## **The Epistles First And Second Thessalonians:**

The First and Second Epistles to the Thessalonians Leon Morris, 2009-04-10 The two letters to the Thessalonians dwell richly on the Christian hope and emphasize the significance of the Christian calling in the here and now In this commentary Leon Morris offers a solid exegetical discussion of specific problems relating to the composition of the letters themselves yet his exposition is also pervaded by an acute awareness of the relevance of Paul's message to the practical problems encountered in living the Christian life Long published as part of the New International Commentary on the New Testament series and here reprinted in paperback this classic work on 1 and 2 Thessalonians has proved and will continue to prove useful to a wide range of readers including scholars pastors Bible students and educated Christians Thorough and readable Leon Morris deals minutely with the grammatical meaning of the Greek text without being obscure or pedantic The main exposition of the commentary is comprehensible by any intelligent Bible student and provides ready reference for the casual reader Christianity Today Morris is an able exegete with a mind of his own and a stylistic facility that makes his commentary as readable as it is instructive Evangelical Quarterly This commentary is worthy of a place on the shelves of every student of the New Testament Didaskalia *Sacra Pagina: First and Second Thessalonians* Earl J. Richard, 2021-03-04 The letters First and Second Thessalonians are traditionally associated with the Pauline foundation of the Macedonian Church at Thessalonica The first is seen as representing Paul's earliest epistolary efforts and as providing two successive moments in his long relationship as advisor to that community Soon after leaving the area for the southern province of Achaia Paul addresses the concerns of the new Gentile converts and at a later period responds more directly to queries received from the thriving and successful community The second document written in Paul's name and at a later date attempts to calm the apocalyptic fervor of the community by reiterating its traditional eschatological and Christological teaching After treating these introductory matters this study provides a new translation of each section of the canonical text explains in notes the pertinent textual and linguistic features of the text and then offers in a series of interpretive messages a literary rhetorical and thematic analysis of the biblical documents The constant concern of this commentary is to provide assistance to modern readers in discerning the relationship between the authors and their intended readers Short bibliographies suggest other important modern studies **The First and Second Letters to the Thessalonians** Gordon D. Fee, 2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text for today Among other things Fee explores the occasion for Paul's writing of each epistle restoring 2 Thessalonians to its rightful place as a full companion to the first letter not merely a tagalong to 1 Thessalonians A labor of love on Fee's part this commentary will serve to help rescue 1 and 2 Thessalonians from their

Cinderella status among Paul's letters Fee's primary target is the proverbial busy pastor who wants help in understanding the biblical text as he or she prepares to preach or teach However as with all his commentaries he also provides solid exposition for students in the process of learning how to preach or teach and enough technical material mostly in the footnotes so that even the scholar can benefit *Annotated Bibliography of First and Second Thessalonians* Jeffrey Alan David Weima, Stanley E. Porter, 1998 This bibliography lists some 1300 works most of which are annotated that are germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century *First and Second Thessalonians* Beverly Roberts Gaventa, 2012-08-01 Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry *Thru the Bible Vol. 49: The Epistles (1 and 2 Thessalonians)* J. Vernon McGee, 1995-03-15 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it is available as a complete 60 volume series in Old Testament or New Testament sets or individually *First and Second Thessalonians (Catholic Commentary on Sacred Scripture)* Nathan Eubank, 2019-11-05 This final volume in the successful Catholic Commentary on Sacred Scripture New Testament series interprets First and Second Thessalonians from within the living tradition of the Church Nathan Eubank recovers interpretations of these Pauline letters from the ancient and medieval church as he explores their historical and theological significance Attractively packaged and accessibly written this commentary series relates Scripture to Christian life today *First & Second Thessalonians- Everyman's Bible Commentary* Charles C. Ryrie, 2001-01-01 Designed for laypeople these commentaries deal seriously with the biblical text without being overly technical Introductory information doctrinal themes problem passages and practical applications are examined *First & Second Thessalonians - Hamilton Smith* Hamilton Smith, 2015-04-04 Hamilton Smith is well known for his concise easy to read Christ centered commentaries This little work on the two epistles to the Thessalonians is no exception In connection with First and Second Thessalonians the author has written that In the different epistles God has made rich provision of spiritual food suitable for every stage of Christian growth The Thessalonian Epistles were written to the young in the faith Thus we do not find unfolding of the counsels of God or of the Mystery of the Church as in the Ephesians and Colossians In both epistles the apostle rather focuses on the subject of the Lord's coming In the First Epistle the subjects of faith love and hope are brought before us The apostle comforts these new believers in revealing the truth of the coming of the Lord for His saints In the Second Epistle Paul exposes the error that the Day of the Lord had already arrived and foretells

the apostasy of Christendom and the manifestation of the man of sin Both epistles close with practical exhortations connected with the walk of the believers as they wait for the coming of the Lord We highly recommend this commentary for both new and older believers alike **The Epistles of Paul the Apostle to the Thessalonians** George Gillanders Findlay,1904 **The Letters of Saint Paul to the Thessalonians, Timothy, and Titus** Dennis Walters,2006 The newest volume in a very popular Catholic Bible study series It is an in depth study bible with original essays study questions word studies maps charts and more [A Commentary on St. Paul's First \(second\) Epistle to the Thessalonians](#) Alfred Plummer,1918 **The Letters to the Thessalonians** GENE L GREEN,2020-05-21 In this commentary Gene Green reads Paul s two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first century world of Thessalonica This fruitful approach helps illuminate the impact of the gospel on its original readers and in turn shows how potent a force it can be for the church and society today The book begins with an in depth study of the Thessalonians themselves their history land socioeconomic conditions and religious environment This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city s first church and the subsequent struggles of the Thessalonian believers to live out their Christian faith The main body of the book provides informed verse by verse commentary on 1 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts As Green s exposition shows the Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul s pastoral concern for the many areas in which the Thessalonians needed guidance Some of Paul s purposes are to thank the new believers for their steadfastness amid suffering to encourage them in their trials to urge them not to neglect their daily work and no less important to teach them about the future of believers who die before Christ returns Indeed the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul s eschatological letters Filled with new information about ancient society this commentary will fast become a standard reference work for Bible study By carefully bridging the biblical and modern worlds Green shows with clarity and warmth the continuing relevance of 1 2 Thessalonians for contemporary readers **First and Second Thessalonians (Paideia: Commentaries on the New Testament)** Timothy A. Brookins,2021-11-16 Though often neglected among readers of Paul s letters his two surviving letters to the church in Thessalonica are highly valuable sources for reconstructing the theology of Paul and the history of the earliest Christian churches First and Second Thessalonians also stand out for their intensely personal nature and provide a rare glimpse into Paul s methods of pastoral care This practical commentary interacts with the best scholarship on the Thessalonian letters while offering fresh new insights *The Untold Story of the New Testament Church [Revised and Expanded]* Frank Viola,2025-03-04 Experience the New Testament Like Never Before Endorsements from New Testament scholars Craig Keener Darrell Bock Joel B Green Michael Licona Mark Strauss Richard Horsley David deSilva Constantine Campbell Paul Barnett Clinton Arnold Eckhard Schnabel Jeffrey A D Weima and many
