The Eternal Covenant Of Peace:

The Golden Book Charles Mwalimu, 2010 v 1 Dynamic jurisprudential thought **Eternal Covenant" in the Pentateuch** Steven D. Mason, 2008-09 This book provides the reader a uniquely comprehensive and exegetical study of eternal covenant It answers questions involving eternal covenant in the Bible by beginning with an exegetical study of Berit Olam in the Pentateuch The study reveals that Berit Olam actually represents a bilateral and conditional arrangement that reflects certain common themes as it is used within distinct passages **Revelation of Jesus Christ** Margaret Barker, 2000-05-01 A new and transforming approach to the Book of Revelation Margaret Barker bases her study on a fresh reading of the primary sources As an Old Testament scholar she can read Revelation as Hebrew prophecy ancient temple oracles which inspired Jesus and his own prophecies and influenced the whole Jerusalem Church Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee This expectation fuelled the revolt against Rome Josephus who deserted to Rome was the false prophet John who escaped to Patmos compiled Revelation as a record of the first generation In the future he taught the Lord would return to his people in the Eucharist This work illuminates the formative years of Christianity in the social religious and political situation of mid first century Palestine in a quite remarkable way It will have profound implications for the understanding of Christian origins and the development of Christian liturgy **A Commentary on the Epistle to the Hebrews** Philip Edgcumbe Hughes, 1987 Following an introduction which includes an outline and synopsis of Hebrews as well as discussion of theme origin authorship and date Hughes makes a detailed verse by verse study of the text Technical points are dealt with in notes and excurses making the work accessible to the specialist and nonspecialist reader alike The Eschatological Role of the Jerusalem Temple: An Examination of the Jewish Writings Dating from 586 BCE to 70 CE Eric W. Baker, 2015-06 This research aims to investigate the role or roles of the physical Jerusalem temple within the second temple Jewish writings in terms of whether the physical temple has any role to play in relation to the pivot point in eschatology The pivot point or fulcrum in time refers to the end of the exile and perhaps the beginning of the eschaton The exile may be theological but many second temple Jewish texts address the physical gathering of the children of Israel to the land of Israel i e from physical exile even if the text also addresses a theological exile thus making the return a complete ingathering of the children of Israel The passages of these ancient texts have been analysed before but never with this lens Looking to see if there is any role the Jerusalem Temple performs in expected eschatological events will at least allow an answer to be given which is better than never asking the question in the first place which has been the case until now This study produces results as the Jerusalem Temple has always been a place of great expectations Lost in Translation: The Untold Story of Muhammad ﷺ in the Bible and Beyond, 2024-03-01 In a world divided by faith a unifying truth lies hidden in plain sight For centuries scholars and believers alike have searched for a bridge between the religions of Abraham now the search leads us back to the sacred texts themselves

Lost in Translation takes you on an unprecedented exploration of the Bible where ancient prophecies emerge from the shadows to reveal a messenger known to millions but recognized by few in these pages Join us on a journey of discovery where history and faith converge to uncover the prophetic echoes of Muhammad Peace Be Upon Him in the Bible The truth awaits for those with the courage to seek it

A Catholic Reformed Theologian D. B. Riker, 2010-04-01 This study demonstrates that Benjamin Keach the most important Baptist figure of the seventeenth century was a catholic Reformed theologian This is done by investigating his relationship with the tradition of the church his interaction with federalism and his concept of baptism Dr Riker presents Keach and thus the Baptist tradition in a new way not as a Calvinist but as part of the broad Reformed family Secondly believer s baptism the rite from which the Baptists derive their name is systematically scrutinized over against pedobaptism In so doing Riker presents every argument strong or weak that was used in the sixteenth and seventeenth century debates and their respective refutation by a Baptist In these days of ecumenical rapprochement it is important to retrace the origins of different theological traditions and see how they relate to the wider Christian world Benjamin Keach was a Baptist theologian who drew on both Catholic and Reformed principles and Dr Riker has ably demonstrated how he must be classified as belonging to both those traditions This book helps us to put believers baptism in context and is an important contribution to inter church dialogue in our own time Gerald Bray Director of Research Latimer Trust Cambridge UK and Research Professor Beeson Divinity School Samford University Making use of fresh perspectives on the history of the church in the late medieval and early modern eras this new study of the most important Baptist theologian of the late seventeenth century capably demonstrates both Keach s catholicity and his profoundly Reformed convictions As such this excellent study helps orient contemporary Baptist thought as to its place in the larger Christian tradition and the inadequacy of the church sect model as a way of explaining the Baptist past Riker has helped restore Keach to his significant role as one of the key shapers of Baptist life and thought Highly recommended Michael A G Haykin Professor of Church History and Biblical Spirituality at Southern Baptist Theological Seminary Dr Riker s book challenges any assumption that English Nonconformity was uninterested in the church s tradition and history It makes a significant contribution to a growing body of scholarship that highlights the connections between the work of the Reformed thinkers such as Keach and the theology of the patristic and medieval eras Nick Thompson Lecturer in Church History School of Divinity History and Philosophy University of Aberdeen

Rock,2012-11-07 This book seeks to demonstrate that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the crisis of facing death Paul demonstrates that it is God s peace and not Rome s peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of the Emperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God s power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul s theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is one and Lord of all is still in charge of the world *The God of Peace* John Dear,2005-03-08 The God of peace is never glorified by human violence Thomas Merton The God of Peace John Dear s classic theology of nonviolence broke new ground when it was first published as a breakthrough toward a new understanding of scripture theology social concerns and churches issues from the perspective of Gospel nonviolence in the tradition of Mahatma Gandhi Martin Luther King Jr and Dorothy Day This ground breaking study begins not just with the culture of violence but the nonviolence of God and the revolutionary nonviolence of Jesus From the start John Dear explores traditional areas of theology such as Christology Trinitarian Theology anthropology sin redemption theodicy salvation ecclesiology eschatology spirituality liturgy Catholic social teaching the just war theory feminism liberation theology and the consistent ethic of life This text will help university and theology students pursuing the theology and spirituality of nonviolence as well as ordinary Christians and activists interested in the crucial connection between war and violence and God and nonviolence *The Book of Ezekiel, Chapters 25 48* Daniel I.
