some very real personal experiences along with every lesson In other words in order for this book to even exist the author had to live out each lesson first
