The Epsom Derby:

Never Say Die James C. Nicholson, 2013-04 A quarter of a million people braved miserable conditions at Epsom Downs on June 2 1954 to see the 175th running of the prestigious Derby Stakes Queen Elizabeth II and Sir Winston Churchill were in attendance along with thousands of Britons who were all convinced of the unfailing superiority of English bloodstock and eager to see a British colt take the victory They were shocked when a Kentucky born chestnut named Never Say Die galloped to a two length triumph at odds of 33 1 winning Britain's greatest race and beginning an important shift in the world of Thoroughbred racing Never Say Die traces the history of this extraordinary colt beginning with his foaling in Lexington Kentucky when a shot of bourbon whiskey revived him and earned him his name Author James C Nicholson also tells the stories of the influential individuals brought together by the horse and his victory from the heir to the Singer sewing machine fortune to the Aga Khan Most fascinating is the tale of Mona Best of Liverpool England whose well placed bet on the long shot Derby contender allowed her to open the Casbah Coffee Club There her son met musicians John Lennon Paul McCartney and George Harrison and later joined their band Featuring a foreword by the original drummer for the Beatles Pete Best this remarkable book reveals how an underdog's surprise victory played a part in the formation of the most successful and influential rock band in history and made the Bluegrass region of Kentucky the center of the international Thoroughbred industry Derby Days Stewart Peters, 2004 Since 1780 when the race was first staged the Epsom Derby has become the blue riband of flat racing This book covers the history of the race from Sir Gordon Richards emotional and long awaited triumph in 1953 right up to the 2004 event It features Lester Piggott's record breaking nine wins and charts success of famous trainers such as Vincent O'Brien and Henry Cecil as well as looking at famous horses such as Sea Bird Nijinsky and Shergar Featuring a detailed analysis of every race comprehensive statistical information and a wealth of anecdotes from each year this book is beautifully illustrated Crown Jewels of Thoroughbred Racing Richard Stone Reeves, 1997 Includes articles about twenty five of the world's most famous racetracks along with paintings of many of the world's most famous race horses The Epsom Derby Roger Mortimer, Tim Neligan, 1984-01-01 **In Search of Running Rein** Tony Byles, 2011-04-07 The Epsom Derby established back in 1780 for three year old thoroughbred colts and fillies is today considered to be the most prestigious of the five Classics of the racing calendar but there was nothing noble about the notorious Derby held in 1844 Marred by horse switching allegations false age declarations devious ownership transferrals and nobbling it was set to become the most scandalous event in the history of the Turf Drawing on a wide range of publications newspaper articles Jockey Club inquiry documentation and court evidence records this book traces the web of deceit surrounding the original but subsequently disqualified 1844 Derby winner Running Rein and the audacious plan orchestrated by a certain Abraham Levi Goodman to ensure by any underhand means at his disposal that the Derby victory would be his not for the glory of winning but as a monstrous betting coup Twists and turns abound in the claims counter

claims and conflicting witness statements when the case goes to trial as attempts are made to determine the age and identity of the horse purported to be Running Rein and this intriguing story provides a fascinating insight into the world of horse racing and betting where the stakes are high and the unscrupulous are prepared to do anything to protect their own interests with little regard for the impact of their actions on the reputation of the sport *Legacies of the Turf* Edward L.

Bowen,2004 With Volume 2 of *Legacies of the Turf II* Edward Bowen focuses on the men whose horses have dominated racing in the last half of the 20th century and into the 21st He has woven together a rich tapestry of horse racing lore

Winning Without Thinking Nick Mordin,2006-10 Nick Mordin estimates he has spent over 30 000 hours researching racing results over the years His aim has been to uncover the principles that govern the betting market and racing results themselves In conducting his research Nick has tested thousands of systems both his own and those developed by academics professional gamblers and others around the globe In *Winning Without Thinking* he shares the fruits of this work the results of horse races basic principles that govern racing results and the betting market mistakes commonly made by the general betting public and how to exploit them full details of betting systems used by professional gamblers to make millions how to predict and profit from new trends and how to use computers to increase your returns *Taking Shergar* Milton C.

Toby,2018-10-19 It was a cold and foggy February night in 1983 when a group of armed thieves crept onto Ballymany Stud near The Curragh in County Kildare Ireland to steal Shergar one of the Thoroughbred industry s most renowned stallions Bred and raced by the Aga Khan IV and trained in England by Sir Michael Stoute Shergar achieved international prominence in 1981 when he won the 202nd Epsom Derby by ten lengths the longest winning margin in the race s history The thieves demanded a hefty ransom for the safe return of one of the most valuable Thoroughbreds in the world but the ransom was never paid and Shergar s remains have never been found In *Taking Shergar* Thoroughbred Racing s Most Famous Cold Case Milton C Toby presents an engaging narrative that is as thrilling as any mystery novel The book provides new analysis of the body of evidence related to the stallion s disappearance delves into the conspiracy theories that surround the inconclusive investigation and presents a profile of the man who might be the last person able to help solve part of the mystery Toby examines the extensive cast of suspects and their alleged motives including the Irish Republican Army and their need for new weapons a French bloodstock agent who died in Central Kentucky and even the Libyan dictator Muammar al Qadhafi This riveting account of the most notorious unsolved crime in the history of horse racing will captivate serious racing fans and aficionados as well as entertain a new generation of horse racing enthusiasts **Epsom Downs** Howard
