The White Leopard: Dreams & Visions Stephanie Perry, 2019-07-30 This is the story of a young white leopard growing up in the most tempting time in history She receives a dream from the Shepherd that tells her that she will defeat the maned one with the voice of thunder However as she grows up her life becomes unstable and she begins to question her purpose Stress and strife dominate her life and eventually doubt begins to rule her thoughts allowing bitterness to envelop her heart Dreams and visions though also dominate her mind as they foreshadow future events As she tries to figure out each vision heavenly signs also appear unto the white leopard signs that she knows only come from the Lord of heaven and earth Eventually these visions come to pass Four sore plagues war famine death and wild beasts devastate a fourth part of the earth changing the landscape of the world In an attempt to restore peace and safety the kingdoms of the earth come together to form a ten kingdom coalition called the New Kingdom With this New Kingdom comes new rules and laws that contradict the holy laws established by the Lord of heaven and earth While most suspect nothing of the kingdom s true plans the white leopard senses that the time of great tribulation is at hand In order to survive she must trust the Lord to bring her through all trials and show her the path for strength in fulfilling her purpose while also overcoming emotional bondages that have hampered her spiritual freedom

The Gospel Libel Volume Ii Anonymous, 2000-10-26 NOTE This is Vol II of II PURPOSE NEED FOR THIS PUBLICATION The early Christians said to the Jews You have no right to live among us as Jews and sought to make them Christians Then political Christendom said You have no right to live among us and created the ghettos of physical separation Finally the Nazis said You have no right to live and the world remained silent Anti Semitism past and present is a natural concomitant of the Gospel libel which was causal and manifest in the Holocaust As anti Semitism is again on the rise and as ignorance is not only prevalent but also rampant inculcating the uneducated and misinformed masses with the truth may possibly and hopefully result in a diminution if not a culmination of anti Jewish hostility This treatise is a depiction of the most important trial in the annals of history a trial dealing with the most tragic libel in the history of the human race a libel that was causal in crusades inquisitions pogroms Holocausts and other crimes against an innocent people for more than nineteen centuries Rectifying this ongoing injustice is the primary purpose of this publication A CHALLENGE For more than nineteen centuries Christians have been accusing Jews of having shed innocent blood the blood of their lord Jesus Christ They claim that almost two thousand years ago the Great Sanhedrin the highest tribunal in the land of Judea unjustly convicted Jesus of the capital offense of blasphemy and delivered him to the Roman Procurator to be crucified This accusation based solely upon the testimony of the Four Gospels has never been brought to trial in any court of law No verdict and no decision of guilt against the Jews has ever been handed down by a competent tribunal Yet Christians have ever since

been depriving the Jews of their legal and natural rights without due process of law The Jews cannot forever stand accused of this heinous crime by a unilateral opinion and suffer untold misery They are entitled at long last to have their day in court and to refute this long standing accusation It is for this reason this case is being brought to the attention of the world Your first impression as Christians of course will be that this is a special pleading that the author as a Jew was prejudiced and biased in presenting his case and that it is therefore nothing more than a one sided affair You will naturally say that the author as a Jew based his contentions on arguments which are necessarily anti Christian and faulty Hence worthy Christians this thesis is presented to you proving that the Jews cannot be held guilty of having shed the blood of Jesus and you are challenged to refute it If you are unable to disprove this contention or if you conveniently choose to ignore it and thus tacitly admit that it is irrefutable and true then we demand of you in the name of justice and of humanity and of the very tenets of your religion that you openly admit and proclaim henceforth in all your houses of worship and in your parochial schools that the Jews are innocent We demand that you cease indoctrinating the tender minds of your children with the false accusation against the Jews that they were instrumental in causing the crucifixion of Jesus We demand that you cease inciting your followers against the Jews with your Passion Plays before the approach of Easter We demand in the name of justice that you begin now to right the deadly wrong committed against the Jews by revising those chapters in the Four Gospels that tell of the trial of Jesus and by deleting from the New Testament texts all accusations against the Jews We demand in the name of all that is decent in Christianity and in the name of the conscience of mankind that **The Nazarene's Songs, in Two**
