The Faith Of Jesus Saying Yes To Gods Love:

Saying Yes to God Timothy C. Geoffrion, 2017-05-31 *Saying Yes to God* is written to help maturing Christians better recognize the voice of God and the leading of the Holy Spirit. The book is a practical resource for those looking for fresh insight to break through barriers and personal limitations in their relationship with God. In effect, this book offers hope to all those who earnestly want to know God better and to live Christ-centered Spirit-led lives. Readers will not feel judged or shamed but will hear a gentle but firm and persistent call to believe that God truly is at work in their lives, calling and leading them. Not only can they learn to recognize the Spirit's voice better but they can learn how to work with God in tremendously satisfying and fruitful ways. This book's particular contribution lies in its simple presentation of important spiritual concepts, use of illustrations drawn from the author's spiritual life coaching practice, and global teaching ministry, and special emphasis on how to love others better as an outflow of one's faith and personal relationship with God. **Don't Be Afraid to Say Yes**

Jones,2014-01-07 Joe Jones a retired and well known systematic theologian confesses he has a lover s quarrel with the church In wide ranging writings mostly dating since

2006 he forthrightly argues for a theologically sound understanding of the church And he pursues a multi faceted critique of the feckless ways in which actual churches ministers and laity balk and betray their rightful calling to witness in word and deed to God He is especially critical of the practical ways in which congregations become no more than mirror images of their sociopolitical milieu whether to the right or to the left Hence the quarrel trenchantly pursued in major essays blogs and spiritual reflections on his own past But it remains crystal clear to Jones in his learned and profound confession that it is his beloved church with which he quarrels and about which he still has extravagant hopes A Lover s Quarrel is a book appropriate for ministers and laity students and professors and learned skeptics Feasting on the Word: Year B, Volume 1

David L. Bartlett,Barbara Brown Taylor,2008-06-11 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day Epiphany Holy Week and All Saints Day For each lectionary text preachers will find four brief essays one each on the theological pastoral exegetical and homiletical challenges of the text This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion The editors and contributors to this series are world class scholars pastors and writers representing a variety of denominations and traditions And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its content Right Now David Levister,2015-07-06 Did the cross of Calvary truly remove every form of the curse Did Jesus really make everything right for those who put their trust in Him Or do we await another day when God will add to the work of the cross in order to complete our salvation The truth contained in this treatise is the simplest of all truths This book is not a study on the mysterious depths of the gospel but rather on the foundational principles upon which the church is to be built Although foundational the truth contained herein is one in which the church at large is unfamiliar Though simple this truth is simply profound and contains power to bring forth a new and radical perspective This new perspective contains the ability to connect the believer to supernatural possibilities This radical perspective of which I speak is a simple and honest look at the redemptive work of the cross Could it be that Jesus death resurrection and seating at the Fathers right hand has totally and completely rectified the human condition Is it possible that as believers we can experience and enjoy the bountiful and unlimited blessings of heaven by merely agreeing with what the Father has already accomplished through His Son It has often been said that every believer has a right to be blessed healed favored etc The truth is we have far more than a mere right to these blessings We have Jesus Right which guarantees that these blessings are not only ours but they are irrevocably ours Because of the redemptive work of Calvary every believer is as much in the right with the Father as Jesus Himself The moment we believe in Jesus His righteousness is accredited to our account Thus Jesus Right is NOW upon us Truly there has been a great exchange He has taken all of our wrong and given us
