#### The Failure Of Political Islam:

The Failure of Political Islam Olivier Roy,1994 For many Westerners ours seems to be the era of the Islamic threat with radical Muslims everywhere on the rise and on the march remaking societies and altering the landscape of contemporary politics In a powerful corrective to this view the French political philosopher Olivier Roy presents an entirely different verdict political Islam is a failure Even if Islamic fundamentalists take power in countries like Algeria they will be unable to reshape economics and politics and in the name of Islamic universalism will express no more than nationalism or an even narrower agenda Despite all the rhetoric about an Islamic way an Islamic economy and an Islamic state the realities of the Muslim world remain essentially unchanged The Failure of Political Islam, 1996 The Failure of Political Islam Olivier Roy,1994 This powerful argument reassess radical Islam and the set of ideas and assumptions at its core Olivier Roy offers a challenging and highly original view that no one trying to understand Islamic fundamentalism can afford to overlook The Failure of Political Islam Olivier Roy,1999 The 'failure' of Political Islam? Lucia Ardovini,2017

Hamdan Basyar, Dhurorudin Mashad, M. Fakhry Ghafur, Defbry Margiansyah, 2025-06-20 This book provides a survey of the political situation in 15 Arab countries in the Middle East and North Africa and provides overviews of associated post Arab Spring politics with an emphasis of political Islamist movements A translation from its original in Bahasa Indonesia the book critically assesses the concept of post Islamism from an Indonesian perspective It argues that the wave of democratization in the Middle East following the Arab Spring failed to create an open democratic life in the region except in the country where the Arab Spring began Tunisia Rather it has left growing conflicts and destabilization in the region with the rise of new authoritarianism. The authors simultaneously show that Islamic political movements in general are adaptive in the face of the changing political environment post Arab Spring They present the example of the Muslim Brotherhood as a movement with distinctive characteristics and high levels of adaptability in changing socio political environments It is relevant to advanced undergraduate and graduate students studying and researching contemporary Arab or Islamist movements and to scholars look for a neat comparative survey of countries after Understanding Political Islam François Burgat, 2019-12-20 Understanding Political Islam retraces the the Arab Spring human and intellectual development that led Fran ois Burgat to a very firm conviction that the roots of the tensions that afflict the Western world's relationship with the Muslim world are political rather than ideological In his compelling account of the interactions between personal life history and professional research trajectories Burgat examines how the rise of political Islam has been expressed first in the Arab world then in its interactions with European and Western societies An essential continuation of his work on Islamism Burgat's unique field research and political trespassing marks an overdue challenge to the academic mainstream The Mobilization of Political Islam in Turkey Banu Eligür, 2010-04-12 The Mobilization of Political Islam in Turkey explains why political Islam which has been part of Turkish politics since the 1970s but on the rise only since the 1990s has now achieved governing power Drawing on social movement theory the book focuses on the dominant form of Islamist activism in Turkey by analyzing the increasing electoral strength of four successive Islamist political parties the Welfare Party its successor the Virtue Party and the successors of the Virtue Party the Felicity Party and the Justice and Development Party This book which is based on extensive primary and secondary sources as well as in depth interviews provides the most comprehensive analysis currently available of the Islamist political mobilization in Turkey
