The Ethics Of Assisted Death When Life Becomes A Burden Too Hard To Bear

Brendan McCarthy

The Ethics Of Assisted Death When Life Becomes A Burden Too Hard To Bear:

The Ethics of Assisted Death Kenneth Cauthen, Dan Michal, 1999 Are we ever justified in choosing to die by deliberate action Is it ever right to aid those who request assistance in dying These questions are widely debated today and in this book a nationally recognized authority in theology and ethics examines the major arguments for and against physician assisted death Writing from a religious perspective Kenneth Cauthen presents explicit biblical and philosophical foundations for a cautious and reasoned case to change the current laws concerning physician assisted suicide and physician administered death

The Ethics of Belief: Application Kenneth Cauthen, 2001 Volume 1 systematically develops a theory of Christian ethics examining the tension between our complex civilization and the radical demands of the New Testament Volume 2 spells out the implications of this ethical theory and Cauthen takes forthright and controversial positions on a wide variety of contemporary topics

Euthanasia Loreta M. Medina, 2005 The debate over euthanasia including its themes and rhetoric has evolved throughout history While during the eighteenth up through the early twentieth centuries the debate focused on the ideas of mercy killing and easy death during the latter part of the twentieth century specifically in the 1960s through the 1980s euthanasia was pushed forward by such ideas as individual rights self determination and choice in dying

The Ethics of Killing Jeff McMahan, 2002-01-03 This magisterial work is the first comprehensive study of the ethics of killing where the moral status of the individual killed is uncertain Drawing on philosophical notions of personal identity and the immorality of killing McMahan looks carefully at a host of practical issues including abortion infanticide the killing of animals assisted suicide and euthanasia

Contemporary Catholic Health Care Ethics David F. Kelly, 2004-10-28 As David Kelly writes Catholic moral theology has not been completely constant over the centuries it has learned and developed In Contemporary Catholic Health Care Ethics he demonstrates how Catholic health care ethics can and should evolve similarly in response to the lightning speed of modern medical advances Kelly draws on and analyzes the Catholic tradition of medical ethics but he does not shy away from criticizing it as well giving health care professionals hospital ethics committees and students a fresh treatment of Catholic health care ethics emphasizing theology methodology and application First discussing the Catholic understanding of the human person Kelly proposes a Catholic Christian approach to the meaning of human life as it applies specifically to health care He includes a brief history of the relationship between religion and medicine and makes strong claims about how theology ought and ought not to be applied in health care ethics Drawing from the terminology and approaches used by secular bioethics he suggests how a Catholic perspective on health care can utilize certain secular moral philosophical positions even as they apply to the issues of birth control and end of life concerns As practitioners patients and families face the difficult decision to continue or stop treatment for dying patients Kelly compassionately but practically explores their concerns in light of American law and ethics Finally he provides measured insight on pain management hospital ethics committees stem cell research genetic engineering and allocation of health care resources Contemporary Catholic Health Care Ethics is informed challenging articulate and bold bringing to the extremely important field of Catholic health care ethics a much needed and welcome voice unafraid to speak to the most difficult issues of the 21st century

Ethics, Health Policy and (Anti-) Aging: Mixed Blessings Maartje Schermer, Wim

Pinxten,2014-07-08 This volume focuses on the ethical and philosophical issues that arise in an aging society and the implications of these issues for healthcare and social policy After a brief overview of biomedicine s changing approach of ageing and longevity and of the new expectations that these changes generate various ethical social and policy issues that surround aging and longevity are discussed First the images and social meanings of aging and old age in our society are explored including their normative dimensions and implications for policy Next ethical issues in the care for frail elderly are discussed as well as notion of good care and end of life decisions Finally the ethical and social implications of emerging possibilities for anti aging and lifespan extension are considered The book concludes with an overview of the relevance of the issues discussed for policy making on professional national and international levels **Medical Law and Ethics** Jonathan Herring,2018 Medical Law and Ethics covers the core legal principles key cases and statutes that govern medical law alongside the key ethical debates and dilemmas that exist in the field Carefully constructed features highlight these debates drawing out the European angles religious beliefs and feminist perspectives which influence legal regulations Other features such as a shock to the system public opinion and reality check introduce further socio legal discussion and contribute to the lively and engaging manner in which the subject is approached Online resources This book is accompanied by the following online resources Complete bibliography and list of further reading Links to the key cases mentioned in the book A video from the author which introduces the book and sets the scene for your studies Links to key sites with information on medical law and ethics American Book Publishing Record ,1999 **At the End of the Day** Brendan McCarthy,2014-07-04 From assisted suicide to basic standards of nursing and residential care debates around end of life issues are rarely out of the news This succinct guide represents current thinking in the Church of England and offers a framework for ethical decision making and the highest standards of pastoral care in often complex and challenging situations **Burdened Agency** Travis Pickell,2024-08-15 Travis Pickell explores the paradoxes of choice in modern dying and the ways Christian theology can aid in navigating the relationship between moral agency and dignity at the end of life Burdened Agency addresses the problem of death and dying through Christian theology and ethics In previous centuries death was something that simply happened to us To choose how or when one died was the exception not the rule However due to advances in modern medicine individuals are increasingly required to make concrete choices about the nature and timing of death Modernity with its emphasis on individualism complicates this further because we are increasingly bereft of cultural and religious guidance regarding death This gives rise to the phenomenon of burdened agency the predicament of having to make such difficult choices with so little to help us This engaging book offers a historical and philosophical account of the origins of our situation of burdened agency as well as a Christian solution to the problems that it raises Looking to theologians such as Karl Rahner Karl Barth and Stanley Hauerwas Pickell devises a radically countercultural approach to death and dying rooted in Christian theological commitments and enacted in the practices of baptism Eucharist and prayer *God and Human Dignity* R. Kendall

Soulen, Linda Woodhead, 2006-07-12 The concept of human dignity has been stripped from its traditional context in Christian thought becoming a moral trump frayed by heavy use but a compelling alternate vision has not yet emerged God and Human Dignity offers a fresh restatement of the nature and scope of human dignity in Christian perspective Theologians ethicists and biblical scholars from around the world here examine the dimensions of human worth in the light of sacred Scripture doctrine and ecclesial practice In contrast to modernity's often monochromatic accounts of human dignity in terms of freedom or rationality these essays argue that human dignity in Christian perspective is a many splendored thing reflecting humanity's participation in the divine drama of creation redemption and new creation Representing disciplines across the academic spectrum the essays in God and Human Dignity offer systematic and scriptural perspectives on human dignity that connect to a host of pressing contemporary issues Contributors C Clifton Black Russell Botman Don Browning J Kameron Carter Elaine Graham Robert W Jensen James L Mays M Douglas Meeks Esther Menn Peter Ochs John Polkinghorne Hans Reinders Gerhard Sauter Christoph Schwobel R Kendall Soulen Fraser Watts Michael Welker and Linda Woodhead D
