wonderful to share this story of what God gave me to write about in the creation of woman in our life with you Many years ago I woke up one morning with a feeling that told me I should start putting the things about His Masterpiece of creation on paper I had no idea how to do it I just started by jotting down the main highlights of all the things based on my experience that happened in my life over the years Then I asked the Holy Spirit to inspire me as He inspired the people who wrote the Bible This is why this story I call God Masterpiece of creation woman It amazed me how i never knew how to write and especially something or someone to write until now Every day when I sat down in my lazy boy to write or laid in bed the words just flowed It was an amazing experience I know that this is not my doing it is the Lord s doing I know a few more stories will come as God continues to do His work Specifically this is why I think you the reader would like my novel I have taken time to carry out my research on what you seek or need to know I have also included comparison titles to give you a feel of the book to prove that I know my target audience I am an interesting and a likable person judging by my character I want the readers to use the blank pages to take notes and tell me about each paragraph after each STORY I do not have any publishing credits but experience in the subjects presented in the manuscript included is a short biography I ll also let you know if I m working on something else to prove to you that I am not a one hit wonder But I won t pitch that novel here

Seven Keys to Perfection Bishop David O. Nzewi,2015-11-24 The Seven Keys to Perfection are the most essential attributes we need in our lives and society today The first key is faith Clay which is the soil God uses in sculpting our foundation in him The second key is prayer Wood Every aspect of our yearning creates deeper resolution in communication with Christ The third key is praise worship Iron this is where we build more intimacy with Christ opening up our lives to his presence Studying the word Bronze Jesus is the word symbolically portrayed as a bronze serpent bringing healing and restoration to everyone who puts their trust in him Fasting and discipline Silver silver is often the color of war and we must understand the importance of obtaining these weapons when we come against all devices of Satan Purity of heart soul and mind Gold without holiness no eyes shall see the Lord Courage and preaching the gospel Diamond all our works will be presented before the judgement seat of Christ and will either burn or will be engraved into precious stones worthy for the calling which we have been chosen
