English Bulletin ,1915 **Putnam's Monthly and the Critic** ,1907 *The Yale Literary Magazine* ,1908 Putnam's Monthly ,1907 **Bulletin** Helena Public Library (Mont.),1904 Mocked with Death Emily R. Wilson,2004 Publisher Description Faithful Labourers: A Reception History of Paradise Lost, 1667-1970 John Leonard,2013-02-28 Faithful Labourers surveys and evaluates existing criticism of John Milton's epic *Paradise Lost* tracing the major debates as they have unfolded over the past three centuries Eleven chapters split over two volumes consider the key debates in Milton criticism including discussion of Milton's style his use of the epic genre and his references to Satan God innocence the fall sex nakedness and astronomy Volume one attends to questions of style and genre The first three chapters examine the longstanding debate about Milton's grand style and the question of whether it forfeits the native resources of English Early critics saw Milton as the pre eminent poet of apt Numbers and fit quantity whose verse is apt in the specific sense of achieving harmony between sound and sense twentieth century anti Miltonists faulted Milton for divorcing sound from sense late twentieth century theorists have denied the possibility that sound can enact sense These are extreme changes of critical perception and yet the story of how they came about has never been told These chronological chapters explain the roots of these changes and in doing so engage with the enduring theoretical question of whether it is possible for sound to enact sense Volume two considers interpretative issues and each of the six chapters traces a key debate in the interpretation of *Paradise Lost* They engage with such questions as whether *Paradise Lost* is an epic or an anti epic whether Satan runs away with the poem and whether it is good that he does so what it means to be innocent or fallen and whether Milton's poetry is hostile to women A final chapter on the universe of *Paradise Lost* makes the provocative argument that almost every commentator since the middle of the eighteenth century has led readers astray by presenting Milton's universe as the medieval model of Ptolemaic spheres This assumption which has fostered the notion that Milton was backward looking or anti intellectual rests upon a misreading of three satirical lines Milton's earliest critics recognized that he unequivocally embraces the new astronomy of Kepler and Bruno **Paradise Lost and the Making of English Literary Criticism** David A. Harper,2023-12-20 *Paradise Lost and the Making of English Literary Criticism* identifies the early reception of *Paradise Lost* as a site of contest over the place of literature in political and religious controversy Milton's earliest readers and critics Dryden Addison Dennis Hume and Bentley confronted a poem and author at odds with the prevailing culture and the revanchist conservatism of the restored monarchy Grappling with the epic required navigating Milton's reputation as a fanatic who had called in print for Charles I's execution inveighed openly against monarchy on the eve of Charles II's return and held heretical views on the trinity baptism and divorce Harper argues that foundational figures in English literary criticism rose to this challenge by innovating new ways of reading producing creative and subversive rewritings of *Paradise Lost* articulating new theories of the sublime explaining the poem in the first substantial body of annotations for an English vernacular text and by pioneering early forms of textual criticism and editing Bulletin Texas University,1918 **Faithful**
