homeland As the oldest of several children Anastasia takes care of her younger siblings particularly when her mother struggles She must grow up quickly At the age of nine her parents give her a leather bound book of days in which she may write what she sees thinks and feels And as time goes on she tells the story of her life that of a never wed mother of three in a conservative Catholic society Hers is a story filled with strife hardships and love spanning most of the nineteenth century Based on Anastasia s purported diaries this novel presents her life story turning a family genealogy into the flesh and bones of a real woman who passed the family name down through the generations *Jerusalem, Drawn and Quartered* Sarah Tuttle-Singer,2018-05-22 On a night in 1999 when Sarah Tuttle Singer was barely 18 she was stoned by Palestinian kids just outside one of the gates to the Old City of Jerusalem In the years that followed she was terrified to explore the ancient city she so loved But sick of living in fear she has now chosen to live within the Old City s walls living in each of the four quarters Christian Muslim Armenian and Jewish Jerusalem s Old City is the hottest piece of spiritual real estate in the world For millennia empires have clashed and crumbled over this place Today the conflict between Israelis and Palestinians plays out daily in her streets and the ancient stones run with blood But it s also an ordinary city where people buy vegetables and sooth colicky babies where pipes break where the pious get high and young couples sneak away to kiss in the shadows Sarah has thrown herself into the maelstrom of living in each quarter where time is measured in Sabbath sunsets and morning bells and calls to prayer in stabbing attacks and check points keeping the holidays in each quarter buying bread from the same bread seller making friends with people who were once her enemies and learning some of the secrets and sharing the stories that make Jerusalem so special and so exquisitely ordinary Jerusalem Drawn and Quartered is a book for anyone who s wondered who really lives in Israel and how they coexist It s a book that skillfully weaves the personal and political the heartwarming and the heart stopping It s a book that only Sarah Tuttle Singer can write The Old City of Jerusalem may be set in stone but it s always changing and these pages capture that **Dry Goods Reporter and Midwest**

Hansen,2022-06-19 Betrayed Orphaned Consumed by vengeance Young Jarren Heartwood s only chance of survival is to join the Shadow Academy elites the enemy of his enemy to destroy the fire mages known as the flares A darkness is creeping across Elonia destroying hope and creating a malevolent society where the weakest are guaranteed a miserable existence and the factions that are supposed to defend and protect only create more despair while searching out ways to become more powerful Jarren Heartwood s secretive mother raised him on fear of the Academy and the flares but infused his life with love and fanciful tales as they scraped by in their brutal city of Nirwood At the age of ten he suddenly has his mother ripped away leaving him fending for himself To survive and avenge his mother he turns to the Shadow Academy assassins After seven years of brutality and callousness Jarren has become the vengeful killer needed to take out his enemies When an assignment comes along that should rocket him through the Academy ranks he jumps at it However not all is as it seems and the very magical forest that haunts him unveils a world he knew nothing about but is very much entangled with Jarren must reevaluate everything he thought he knew for magic and myths are very much alive and revelations about his childhood and family rock him to the core Quadrant of Balance is a four book fantasy odyssey following the monumental challenges faced by Jarren and his companions to save Elonia from the dark curse Are you a fan of the adventure and mystery of Sanderson and like the magic and fast paced combat of Salvatore Then you will love Quadrant of Balance Jarren Heartwood Join Jarren today in exploring Elonia to uncover the mysteries of the Rot and the Quadrant of Balance Silverstar editorial review <https://www.silverstarreview.com> RATING 5 STARS GENRE Teen YA FICTION AUTHOR D K Hansen This review may contain spoilers I was pleasantly surprised by this book It is written well without visible grammatical or spelling errors This book flows medium to fast pace read with a perfect satisfying delivery First of all I liked how the Author crafted the main character very relatable to anyone From the event of his birth all the way to his coming of age Jarren s life journey is like no other The story of the circumstances of why he is losing his childhood innocence is a tad heartbreaking However Jarren has guts and decides that he is going to straighten the wrongs by becoming an assassin The entire book is character driven I loved that Here the Author created an amazing world where the magic rot is destroying the character s world The elite assassins training program and the participants are ruthless and may turn our main character into a cold ruthless

human being but the author here brilliantly gives us hints and clues that Jarren has more heart and fairness than most This is an epic Hero s Journey with a strong feeling of Assassins Creed theme meets A Court of thorn and roses with a male main character Also the magical hidden world he finds he is part of reminds me of the Spiderwick Chronicles The Author turns the different fictional landscapes into something worthy of visiting Jarren s world is intriguing dangerous and mysterious as our protagonist discovers that everything he knows has been a lie This is a story of life versus annihilation of all life Elonia our mythical dryad world is in utmost danger Frankly I could not put it down despite the many life interruptions I have on a daily basis I highly recommend this EPIC adventure fantasy story **Slapping the Table in Amazement** Mengchu
