The Faith Of Our Fathers:

The Faith of Our Fathers James Gibbons,1898 *The Faith of Our Fathers* cardinal James Gibbons,1887 *Faith of Our Fathers* Eamon Duffy,2006-04-10 Distinguished scholar addresses the key issues an intelligent person needs to tackle in making sense of being a Catholic today [The Faith of Our Fathers](#) James Gibbons,1904 **The Faith of Our Fathers** James Cardinal Gibbons, 1834-1921,James Gibbons,2013-03-09 The object of this little volume is to present in a plain and practical form an exposition and vindication of the principal tenets of the Catholic Church It was thought sufficient to devote but a brief space to such Catholic doctrines and practices as are happily admitted by Protestants while those that are controverted by them are more elaborately elucidated The work was compiled by the author during the uncertain hours which he could spare from the more active duties of the ministry It substantially embodies the instructions and discourses delivered by him before mixed congregations in Virginia and North Carolina He has often felt that the salutary influence of such instructions especially on the occasion of a mission in the rural districts would be much augmented if they were supplemented by books or tracts circulated among the people and which could be read and pondered at leisure As his chief aim has been to bring home the truths of the Catholic faith to our separated brethren who generally accept the Scripture as the only source of authority in religious matters he has endeavored to fortify his statements by abundant reference to the sacred text He has thought proper however to add frequent quotations from the early Fathers whose testimony at least as witnesses of the faith of their times must be accepted even by those who call in question their personal authority [The Faith of Our Fathers](#) James Gibbons,2014-07-01 James Gibbons was a popular inclusive figure in the American Catholic Church rising through the ranks as a bishop archbishop and cardinal over the course of his service In the abidingly popular volume *The Faith of Our Fathers* Gibbons sets forth the chief tenets beliefs doctrines and practices of Catholicism in a clear and straightforward manner **The Faith of Our Fathers** William P.
