The Eucharistic Memorial Part 1 The Old Testament:

The Eucharistic Memorial (2 Vols.) Max Thurian,1962 **The Eucharist's Biographer** Albert J.D.

Walsh,2012-11-06 Christians are not just called to be transformed into something better or even good but to be transfigured into a new creation ceasing to be what they are in order to become what they are not In *The Eucharist's Biographer* Albert Walsh proposes that the path to this distinctive Christian identity is through the power of the Holy Spirit as revealed in the unity of Word and Sacrament With this premise he unites two powerful traditions the Proclamation of the Word of the Protestant tradition and the Power of God's Grace in the Eucharist of the Roman Catholic and Eastern Orthodox traditions It is in what Walsh calls the eucharistic evangel as a whole that the individual and community are subject to the real presence of the Christ who in the power of the Holy Spirit is the force behind the transformation and maintenance of Christian identity

The Eucharistic Prayer Barry Hudock,2010-10-01 We somehow think that during the eucharistic prayer at Mass we are expected to be quiet prayerful and attentive if we can be with our children or other neighbors in the pews distracting us In this inviting book Barry Hudock shows us that the eucharistic prayer is indeed the most dynamic and explosive moment of Christian worship in fact of Christian life Hudock takes us back to the beginnings of formal eucharistic worship in the early church then forward to Vatican II and beyond unpacking and exploring the eucharistic prayers old and new in words and concepts accessible to all of us He also offers us as the fruit of the journey a set of points for a eucharistic prayer spirituality to prepare us for the explosion into life that is the whole purpose of our being **A South African Perspective on the**

Schlesinger,2023-07-15 This study provides a compelling account of the major works of Henri de Lubac one of the most influential theologians of the twentieth century and argues that soteriology provides a lens through which their inner unity can be discerned The writings of Henri de Lubac have left an indelible mark on Catholic theology preparing the ground for giving shape to and explaining the seminal event of twentieth century Catholicism the Second Vatican Council Like the Council itself though de Lubac remains a contested figure difficult to classify *Salvation in Henri de Lubac* presents an overview of de Lubac s major works in light of his own statements that a mystical vision animated them all De Lubac s mystical theology hinges upon a vision of salvation understood as humanity s incorporation into the triune God through the cross and resurrection of the incarnate Christ From his writings on the supernatural and theological epistemology to his treatments of the spiritual interpretation of Scripture ecclesiology sacramental theology and the theology of history the mystery of the cross looms large gathering these disparate topics into one focal center while also allowing their distinct contours to remain By attending to de Lubac s work in this light Eugene R Schlesinger brings important themes from French language scholarship into the English speaking conversation and clarifies the nature of de Lubac s *ressourcement* Schlesinger claims that unless we understand de Lubac and his work in light of his own motivations and emphases we risk distorting his contribution reducing him to a proxy in the struggle for post conciliar Catholic self definition *The Sacramental Mystery* Paul Haffner,1999 The seven sacraments lie at the centre of Christian life and experience for here God the Holy Trinity touches human lives and hearts This book is one of the few at the present time to offer a global synthesis of the main themes in the sacramental mystery in which the human and divine the material and the spiritual realms are intimately intertwined Paul Haffner outlines how the sacraments are the chief means in the Church through which God s people are reconciled to the Father through His Son by the power of the Holy Spirit The book illustrates classical issues like the conditions for the validity and the efficacy of the sacraments as well as the minister recipient and effects of these sacred mysteries it deals with particular topics like the necessity of Baptism the sacrificial character of the Eucharist and the nature of marriage As he examines each sacrament in turn the author also explores how new ecumenical questions affect Christian sacramental understanding I warmly commend this work on the subject of sacramental theology Archbishop Csaba Ternyak Secretary of the Vatican Congregation of the Clergy Paul Haffner is lecturer in systematic and dogmatic theology at the Pontifical Gregorian University the Pontifical Lateran University the Pontifical Athenaeum Regina Apostolorum and the Pontifical Institute Regina Mundi in Rome His publications include *The Mystery of Creation* *The Mystery of Reason* and *The Mystery of Mary* all also published by Gracewing *The Eucharist, Our Sanctification* Raniero Cantalamessa,1993 The

Eucharist should not be limited to the congregation that gathers to hear the word of God and proclaim its faith. It is first of all the active presence of the sacrifice of Christ who gathers us together and lets us partake of his divine life through his body and blood in Communion. Christians are always hoping to find helpful ways to contemplate the eucharistic mystery in all its fullness and this set of meditations by Father Raniero Cantalamessa presented by him in the presence of Pope John Paul II is written in a simple and warm style and nourished by Scripture and the teachings of the Church Fathers from both the East and the West. These meditations answer the needs of all who hope to experience the radiant and radiating Eucharist that shines into their hearts and into the life of the Church.

In *Worship Seeking Understanding*, noted worship expert John Witvliet mines the riches of the Bible, theology, history, music and pastoral research to provide windows into the practice of Christian worship. With this work, Witvliet attempts to build bridges between theory and practice among various worship-related disciplines and across denominational lines. If worship renewal is to occur, each bridge must be formed. His hope is that this work will not only articulate questions about worship but also enrich the practice of worship in congregations today. Witvliet's broad scope and insightful advice will be welcomed by pastors, worship leaders, church leaders and students.

Bread from Heaven Bernhard Blankenhorn, 2021-08-07. Bread from Heaven offers a

contemporary theological synthesis on the Eucharist that brings together classical and critical biblical exegesis debates on the early history of the Christian liturgy patristic doctrine the teachings offered by the Councils of Florence Trent and Vatican II and the Church's *lex orandi* all within a framework provided by the Eucharistic theology of Thomas Aquinas The volume begins with Christ's Bread of Life discourse in John 6 in light of the Old Testament theme of the manna and the Synoptic accounts of the Last Supper These biblical texts offer solid foundation for a theology of Eucharistic sacrifice presence and Communion It then continues with a historical and systematic study of the institution of the Eucharist by Christ with special attention given to the emergence of the first Eucharistic prayers Then follows a survey of key Christological and ecclesiological themes which undergird Eucharistic theology The chapters on Eucharistic sacrifice and presence form the heart of the work Here the focus moves to key conciliar patristic and Thomistic insights on these themes Bread from Heaven clarifies misunderstandings of Eucharistic sacrifice and renders transubstantiation accessible to beginners Blankenhorn concludes with a study of the consecration the minister of the Eucharist and the fruits of communion The chapter on the debate over the words of institution and the epiclesis gives a fresh perspective that integrates both eastern and western tradition The study of the Eucharistic celebrant strikes a balance between a spirituality of the priest as acting in persona Christi and of the priest as praying in persona ecclesiae The concluding chapter centers on the Eucharist's unitive mystical fruits in the Church This textbook is ideal for an advanced undergraduate or graduate course on Eucharistic theology It also seeks to advance the debate on several controversial historical and speculative issues in sacramental theology
