The Expedition Of Humphry Clinker Oxford English Novels

Simon Varey

The Expedition Of Humphry Clinker Oxford English Novels:

The expedition of Humphry Clinker Tobias George Smollett, 1967 **The Expedition of Humphry Clinker** Tobias George Smollett, 1971 The Expedition of Humphry Clinker Tobias George Smollett, Tobias Smollett, 1998 The text of this edition of one of the finest and funniest epistolary novels is taken from the first edition of 1771 and includes the illustrations that Thomas Rowlandson added to the novel in 1790 93 **The English Novel, Vol II** Richard. W. F. Kroll, 2014-07-21 The English Novel Volume II Smollett to Austen collects a series of previously published essays on the early eighteenth century novel in a single volume reflecting the proliferation of theoretical approaches since the 1970s The novel has been the object of some of the most exciting and important critical speculations and the eighteenth century novel has been at the centre of new approaches both to the novel and to the period between 1750 and 1800 Richard Kroll's introduction seeks to frame the contributions by reference to the most significant critical discussions These include the general importance of sentimentalism as a cultural movement after 1750 its relationship to the emergence of the Gothic novel as a specific genre or mode the rapid rise in the number of women novelists in the later eighteenth century the relationship between the novel as mediator of social relations and the idea of the public sphere the relationship between novelistic codes and the massive growth of a consumerist society the class conflicts of writers like Smollett the effect on the novel of the new British nation and the effects of the French Revolution and the subsequent political debates on writers like Wollstonecraft Godwin and Austen This collection will be of interest to students of the later enlightenment and also to all who are interested in late eighteenth century radicalism and the general relationship between literature history and politics **The Eighteenth Century English Novel** Harold Bloom, 2009 Early novelists such as Samuel Richardson Daniel Defoe and Laurence Sterne helped create the formula for the modern novel The Cambridge History of the English Novel Robert L. Caserio, Clement Hawes, 2012-01-12 The Cambridge History of the English Novel chronicles an ever changing and developing body of fiction across three centuries An interwoven narrative of the novel's progress unfolds in more than fifty chapters charting continuities and innovations of structure tracing lines of influence in terms of themes and techniques and showing how greater and lesser authors shape the genre Pushing beyond the usual period centered boundaries the History's emphasis on form reveals the range and depth the novel has achieved in English This book will be indispensable for research libraries and scholars but is accessibly written for students Authoritative bold and clear the History raises multiple useful questions for future visions of the invention and re invention of the novel The English Novel: Smollett to Austen Richard W. F. Kroll, 1998 The essays on the English novel included in this compilation are generally regarded as being notable and the editor emphasises their role and relevance in the ongoing debate surrounding the origins of the novel **Space and the Eighteenth-Century English Novel** Simon Varey, 1990-07-27 In this challenging and illustrated study first published in 1990 Simon Varey relates the idea of space in the major novels of Defoe Fielding and Richardson to its use in the theory and

practice of eighteenth century architecture Concepts of divine design expressed in the work of philosophers and theologians introduced an ideological element to the notion of space which gave it a heightened significance in contemporary thought Professor Valey s central argument is that space becomes a political instrument used to establish conformity assert power and give form to the aspirations of social classes He draws on a wide range of architectural books both English and European and on the example of Bath focusing in particular on its chief architect in the eighteenth century John Wood The discussion of novels such as Robinson Crusoe Tom Jones and Clarissa examines narrative as a form of spatial design the use of architectural imagery to describe people and the political control of social space A Companion to the English Novel

Stephen Arata, Madigan Haley, J. Paul Hunter, Jennifer Wicke, 2019-01-29 This collection of authoritative essays represents the latest scholarship on topics relating to the themes movements and forms of English fiction while chronicling its development in Britain from the early 18th century to the present day Comprises cutting edge research currently being undertaken in the field incorporating the most salient critical trends and approaches Explores the history evolution genres and narrative elements of the English novel Considers the advancement of various literary forms including such genres as realism romance Gothic experimental fiction and adaptation into film Includes coverage of narration structure character and affect shifts in critical reception to the English novel and geographies of contemporary English fiction Features contributions from a variety of distinguished and high profile literary scholars along with emerging younger critics Includes a comprehensive scholarly bibliography of critical works on and about the novel to aid further reading and research **Travels through France and Italy**

Tobias Smollett, 2011-08-26 Tobias Smollett travelled through Europe with his wife in 1763-65 in a journey designed to recover his mental and physical health after the death of their daughter The resulting travel narrative provoked controversy and anger in the eighteenth century when it was often negatively compared to Laurence Sterne s fictional European travels in A Sentimental Journey through France and Italy Unlike Sterne s sensitive hero Smollett is argumentative acerbic and often contemptuous of local customs In addition to a critical introduction this edition provides extensive annotation and appendices with material on Smollett s correspondence the book s reception in the eighteenth and nineteenth centuries related travel writing and Smollett s infamous satirization as Smelfungus in Sterne s A Sentimental Journey **Fiction, 1876-1983:**

Titles R.R. Bowker Company. Department of Bibliography, R.R. Bowker Company. Publications Systems Department, 1983

The Cambridge History of English Literature, 1660-1780 John Richetti, 2005-01-06 The Cambridge History of English Literature 1660-1780 offers readers discussions of the entire range of literary expression from the Restoration to the end of the eighteenth century In essays by thirty distinguished scholars recent historical perspectives and new critical approaches and methods are brought to bear on the classic authors and texts of the period Forgotten or neglected authors and themes as well as new and emerging genres within the expanding marketplace for printed matter during the eighteenth century receive special attention and emphasis The volume s guiding purpose is to examine the social and historical circumstances within

which literary production and imaginative writing take place in the period and to evaluate the enduring verbal complexity and cultural insights they articulate so powerfully

The English Novel in History 1700-1780 John Richetti, 2003-09-02
The English Novel in History 1700 1780 provides students with specific contexts for the early novel in response to a new understanding of eighteenth century Britain It traces the social and moral representations of the period in extended readings of the major novelists as well as evaluating the importance of lesser known ones John Richetti traces the shifting subject matter of the novel discussing scandalous and amatory fictions criminal narratives of the early part of the century the more disciplined realistic and didactic strain that appears in the 1740 s and 1750 s novels promoting new ideas about the nature of domestic life novels by women and how they relate to the shift of subject matter This original and useful book revises traditional literary history by considering novels from those years in the context of the transformation of Britain in the eighteenth century

Encyclopedia of British Humorists Steven H. Gale, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

The Cure of the Passions and the Origins of the English Novel Geoffrey Sill, 2006-11-02 This new study examines the role of the passions in the rise of the English novel Geoffrey Sill examines medical religious and literary efforts to anatomize the passions paying particular attention to the works of Dr Alexander Monro of Edinburgh Reverend John Lewis of Margate and Daniel Defoe novelist and natural historian of the passions He shows that the figure of the physician of the mind figures prominently not only in Defoe s novels but also in those of Fielding Richardson Smollett Burney and Edgeworth

Novel Bodies Jason S. Farr, 2019-06-07 Novel Bodies examines how disability shapes the British literary history of sexuality Jason Farr shows that various eighteenth century novelists represent disability and sexuality in flexible ways to reconfigure the political and social landscapes of eighteenth century Britain In imagining the lived experience of disability as analogous to and as informed by queer genders and sexualities the authors featured in Novel Bodies expose emerging ideas of able bodiedness and heterosexuality as interconnected systems that sustain dominant models of courtship reproduction and degeneracy Further Farr argues that they use intersections of disability and queerness to stage an array of contemporaneous debates covering topics as wide ranging as education feminism domesticity medicine and plantation life In his close attention to the fiction of Eliza Haywood Samuel Richardson Sarah Scott Maria Edgeworth and Frances Burney Farr demonstrates that disabled and queer characters inhabit strict social orders in unconventional ways and thus opened up new avenues of expression for readers from the eighteenth century forward Published by Bucknell University Press Distributed worldwide by Rutgers University Press

Mastering English Literature Richard Gill, 2006-07-28 The third edition of this leading text provides a comprehensive guide to literary study Emphasis has been placed on contextualizing literature and this updated version takes these changes into account by incorporating more material on historical and cultural contexts as well as in depth discussions on novels drama and poetry

Eighteenth Century Writing from Wales Sarah Prescott, 2020-09-15 Examines Welsh writing in English in the context of critical debates concerning the

rise of cultural nationalism and the invention of Great Britain as a nation in the eighteenth century This study investigates the ways in which Anglophone literature from and about Wales imagines the nation and its culture in a range of genres

British Museum Catalogue of printed Books ,1896 English Literature, Volume 1 Louis A. Landa,2015-12-08 This is the first of two volumes which will make available in convenient form the annual bibliographies of 18th century scholarship published for the past 25 years in the *Philological Quarterly* Volume 1 includes the years 1926 1938 By means of lithography the original issues are exactly reproduced with retention of all critical annotations Originally published in 1950 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
