The Revelation of Jesus Christ Alfred J. Chomppf Pastor, 2013 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book

things spoken of by the apostles and prophets will release Jesus to return and set up His domain over all the earth **The Final Reformation and Great Awakening** Dr. Bill Hamon, 2021-06-15 This book presents a masterful understanding of the times and seasons of God and how we can partner with Him to see the Third and Final Church Reformation and the last Great Awakening sweep the earth This masterpiece will mobilize a passionate church to bring kingdom transformation everywhere we go Jane Hamon *The Contested Public Square* Greg Forster, 2010-02-28 Christian thinking about involvement in human government was not born or born again with the latest elections or with the founding of the Moral Majority in 1979 The history of Christian political thinking goes back to the first decades of the church's existence under persecution Building on biblical foundations that thinking has developed over time This book introduces the history of Christian political thought traced out in Western culture a culture experiencing the dissolution of a long fought for consensus around natural law theory Understanding our current crisis where there is little agreement and often opposing views about how to maintain both religious freedom and liberal democracy requires exploring how we got where we are Greg Forster tells that backstory with deft discernment and clear insight He offers this retrospective not only to inform but also to point the way beyond the current impasse in the contested public square Illuminated by sidebars on key moments in history major figures and questions for further consideration this book will significantly inform Christian scholars and students reading and interpretation of history Pentecostalism: A Guide for the Perplexed Wolfgang Vondey, 2012-12-18 Pentecostalism is the fastest growing religious movement of our time The unexpected birth of the modern day Pentecostal movement at the doorsteps of the twentieth century is as perplexing as its continuing existence and unprecedented expansion worldwide Once marginalized from public discourse Pentecostals have entered into mainstream culture religion politics academia and social action However the unprecedented growth of Pentecostalism in all its diversity has led to characterizations ripe with platitudes stereotypes and misrepresentations This Guide for the Perplexed sheds light on the most persistent contrasts characterizing the Pentecostal movement the tension between local manifestations and global Pentecostalism the inconsistency between spiritual discernment and charismatic excess the gap between rampant denominationalism and the pursuit of Christian unity the disparity between poverty among many Pentecostals and the popularity of the prosperity gospel the division between Oneness Pentecostals and their trinitarian counterparts and the worldview of Pentecostals beyond the confines of a religious movement Those tensions form the essence of global Pentecostalism and represent the emergence of a global Christian world *Light from the East* Aidan Nichols, 1999-01-10 Nichols identifies a number of dogmatic issues problems or ideas raised or discussed by Eastern Orthodox theologians But issues of equal importance to Catholic theology as well **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986**, 1987 *Sermons Preached at Brighton* Frederick W. Robertson, 2024-01-28 Reprint of the original first published in 1875 **Sermons, Preached at Trinity Chapel, Brighton** Frederick William Robertson, 1857 Sermons Preached at

Brighton Frederick William Robertson, 2019-12-02 In *Sermons Preached at Brighton* Frederick William Robertson presents a series of eloquent sermons that delve into the complexities of faith, morality, and the human condition. Employing a literary style marked by deep insight and emotional resonance, Robertson captures the essence of Victorian religious thought while challenging conventional interpretations. Each sermon is a reflection on Scriptural texts, interweaving personal anecdotes and vivid rhetoric that elevate the discourse beyond mere theology into an exploration of spirituality and ethical living, resonating with an audience seeking a profound understanding of their faith. Robertson, a notable figure in the 19th-century Anglican Church, was renowned for his innovative approach to preaching that emphasized a personal, experiential understanding of faith. His tenure at Brighton, where he preached to diverse congregations, provided him with a rich backdrop for these sermons. Influenced by the intellectual currents of his time, including Romanticism and liberal theology, Robertson sought to make Christianity relevant in an age of skepticism, advocating for a compassionate and inclusive faith. This collection is essential reading for those interested in the evolution of religious thought and the role of the sermon in shaping public discourse. Robertson's ability to articulate the struggles and joys of faith not only makes his work timeless but also invites readers to reflect deeply on their own spiritual journeys. Dietrich Bonhoeffer 1906-1945 Ferdinand

Schlingensiepen, 2010-06-01 A new comprehensive biography of this hugely important Christian martyr 60 years after his execution at the hands of the Nazis, Bonhoeffer has gained a position as one of the most prominent Christian martyrs of the last century. His influence is so widespread that even 60 years after his execution by the Nazis, Bonhoeffer's life and work are still the subject of fresh and lively discussion. As a pastor and theologian, Bonhoeffer decided to resist the Nazis in Germany, but his resistance was not solely theological. He played a key leadership role in the Confessing Church, a major source of Christian opposition to Hitler and his anti-Semitism, and was principal of the secret seminary at Finkenwalde in Pomerania. It was here that he developed his theological visions of radical discipleship and communal life. In 1938, he joined the Wehrmacht's Abwehr, the German Military Intelligence Office, in order to seek international support for the plot against Hitler. Following his inner calling and conscience, Bonhoeffer was continually forced to make decisions that separated him from his family, friends, and colleagues, and which ultimately led to his martyrdom in Flossenbürg concentration camp less than a month before the Second World War came to an end. His letters and papers from prison movingly express the development of some of the most provocative and fascinating ideas of 20th-century theology. Sixty years after Bonhoeffer's death and forty years after the publication of Eberhard Bethge's ground-breaking biography, Ferdinand Schlingensiepen offers a definitive new book on Bonhoeffer for a new generation of readers. Schlingensiepen takes into account documents that have only been made accessible during the last few years, such as the letters between Bonhoeffer and his fiancée, Maria von Wedemeyer. Schlingensiepen's careful narrative brings to life the historical events as well as displaying the theological development of one of the most creative thinkers of the 20th century who was to become one of its most tragic martyrs. *COVENANT*
