Sick and Dirty Michael Koresky,2025-06-03 A blazingly original history celebrating the persistence of queerness onscreen behind the camera and between the lines during the dark days of the Hollywood Production Code From the 1930s to the 1960s the Motion Picture Production Code severely restricted what Hollywood cinema could depict This included any inference of the lives of homosexuals In a landmark 1981 book gay activist Vito Russo famously condemned Hollywood s censorship regime lambasting many midcentury films as the bigoted products of a celluloid closet But there is more to these movies than meets the eye In this insightful wildly entertaining book cinema historian Michael Koresky finds new meaning in problematic classics of the Code era like Hitchcock s *Rope* Minnelli s *Tea and Sympathy* and bookending the period and anchoring Koresky s narrative William Wyler s two adaptations of *The Children s Hour* Lillian Hellman s provocative hit play about a pair of schoolteachers accused of lesbianism Lifting up the underappreciated queer filmmakers writers and actors of the era Koresky finds artists who are long overdue for reevaluation Through his brilliant inquiry *Sick*

and Dirty reveals the bad seeds of queer cinema to be surprisingly even gleefully subversive reminding us in an age of book bans and gag laws that nothing makes queerness speak louder than its opponents bids to silence it *The Complete Short Stories of Charles Dickens: 190+ Titles in One Volume (Illustrated Edition)* Charles Dickens, 2023-11-26 The Complete Short Stories of Charles Dickens 190 Titles in One Volume Illustrated Edition offers an extensive exploration of Dickens's narrative prowess through a curated collection of his short stories showcasing his keen observations of Victorian society and the human condition Featuring varying styles from whimsical tales to poignant social commentaries this anthology encapsulates the breadth of Dickens's literary work with illustrative contributions that enhance the reader's engagement These stories reflect the dualities of urban life and moral dilemmas often imbued with a rich character repertoire and intricate plotlines that are quintessentially Dickensian Charles Dickens a towering figure of 19th century literature drew much of his inspiration from his own tumultuous early life enduring poverty and hardship that influenced his narratives His experiences as a child laborer and his fervent social activism permeate his writing enriching his character development and thematic depth As a master of serialization and keen observer of societal flaws Dickens's short stories exemplify his commitment to illumination and social change This comprehensive collection is indispensable for both new readers and seasoned enthusiasts of Dickens's literary legacy With each story revealing fresh layers of human experience and societal critique it challenges readers to reflect on the enduring issues of injustice empathy and resilience making it a timeless resource for anyone seeking to delve into the rich tapestry of Dickens's storytelling
