Abraham (the patriarch.)

The Faith Of Abraham:

Following the Faith of Abraham , **The Faith of Abraham** Skhumbuzo Ngozwana, 2021-07-29 We learn from the life of Abraham that faith in GOD trusts and values truth It is loyal and saves influences instructs guides believes ultimately manifests and attracts after its own kind Yet this faith can be vulnerable and fail but in the end it helps us to endure much and prosper it opens new doors serves us and blesses us It lives This book will help you understand and give you hope in the depth and breadth of Abraham s faith in GOD s promises It will teach you that you too by faith like Abraham will achieve the GOD ordained Purpose for your life In this book you will learn how a young Abraham having escaped from King Nimrod lived with Noah and his son Shem Noah the same Ark builder who had lived through the evil days that led GOD to destroy the world through the great flood This Noah knew the depravity that separated man from GOD and the righteousness that restored man s relationship with GOD Noah son of Lamech was ten generations removed from the original man Adam The book will posit that Noah taught Abraham all he had also been taught about the true nature of GOD by his father Lamech who most certainly had met the first man Adam his ancestor nine generations removed who died when Lamech was fifty six years old The book therefore proposes that Abraham learnt about GOD his nature and the pain of disobedience to God from Noah whose father had heard a first hand account directly from the first man Adam You will also learn the reason why Jacob the younger twin of Esau became the heir of the Covenant promise instead of Esau Spoiler Alert it was not because Rebekah favoured Jacob The book argues that because Jacob the homely twin of the wild Esau spent time with his grandfather Abraham he learnt about life and about GOD first hand from this friend of GOD the receiver and keeper of the Covenant promise We make this bold claim confidently because we know that Abraham was one hundred and seventy five years old when he died and the twins were fifteen years old Why How Isaac was sixty years old and Abraham one hundred and sixty years old when they were born Therefore they lived for fifteen years before Abraham died and we can discern that the Covenant keeper taught the housebound Jacob all he knew about GOD from personal experience and from what had been imparted to him by Noah and Shem You will also learn in this book why Isaac was willing to allow his father Abraham to sacrifice or raise him up before the living GOD He was not a helpless boy as some believe He was already a grown man of thirty nine years So why did he not fight his aging father Why did he willingly allow himself to be bound up for sacrifice His faith in the God of his father You will see that like the Abraham of old a man with remarkable hospitality gentleness and kindness and a love for his fellow man many of the modern day avatars who continue to shape the world for the better have thrown themselves into causes that seek to perfect GOD s world through philanthropy and other acts because they believe deeply and know that the suffering of one soul somewhere is the suffering of all souls everywhere Finally you will learn that the true worship of the Living GOD is doing good to his other children not prayer or sacrifice You will see that God not only approves of this but encourages it as evidenced by when Abraham literally kept GOD waiting to take care of the three

strangers who appeared near his tent in the desert in Mamre You will see from the account how although Abraham was talking to God at the time the three strangers appeared he immediately asked GOD to wait whilst he went to attend to the strangers The Faith of Abraham will teach you what the servants of GOD have known since time immemorial the full blessings of GOD are unlocked when we are willing to walk by Faith and not by Sight trusting fully in GOD s promises

The Faith Of Abraham Leo Sivan,2021-07-06 It may sound blasphemous to some people to say that one can be God s friend God is so awesome so holy so powerful etc that man cannot stand all His perfect qualities and attributes to imagine being God s friend Such consideration is right but is not true because God Himself decided to stoop low to allow as many humans as possible who desire to be His friend to explore this possibility This book has one goal It wants to show how you can be a treasured friend to God You can rise above just being a servant in His house Your place can be even higher than an obedient child in His family You can stand beside Him as a cherished and needed friend All it takes from you is for you to fulfill the promise of your faith One man in the Bible is called the friend of God Abraham He is the father of all who believes His life shows the potential in faith His life shows the power of the faith that dwells within your heart This book will help you retrace the steps of Abraham s faith from his call out of Ur to the altar which held his son Isaac You will see his growth from God s servant to His friend It will challenge you to walk in the steps of Abraham s faith It will call you to see your faith in a new light You can be more than God s servant

Radical Faith R. A. MONROY,2025-07-03 Radical Faith Returning to the Faith of Abraham is a call to rediscover the unshakable inconvenient and living faith that moved Abraham to leave everything behind to follow the voice of God This book invites you to confront the comfortable diluted Christianity of our times and to walk the path of a faith that trusts obeys and surrenders even when it costs everything Today many believers have reduced faith to a tool for personal success instant miracles and emotional satisfaction Faith has become a transaction a formula for blessings or a comfort for guilt rather than a radical trust in the God who calls us to leave the familiar and walk into the unknown In Radical Faith you will discover that Abraham s faith was never about merely receiving promises but about trusting the Promise Giver above every earthly security This book explores How Abraham s faith led him to live as a foreigner without controlling his future depending only on God s word The cost of faith in a world that offers convenience and the illusion of control Why modern Christianity often replaces surrender with self help and the cross with comfort How to discern God s promises beyond material blessings understanding the eternal covenant and the Kingdom to come The difference between faith that seeks God for what He gives and faith that seeks God for who He is How the faith of Abraham reveals God s plan for all nations calling believers today to walk in that same faith as strangers and pilgrims on earth The hope that comes from seeing beyond our temporary struggles living for a Kingdom that is not of this world Through biblical exposition and practical application Radical Faith challenges you to question whether you have settled for a safe faith that costs nothing or if you are truly willing to follow Jesus wherever He leads It is not a faith built on motivational phrases or temporary hype

but a faith rooted in the eternal purposes of God just as Abraham trusted when there was nothing but a promise to guide him By faith he dwelt in the land of promise as in a foreign country dwelling in tents with Isaac and Jacob the heirs with him of the same promise Hebrews 11 9 This faith is not convenient and it will not always make sense but it is the faith that pleases God and positions you to be part of His eternal story If you desire to Understand how the faith of Abraham applies to your walk with Christ today Be delivered from a religious system that replaces surrender with routine Live with a heavenly perspective rather than being tied to temporary expectations Be equipped to stand in faith when promises seem delayed Embrace a faith that shapes your decisions your identity and your destiny Then this book will serve as your companion in leaving behind a comfortable religion to embrace a radical genuine walk with God Radical Faith Returning to the Faith of Abraham will encourage challenge and equip you to walk as Abraham did trusting God s voice above every other voice ready to step out when He calls and willing to live as a foreigner while waiting for the city whose builder and maker is God It is time to rediscover the faith that God honors a faith that does not negotiate a faith that does not demand a faith that simply believes and obeys This is the faith of Abraham This is the faith that overcomes the world *Following the Faith of Abraham* Olusola A. Areogun, 2011-12 Following the Faith of Abraham is the full volume on the practical details of the life of faith This book has remained a perennial bestseller since its first publishing in 2005 Regardless of what you re passing through you can boldly say It will not end like this Develop critical understanding like How to Handle Symptoms Scripturally Why Some Christians Miss Miracles Steps of Abraham s Faith and lots more OLUSOLA AYODELE AREOGUN is an ordained minister of the Gospel He serves the will of God in this generation as author teacher church planter and mentor of leaders for the next generation with varied ministerial exposures and experience He also serves as father and cover to many upcoming ministries He is the President of the Living Jesus Ministries Inc and General Overseer of The Dream Centre of The Life Oasis International Churches His daily Radio TV programme Living By The Answer is heard across Nigeria Africa U K Europe and U S A Other outreaches include Web of Wisdom Ministers Conference a Bi annual event to re fire ministers of the gospel the Living Jesus Ministerial Training Institute a full time Bible School Eagle Media Spirit Meat a freely distributed daily devotional guide with electronic option and Abundant Life House The publishing arm has over seventy publications In a vision he saw himself standing before the Lord with other servants of God to pick their life assignments when his turn came he picked a paper with the inscription COMMITTED TO HELPING MEN REALISE THEIR GOD GIVEN DREAMS IN LIFE This sums up the heartbeat of this servant of God He is happily married to Oyenike also an ordained minister of the gospel they are blessed with two children Joshua and Peace who are involved in the ministry *The Faith of Abraham* Edir Macedo, 2017-10-13 In this new edition of The Faith of Abraham Edir Macedo talks about the importance of having a faith that is based upon the solid foundation of the Word of God a faith of real quality Having faith without quality is exactly why most religious people don t receive practical results from the faith they have even though it is a faith in God Life depends on

faith Yet if faith lacks quality then life will also lack quality These 104 pages delve into various Bible passages and show how Abraham used courage and boldness to materialise his faith With faithfulness and sincerity of heart as the basis for his life the patriarch Abraham became an heir to all the promises of God raising the quality of his faith to an even higher level Look up toward heaven and count the stars if you are able to count them And He said to him So will your descendants be Genesis 15 5

The Example of Abraham's Faith in the New Testament Walter J Takuski, 2023-12-21 It might seem that the biblical description of Abraham's call is unimportant for the next generations of believers like us The Patriarch plays an extraordinary role due to meeting God on his way and the graces he received from God transcended his life Readers find unique insights into the faith of Abraham in the New Testament Jesus fulfills Abraham's promises and St Paul testifies that Abraham believed in God against all hope The Letter to Hebrews emphasizes Abraham's patient faith and obedience and St James proves that faith and actions work together The Patriarch becomes an icon of the living faith of many generations the Old Testament and the New Testament and he is also an example for believers of all times Walter John Takuski holds a Sacred Theology Doctorate from the Pontifical University of John Paul II As a priest of the Archdiocese of Chicago he served at numerous parishes in the city of Chicago and its suburban areas and at the University of Saint Mary of the Lake Mundelein Seminary He wrote a doctoral thesis about the Servant character of leadership in the Holy Scriptures and is interested in LifeLong Faith Formation Evangelization and Faith Growth His plans include writing a new

The Father of Faith LARRY J. TATE, 2022-08-03 Abraham is affectionally known as the Father of Faith Even as Abraham believed God and it was accounted to him for righteousness Know ye therefore that they which are of faith the same are the children of Abraham Gal 3 6 7 Therefore it is of faith that it might be by grace to the end the promise might be sure to all the seed not to that only which is of the law but to that also which is of the faith of Abraham who is the father of us all Rom 4 16 By faith Abraham when he was called to go out into a place which he should after receive for an inheritance obeyed and he went out not knowing whither he went By faith he sojourned in the land of promise as in a strange country dwelling in tabernacles with Isaac and Jacob the heirs with him of the same promise For he looked for a city which hath foundations whose builder and maker is God Heb 11 8 10

The Rhetoric of Abraham's Faith in Romans 4 Andrew Kimseng Tan, 2018-04-20 Explore Romans 4 from a sociorhetorical perspective Andrew Kimseng Tan examines Romans using sociorhetorical interpretation to determine how Paul attempted to alleviate dissension between Judean or Jewish and non Judean or gentile Christians Through his analysis of Paul's rhetoric Tan reveals that Paul used Abraham's faith in Genesis to demonstrate that the both groups were equally children and heirs of Abraham whose acceptance by God was through the same kind of faith that Abraham possessed not through the Mosaic law which Judean Christians claimed gave them a special honored status with God

Features A model for the application of sociorhetorical interpretation for analyzing close readings of biblical texts A demonstration of the persuasive power of Romans 4 through the use of sociorhetorical interpretation Exploration of the relationships between important theological topics such as resurrection the Mosaic law the Holy Spirit righteousness ethical living and eschatological salvation
