The Esoteric Gospel According To St Matthew:

The Esoteric Gospel According to St. Matthew John P. Scott, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

The Gospel According to Saint Matthew Michael Ferree Sadler, 1890 The Gospel According to St. Matthew M. F. Sadler, 2014-06-24 M. F. Sadler was an Anglican priest. He served as rector of Honiton, England, and wrote several other commentaries, including volumes on each of the four Gospels. SADLER MICHAEL FERREE 1819-1895 theologian, eldest son of Michael Thomas Sadler. He was born at Leeds in 1819. Educated at Sherborne School, he entered St John's College, Cambridge, after a short interval of business life. He was elected Tyrwhitt's Hebrew scholar in 1846 and graduated B.A. 1847. He was vicar of Bridgwater from 1857 to 1864, during which time he was appointed to the prebend of Combe 13th in Wells Cathedral and of St Paul's, Bedford, from 1864 to 1869. He was rector of Honiton from 1869 till his death. In 1869 he received an offer of the bishopric of Montreal, carrying with it the dignity of metropolitan of Canada, but refused it on medical advice. He was a voluminous writer on theological subjects and a strong high churchman. His works, which had a large circulation, did much to popularise the tractarian doctrines.

The Gospel According to St. Matthew, with Notes Critical and Practical Michael Ferree Sadler, 1895 **The Four Gospels** John P. Scott, 1996-09 **The Gospel according to St. Matthew, with notes, by M.F. Sadler** Matthew (st), 1882 **An Eastern Exposition of the Gospel of Jesus According to St. John** P. Irāmanātan, 1902 *The Four Gospels* Christoph Rau, 2024-04-16

When a theologian speaks of the widespread misconception nowadays that faith is an intellectual holding of what is possible, they underpin a wretched reduction of faith. Since the interest of New Testament studies shifted to philosophical details, the word of the Bible was treated intellectually, thus shaking the foundation of faith in many people. Christoph Rau: Could a deeper cause of today's myriad human troubles be related to a dwindling or even nonexistent familiarity with the four New Testament Gospels of Matthew, Mark, Luke, and John? This is the view of Christoph Rau, for whom today's prevailing approach to theological research, which treats the ancient religious texts more as literary products than authentic records of spiritual experience, is, if anything, a contributing factor in our modern alienation from the spirit. In this book, Rau presents the results of five decades of research, demonstrating the independent structure of each of the four canonical Gospels. Through clear analyses, he illumines the distinctive stylistic features of each composition, revealing the design principles through which the meaning and goal of each Gospel can be understood. Beyond the intrinsic value of each Gospel, the author draws on their special features to explain how the spiritual richness of the four written works is fully revealed only by considering the pre-Christian religions, because each of the evangelists describes the incarnation of the Son of God from the perspective of his own mystery religion. Furthermore,

the author succeeds in showing that the Gospels despite their seeming contradictions are elements of a common organism This book is a translation from German of *Die Vier um den Einen Wesensart und spiritueller Hintergrund der Evangelien* Verlag Dr Dieter Winkler 2008 **A Devotional Commentary on the Gospel of St. Matthew** Robert Forman Horton,1907

The Christian Mystery Rudolf Steiner,1998 In this major collection Rudolf Steiner affirms the reality of esoteric Christianity and unveils many of its secret teachings His lectures are on the significance of the Mystery of Golgotha and of the Blood that flowed on the Cross the relationship of Christ and Lucifer or Love and Knowledge the various paths of initiation including the Christian Gnostic and Rosicrucian Paths and Steiner s early interpretations of St John s gospel and the sermon on the mount All of Steiner s lectures on the Lord s Prayer are also included as well as the version of the prayer that Steiner himself prayed throughout his life This is an excellent book for all those who want to deepen their understanding of the Western stream of Christian esotericism and Rudolf Steiner s approach to Christianity as a spiritual practice *The Secret Stream* Rudolf Steiner,2000 Rosicrucianism is one of the most important and least recognized streams of Western spirituality Forced underground in the maelstrom of the Thirty Years War Rosicrucianism was passed down secretly by alchemists hermetists and Masons into the nineteenth century when it inspired new spiritual movements including theosophy the Order of the Golden Dawn and Rudolf Steiner s spiritual science This book collects from many different sources Steiner s discussions on Rosicrucianism the Tao and the Rose Cross the history and mission of Christian Rosenkreutz the nature of Rosicrucian practice and experience the meaning of The Chemical Wedding Goethe s Rosicrucian poem The Mysteries and how to meditate on the Rose Cross itself The Gospel of John and the Other Three Gospels Rudolf Steiner,2025-05-19 What is the Christ event It is a confluence of all preceding philosophies and religious streams of humanity united in Palestine and they were expressed in the Gospels according to the different types of initiation of the one or other Evangelist Rudolf Steiner Speaking two years after his main lecture course on the Gospel of John Rudolf Steiner discusses initiation traditions in the course of human history and how the Christ Event unified them all in particular those connected to the Western and Eastern mysteries In addition to esoteric interpretations of passages in the Gospels Steiner also presents many new and complementary insights on the world historic significance of Christ s mission including his initial reference to the Second Coming in the etheric realm Dense in content these thirteen lectures delivered to an audience at the Royal Swedish Academy of Science Stockholm enrich our understanding of Rudolf Steiner s Christology Only recently published in German and here in English for the first time the lectures are accompanied with an introduction by Hans Christian Zehnter an appendix of photos and facsimiles extensive notes and an index The voice rose and the speaking took on a more rapid tempo while it flowed without stopping in perfectly formed beautiful sentences as only a born speaker can produce From a contemporary newspaper review Thirteen lectures Stockholm Jan 1910 GA 117a The Burning Bush Edward Reaugh Smith,1997-07 Even more significant for Christianity in the long run than the twentieth century Dead Sea and Nag Hammadi discoveries is the

growing North American awareness of Rudolf Steiner's works. Virtually unavailable until the end of the twentieth century, English translations from the German archives are gradually coming into print. Both Steiner and his works have thus far been virtually unknown in traditional theological circles. No Bible commentary has yet reflected the remarkable spiritual insights of Anthroposophy. Now ten years after first encountering a written comment about Rudolf Steiner, Ed Smith combines his own extensive traditional biblical knowledge with his years of concentrated study and reflection on hundreds of assembled works by Steiner. The result is the first Bible commentary in the light of anthroposophic insight. This is the first volume of a series of Bible commentary by the author. It is based on the anthroposophic understanding given to humanity by Rudolf Steiner during the first quarter of the twentieth century. Bible commentaries have always reflected the general line of thinking of their authors. However, the dramatic newness of anthroposophic thought means that perhaps the usual method of using a Bible commentary is not appropriate here. A large part of *The Burning Bush* is necessarily devoted to laying an anthroposophic or spiritual scientific groundwork. A major assumption indulged in most Bible commentaries that one can go directly to portions dealing with given passages of scripture and understand what is being said about them does not fit. Christian Rosenkreutz Rudolf Steiner, 2023-10-20. The wisdom contained in this book is not derived via the usual methods of scholarly and historical research and neither is it based on theory or speculation. Rudolf Steiner acquired his original contribution to human knowledge from metaphysical dimensions of reality which are hidden to most people but visible to anybody who is prepared to develop spiritual means of perception. With his philosophical and scientific training, Steiner brought a new systematic discipline to the field of spiritual research, allowing for fully conscious methods and comprehensive results. A natural seer, he cultivated his spiritual vision to a high degree, enabling him to speak with authority on previously veiled mysteries. Samples of his work are to be found in this book of edited texts which brings together excerpts from his many talks and writings on the subject of Christian Rosenkreutz. This volume also features an editorial introduction, commentary, and notes by Dr. Andrew Welburn. Chapters: *The Mystery of Christian Rosenkreutz*, *The Working of Christian Rosenkreutz Today and in the Past*, *Christian Rosenkreutz as the Guardian of Modern Knowledge From Ancient to Modern*, *in Rosicrucian Teachings*, *Christian Rosenkreutz at the Chymical Wedding*, *The Cosmic Mission of Christian Rosenkreutz*, *The Question of Rosicrucian Literature*. *The Pictorial Dictionary of the Holy Bible* William Goodhugh, 1845. *The Bible cyclopædia: or, Illustrations of the civil and natural history of the sacred writings* [ed. by W. Goodhugh, completed by W.C. Taylor]. William Goodhugh, William Cooke Taylor, 1843. *The Bible Cyclopaedia: Or, Illustrations of the Civil and Natural History of the Sacred Writings, by Reference to the Manners, Customs, Rites, Traditions, Antiquities, and Literature of Eastern Nations,...*, 1843. *The Appearance of Christ in the Etheric* Sergei O. Prokofieff, 2012. Dedicated to the centenary of Rudolf Steiner's first proclamation of Christ's appearance in the etheric realm of the Earth, this book discusses various aspects of that event that had not previously been addressed adequately. Sergei Prokofieff points to three themes of primary importance, all of which are connected directly with

the tasks of the Society that Rudolf Steiner founded The preparation of humankind for the Second Coming Working with Christ as the Lord of Karma Recognizing in Anthroposophy the spiritual language through which questions can be posed to the etheric Christ today Prokofieff describes these and other critical undertakings such as forging a strong relationship with Michael and the importance of recognizing the adversarial forces attempting to falsify Christ s Second Coming The Appearance of Christ in the Etheric is of relevance to every individual who wishes to take an active role in fulfilling the needs of our time

The Heavenly Sophia and the Being Anthroposophia Sergei O. Prokofieff, 2006 Based on the author s experience of the suprasensory being behind spiritual science Anthroposophy this volume is the culmination of Sergei Prokofieff s twenty five years of work on Rudolf Steiner s spiritual impulse He shows that the being Anthroposophia is not merely a poetic image or an abstract concept but an actual spiritual entity who works in the higher worlds to benefit earthly evolution and bring to humanity the new revelation of the heavenly Sophia the divine wisdom In the first part of the book Prokofieff describes the path that led him to experience the being Anthroposophia a path that is clearly outlined so that it can be followed by the reader as well In the second part beginning with Steiner s relatively few statements on the subject the author considers the position of the living Anthroposophia in the cosmic hierarchy specifically her relationship to Christ to the heavenly Sophia and the to Archangel Michael Finally available in paperback this work will be of special interest to all those who have a close connection to Rudolf Steiner s Anthroposophy
